DIRECTORS' REPORT

The directors present their annual report and the audited financial statements for the year ended 30 June 2014.

The directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption including exemptions from preparing a strategic report [CA 2006 s419(2)].

PRINCIPAL ACTIVITY

The principal activity of the company is the provision of football and other entertainment, together with related commercial activities.

BUSINESS REVIEW

The results for the year are set out on page 6.

The company generated turnover of £4.4m compared to £5.3m in 2013, this is due to non - recurring rugby and music events in the prior year. As with all football clubs, the challenge is to control player wages while remaining competitive. The company is supported by Inter MK Group Limited which is diversifying and generating future income from a hotel and from commercial property development.

During the year the company generated £0.6m (2013: £nil) profit from the disposal of players. Loss before tax for the year was £1.6m (2013: loss of £2.5m).

GOING CONCERN

Despite the company showing net liabilities of £11.8m, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. To determine the going concern basis is appropriate the company has received a letter of support from its parent company confirming that it will provide the necessary support to enable the company to continue as a going concern for the foreseeable future and for at least 12 months form the date of this report.

The directors have prepared financial projections for Inter MK Group Limited, the ultimate parent company, and its subsidiaries ("the Group") through to 30 June 2016 ("the Forecast") with the Group continuing as a going concern. Accordingly, the directors continue to adopt the going concern basis of preparation.

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

DIRECTORS' REPORT (continued)

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITOR

Each of the persons who is a director at the date of approval of this annual report confirms that:

- so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware; and
- the director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Deloitte LLP have expressed their willingness to continue in office as auditor. A resolution to reappoint them as auditor will be proposed at the forthcoming Annual General Meeting.

Approved by the Board of Directors on 27 March 2015 and signed on behalf of the Board

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MILTON KEYNES DONS LIMITED

We have audited the financial statements of Milton Keynes Dons Limited for the year ended 30 June 2014 which comprise the profit and loss account, the balance sheet and the related notes 1 to 23. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2014 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
 and
- have been prepared in accordance with the requirements of the Companies Act 2006.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MILTON KEYNES DONS LIMITED (continued)

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- · we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from preparing a Strategic Report or in preparing the Directors' Report.

NOTES TO THE FINANCIAL STATEMENTS Year ended 30 June 2014

1. ACCOUNTING POLICIES

The principal accounting policies adopted are summarised below. They have been applied consistently throughout the year and preceding year.

Basis of preparation

The financial statements are prepared under the historical cost convention, and in accordance with applicable United Kingdom accounting standards.

Going concern

The Company is a wholly owned subsidiary within the Inter MK Group Limited Group ("the Group"). All subsidiaries within the Group are operationally inter-dependent and subject to cross-guarantees.

The directors have prepared cashflow forecasts through 30 June 2016 and beyond, which include certain key assumptions around revenue, profitability and working capital management. The forecasts show that the Group has adequate resources to operate for the foreseeable future. Accordingly, the directors are satisfied on the ability of the Group to continue to meet its liabilities as and when they fall due for the foreseeable future, being a period of at least 12 months from the date of signing and approving this report and therefore continue as a going concern.

Cash flow statement

Under Financial Reporting Standard 1 (revised) the company is exempt from the requirement to prepare a cash flow statement on the grounds of its size.

Turnover

Turnover represents income receivable, net of VAT, from football, entertainment and related commercial activities. All turnover in the current year and preceding year was derived in the United Kingdom.

Gate and other match/event day revenue is recognised over the period of the football season as games are played and events are staged. Sponsorship and similar commercial income is recognised over the duration of the respective contracts. The fixed element of broadcasting revenues is recognised over the duration of the football season whilst facility fees for live coverage or highlights are taken when earned. Merit awards are accounted for only when known at the end of the financial period.

Related party transactions

As 100% of the company's voting rights are controlled within the group headed by Inter MK Group Limited, the company has taken advantage of the exemption contained in Financial Reporting Standard 8 and has therefore not disclosed transactions or balances with entities which form part of the group.

Group accounts

The company has taken advantage of Section 400 of the Companies Act 2006 not to prepare group accounts as it is a wholly owned subsidiary of Inter MK Group Limited, which prepares group accounts. These financial statements therefore present information about the company and not about its group.

Goodwill

Purchased goodwill (representing the excess of the fair value of the consideration given over the fair value of the separable net assets acquired) arising on business combinations in respect of acquisitions since 1 January 1998 is capitalised. Positive goodwill is amortised to nil by equal annual instalments over its estimated useful life. This period is considered to be 20 years.

