For the year ending 31 May 2010

1 Accounting policies

Basis of preparing the financial statements

++T X The principal accounting policies adopted in the preparation of the financial statements are set out below, and have remained unchanged from the previous period and also have been consistently applied within the same accounts.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).The effect of events relating to the period ended 31 May 2010, which occurred before the date of approval of the financial statements by the Board of Directors, have been included to the extent required to show a true and fair view of the state of affairs of the company at 31 May 2010 and of its results for the year ended on that date.

Stocks

Work in progress and work in progress is valued at the lower of cost and net realisable value. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is shorter. The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.
