SEJOC AUTO REPAIRS LIMITED

Report to the director on the preparation of the unaudited accounts of Sejoc Auto Repairs Limited

We have prepared, without carrying out an audit or examination, the financial statements set out on pages 2 to 4 from the accounting records of the company and from information and explanations provided by the company's directors

As described on page 2, the company's directors are responsible for the accounts and they believe the company is exempt from an audit and a report under Section 477

We have not conducted an audit or an examination of the financial statements and accordingly we express no opinion thereon

Our work does not provide any assurance that the accounting records and the accounts are free from material misstatement

1 Accounting policies

a) Basis of accounting

The financial statements are prepared on the historical cost basis of accounting and have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

The company has taken advantage of the exemption, conferred by Financial Reporting Standard 1, from presenting a cash flow statement as it qualifies as a small company

b) Turnover

Turnover represents net invoiced sales of goods and services, excluding value added tax

c) Depreciation of tangible fixed assets

Depreciation is provided on all tangible fixed assets at rates calculated to write off the full cost or valuation less estimated residual value of each asset over its estimated useful life. The principal rates in use are

Motor vehicles	25%	reducing balance
Equipment, fixtures and fittings	25%	reducing balance
Plant and machinery	25%	reducing balance

d) Deferred taxation

Deferred tax is provided in respect of the tax effect of all timing differences that have originated but not reversed at the balance sheet date

A deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured on a [discounted\ nondiscounted] basis, at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date
