**INDIAN COMMUNITY CENTRE ASSOCIATION (REGISTERED NUMBER: 04660951)**

**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 31 MARCH 2023**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

The objects of the association are to:

- a) Promote the benefit of the Indian inhabitants of the City of Nottingham and the surrounding areas of Long Eaton, Sandiacre, Heanor, Ilkeston and Sawley by associating the local authorities, voluntary organisations and inhabitants in a common effort to advance education, and to provide facilities in the interest of social welfare for recreation and leisure time occupation with the objects of improving the conditions of life of the said inhabitants;
- b) Co-operate with local statutory agencies including local authorities in the maintenance and management of a centre for activities promoted by the association and its constituent bodies in furtherance of the above objects;
- c) To promote good relations between persons of all racial groups within the area of benefit.

Overall management of the association is the responsibility of the trustees who are elected and co-opted under the terms of the constitution. Day to day project activity is carried out by paid staff.

The trustees confirm that they have given due consideration to the Charity Commission's published guidance on the Public Benefit requirement under the Charities Act 2011 when reviewing the charity's aims and objectives.

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

The ICCA can report that in this financial year our service delivery has not yet completely returned back to normal. We were not able to provide the full range of services for the local community during the 2022/23 period. The funding environment for the charity was also still very challenging however we were successful in raising additional income from grants which were used to provide services to the community. Grant funding was used to provide free meals for people who were still suffering from covid and were self-isolating. We also secured funding to take on three new apprentice employees who helped to re-start our visa service and other services.

**Cultural Events at the ICCA**

We were able to hold some of the cultural events as Covid fears started to decrease. These included the Independence Day, Republic Day and Navratri. We did not hold the larger events such as Vaisakhi and Diwali or New Year's Eve party due to people not wanting to attend and not enough interest shown. However the Day-Care centre did manage to mark some cultural occasions such as Diwali on a smaller scale.

**ICCA 50 + Association**

The activities of the 50 plus resumed however the attendance was lower than pre-pandemic due mainly to people still being wary and not wanting to risk their health as covid cases were still being reported especially in the first half of the year. They continued to hold yoga sessions twice a week. They also did a charity walk and other activities.

**ICCA Cricket**

ICCA Cricket for kids took place in Spring in which children learned batting and bowling skills.

**FINANCIAL REVIEW**

**Financial Review**

Full details of the financial activities of the charity are available separately and this account is a very brief description of the results. In common with many other organisations the current financial situation has continued to mean difficult times throughout the financial year due to the continued after effects of the pandemic especially in the first half of the financial year.

Values are given to the nearest thousand. The overall result for the year 2022/23 was a surplus of £8k and resulted in an increase in net assets to £317k. Expenditure of £119k was compared with £112k in 2021/22 due to increased costs in general.

Income was £127k compared with £109k in the previous year 2021/22. The income had increased due to higher income for our community services and grants applied for and received. A full list of grant givers can be found further in the accounts. The Income from Day Care and Lunch Club had also increased. The Day care income was £15k compared to £14k in 2021/2022. The Dosti Luncheon Club income was £42k compared to £31k in 2021/22.

**Principal income sources**

**ICCA Day Care**

The Day Care services based at the Indian Centre is an award winning service, having won the National Care Award in the Care Team category in 2014 in the prestigious care sector awards

This year although still being affected by covid in the first half of the year the Day-Centre continued to stay open and deliver its services and support to our vulnerable elders who use the centre and in response to demands from the community

The centre continued to provide sustained support, care, by means of social inclusion and promotion of people's independence in partnership with other statutory and voluntary organisations. We provided care to citizens with sensory or physical disabilities, citizens with mental health problems and other health related issues. Our services also provided respite to carers.

Our Day Centre remains the busiest and best attended in the City of Nottingham amongst the BME centres but this is partly as a result of the ICCA protecting its Day Care clients from rises in the costs of providing care through our partnership with Nottingham and Nottinghamshire Social Services. The ICCA subsidises these costs through its charitable investment of over £10K each year so that users do not have to worry about increased costs of attendance.

Due to the financial changes in the social sector, with the introduction of self-directed support and personal budgets and the need for efficiency savings by government and local government bodies, plus higher charges and stricter eligibility criteria for those using Day Care Services, the overall number of attendees and the number of days that they attend has seen some reductions. The pandemic also had a great effect on the users due to social distancing we had to limit the number of citizens who could attend the centre at any one time. Citizens who were able to attend benefited from the wide range of activities that were still being provided.

It is important that the ICCA and its partners continue to promote the benefits of attending our Day Care to vulnerable elderly members of our community

**ICCA Dosti Luncheon Club**

The Dosti Luncheon club continues to be popular with local residents and staff working in local businesses and the broader public and delegates at conferences and meetings booked in the centre. We continued to post the variable menu on the ICCA's face-book page, our website page on a weekly basis and in addition to this we also published it on Deliveroo which has now become another popular choice.

Standards of food safety and hygiene are high and conform to industry codes with competent management, receiving five stars. Dosti Luncheon Club provides both eat-in or takeaway options.

**ICCA Visa Travel**

This service has restarted and was popular again for visas, although the numbers were still low compared to pre-pandemic. This was mainly due to not offering all the services due to staff issues.

**FINANCIAL REVIEW**

**Reserves policy**

The committee has considered the reserves held by the Indian Community Centre Association as at 31 March 2023.

The association needs reserves to enable it to develop its long term aims as well as ensuring the continuation of its current activities. In order to meet their responsibilities and to ensure that the charity continues to operate on a going concern basis the committee have reviewed the requirements and risks faced by the association.

The free reserves of the charity at the balance sheet date stood at £257,733. The committee have assessed the needs and risks the charity faces and believes that free reserves are adequate to meet the obligations of the organisation.

The charity defines its free reserves as its unrestricted net current assets. To ensure that the charity can meet its development aims and objectives the committee will re-assess the reserves policy on an annual basis.

- The election shall be supervised by an independent voluntary community organisation such as the Racial Equality Council or such other community organisation as the Executive Committee shall think fit.

**Risk management**

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees have had regular meetings throughout the year to identify and deal with any risks to the charity by the implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

This work has identified that the financial sustainability is the major financial risk for the charity and has worked on measures to ease this. A key element in the management of financial risk is a regular review of available liquid funds to make sure we have sufficient working capital to meet all our financial obligations.

Attention has also been focussed on non-financial risks i.e. fire, health and safety. These risks are managed by ensuring accreditation is up to date, having robust policies and procedures in place and regular awareness training for staff working in these operational areas.

3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
