3 **Goodwill**

Goodwill representing the excess of the purchase price over the fair value of the net assets of undertakings acquired is capitalised in the balance sheet and is amortised by equal annual instalments over the expected useful economic life of 10 years.

4 **Stocks**

Stock and work in progress is valued at the lower of cost and estimated net realisable value. Cost of raw materials is determined on the first in first out basis. In the case of work in progress and finished goods, cost includes all direct expenditure and production overheads based on the normal level of activity. Net realisable value is the price at which the stock can be released in the normal course of business, less further costs to completion of sale.

5 **Hire purchase and lease transactions**

Rentals under operating leases are charged to the profit and loss account as they fall due.

6 **Pension scheme**

The company provides a defined contribution pension scheme, the assets of which are held separately from those of the company in an independently administered fund. Contributions to this scheme are charged to the profit and loss account as they become payable.
