They acknowledge their responsibilities for ensuring the company keeps accounting records which comply with Section 221 of the Act and for preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial period and of its loss for the financial period in accordance with the requirements of Section 226, and which otherwise comply with the requirements of the Act relating to these accounts, so far as applicable to the company.

Advantage has been taken in the preparation of these accounts of the special exemptions conferred by Section A of Part III of Schedule 8 to the Act on the grounds that the company qualifies as a small company.

2 STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