NOTES TO THE FINANCIAL STATEMENTS Year ended 30 June 2014

1. ACCOUNTING POLICIES (continued)

Tangible fixed assets

Tangible fixed assets are stated at cost, net of depreciation and any provision for impairment. Depreciation is provided to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows:

Buildings 5 years
Office equipment 3 years
Plant and machinery 5 years
Motor vehicles 5 years

Freehold land is not depreciated.

Player registrations (within intangible fixed assets)

The costs of obtaining players' registrations are capitalised and amortised evenly over the period of the associated player's contract. Provision is made where, in the opinion of the directors, an impairment of the carrying value of the players' registrations has occurred. Potential future registration fees, contingent on certain conditions agreed in the registration contracts with the selling company, are disclosed as contingent liabilities (see note 16).

Investments

Investments are stated at cost less provision for impairment.

Stocks

Stocks, which comprise goods for resale, are stated on a first in, first out basis at the lower of cost and net realisable value.

Signing on fees

Signing on fees are initially capitalised as intangible assets and amortised evenly over the period covered by the players' contracts.

Leases

Operating lease rentals are charged to the profit and loss account on a straight line basis over the period of the lease.

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is provided in full on timing differences, which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

Financial liabilities and equity

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

NOTES TO THE FINANCIAL STATEMENTS Year ended 30 June 2014

1. ACCOUNTING POLICIES (continued)

Pensions

The company contributes to the Football League Limited Pension and Life Assurance Scheme for certain former employees, the assets of which are held separately from those of the company in independently administered funds. The company is not able to identify its share of the assets and liabilities of the scheme and therefore accounts for the scheme as a defined contribution scheme, in accordance with FRS 17 'Retirement benefits'. The pension cost charges represent contributions payable by the company during the year towards an actuarial deficit on the scheme, and a provision for the future settlement of the deficit in the Scheme, as advised by the Trustees (see note 18).

Grants

Grants relating to tangible fixed assets are treated as deferred income and released to the profit and loss account over the expected useful lives of the assets concerned.

2. LOSS ON ORDINARY ACTIVITIES BEFORE TAXATION

Loss on ordinary activities is stated after charging / (crediting):		2014	2013

Deferred tax asset (not recognised)	,		386,586	921,149

(c) Factors affecting tax charge for future years

The main rate of Corporation Tax fell to 21% effective from 1 April 2014 and will further reduce to 20% on 1 April 2015. The rate reduction has been reflected in the calculation of deferred tax at the balance sheet date.

As at the balance sheet date the company had tax losses of £1,080,709 which have not been recognised in the statutory accounts as there is insufficient certainly concerning the company's ability to generate profits in the foreseeable future against which these losses can be offset.

17. CONTINGENT LIABILITIES AND ASSETS

Player registration fees

At the year end, no additional transfer fees (2013 - £nil) will arise contingent upon certain contractual events occurring after the year end, such as players making specific numbers of appearances and gaining international honours.

Similarly, additional fees of up to £50k (2013 - £650k) may become receivable should certain contingent events occur in respect of players already sold by the year end. No amounts have been recognised in these financial statements in respect of these fees.

18. PENSION SCHEME

Certain former staff of the company are members of the Football League Limited Pension and Life Assurance Scheme ('FLLPLAS') comprising both defined benefit (suspended from 31 August 1999) and defined contribution sections. The company makes no contributions to any scheme in respect of current employees.

Following a review of the Minimum Funding Requirement ('MFR') of the FLLPLAS, accrual of benefits of the final salary section of the scheme was suspended as at 31 August 1999. In light of the exceptional circumstances affecting the scheme, the trustees of the scheme commissioned an independent actuary's report on the MFR position and a substantial deficit was identified. Under the Pensions Act 2011, participating employers will be required to contribute to the deficiency. The Club was advised that a basis of apportionment of the deficit had been approved by the trustees and their advisers, although in practice there are a number of important issues which remain that could impact on the final quantification of this liability. The amounts below therefore represent the directors' best estimate of the liability. The remaining amount payable on the allocation notified to the company on 8 May 2012, in respect of the actuarial deficit calculated as at 1 September 2011, is £504,037 and accordingly a provision for this amount was made in the financial statements (see note 12).

An amount of £237,513 (2013 - £89,373) was utilised against this provision in the year and the provided amount is now £362,012 (2013 - £198,287), including accrued interest charges.
