MORGAN STANLEY EPSILON INVESTMENTS LIMITED

STRATEGIC REPORT

The Directors present their Strategic report for Morgan Stanley Epsilon Investments Limited (the "Company") for the year ended 31 December 2022.

PRINCIPAL ACTIVITY

The principal activity of the Company is to enter into financing transactions and investments, with no significant changes expected in 2023.

The Company's ultimate parent undertaking and controlling entity is Morgan Stanley, which, together with the Company and Morgan Stanley's other subsidiary undertakings, form the "Morgan Stanley Group". The Company's immediate parent undertaking is Morgan Stanley Biscay LLC.

BUSINESS REVIEW

Overview of 2022 performance and key performance indicators

The Company's main key performance indicators are profit after tax, total assets and total liabilities.

The Company reported a profit after tax for the year of £4,000 as compared to profit of £1,000 in the prior year.

The profit for the current year mainly comprised of net interest income of £9,000 from Morgan Stanley undertakings, net gains on investment in associates of £1,000 offset by audit fees of £5,000. In the prior year, profit after tax was £1,000 which mainly comprised of net interest income of £5,000 from Morgan Stanley undertakings, net gains on investment in associates of £1,000 offset by audit fees of £5,000.

The increase in total assets by £4,000 from £351,000 to £355,000 is on account of increase in amounts due from other Morgan Stanley Group undertaking. Total liabilities have remained constant.

RISK MANAGEMENT

The Directors consider that the Company's key financial risks are credit risk, primarily its concentration of exposure to other Morgan Stanley Group undertakings and liquidity risk arising primarily through its exposure to other Morgan Stanley Group undertakings presented within other payables and loans and advances. The Company leverages the Morgan Stanley Group's credit and liquidity risk frameworks to identify measure, monitor and control credit risk and to ensure that the Company has access to adequate funding.

The Company also has some limited exposure to country, operational and legal, regulatory and compliance risks.

The Company leverages the risk management policies and procedures of the Morgan Stanley Group.

GOING CONCERN

Retaining sufficient liquidity and capital to withstand market pressures remains central to the Company's strategy.

The Company's ultimate parent undertaking and controlling entity, Morgan Stanley, has confirmed its intent to provide financial support to the Company to meet its obligations.

Taking the above factors into consideration, the Directors believe it is reasonable to assume that the Company will have access to adequate resources to continue in operational existence for the foreseeable future and continue to adopt the going concern basis in preparing the annual report and financial statements.

DIRECTORS' REPORT (CONTINUED)

AUDITOR

Deloitte LLP have expressed their willingness to continue in office as auditor of the Company and, under Sections 485 to 488 of the Companies Act 2006, will be deemed to be re-appointed.

Statement as to disclosure of information to the auditor

Each of the persons who are Directors of the Company at the date when this report is approved confirms that:

- so far as each of the Directors is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- each of the Directors has taken all the steps that he/she ought to have taken as a Director to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

DIRECTORS' RESPONSIBILITIES STATEMENT

The Directors are responsible for preparing the Annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with UK Generally Accepted Accounting Practice ("UK GAAP") (UK Accounting Standards and applicable law), including Financial Reporting Standard 101 '*Reduced Disclosure Framework*' ("FRS 101"). Under company law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards, including FRS 101, have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MORGAN STANLEY EPSILON INVESTMENTS LIMITED

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of Morgan Stanley Epsilon Investments Limited (the "Company"):

- give a true and fair view of the state of the Company's affairs as at 31 December 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 101 "Reduced Disclosure Framework"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the statement of comprehensive income;
- the statement of changes in equity;
- the statement of financial position and;
- the related notes 1 to 11

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "*Reduced Disclosure Framework*" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MORGAN STANLEY EPSILON INVESTMENTS LIMITED (CONTINUED)

Responsibilities of Directors

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We considered the nature of the Company's industry and its control environment, and reviewed the Company's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management about their own identification and assessment of the risks of irregularities, including those that are specific to the company's business sector.

We obtained an understanding of the legal and regulatory frameworks that the company operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. These included UK Companies Act 2006, pension legislation and tax legislation; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the company's ability to operate or to avoid a material penalty

We discussed among the audit engagement team including relevant internal specialists such as tax and IT specialists regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MORGAN STANLEY EPSILON INVESTMENTS LIMITED (CONTINUED)

- enquiring of management and in-house legal counsel concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance and reviewing correspondence with HMRC.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic report and the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and the Directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the Directors' report.

Matters on which we are required to report by exception

Under the Companies Act 2006, we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

MORGAN STANLEY EPSILON INVESTMENTS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

Year ended 31 December 2022

1. CORPORATE INFORMATION

The Company is incorporated and domiciled in England and Wales, UK, at the following registered address: 20 Bank Street, Canary Wharf, London, E14 4AD, UK. The Company is a private company and is limited by shares. The registered number of the Company is 04791361.

The Company's immediate parent undertaking is Morgan Stanley Biscay LLC, which has its registered office at c/o The Corporation Trust Company (DE), Corporation Trust Center, 1209 Orange Street, Wilmington DE 19801, United States of America. Morgan Stanley Biscay LLC does not produce publicly available financial statements.

The Company's ultimate parent undertaking and controlling entity and the largest and smallest group of which the Company is a member and for which group financial statements are prepared is Morgan Stanley which, together with the Company and Morgan Stanley's other subsidiary undertakings, form the Morgan Stanley Group. Morgan Stanley has its registered office c/o The Corporation Trust Company, Corporation Trust Center, 1209 Orange Street, Wilmington, DE 19801, United States of America and is incorporated in the state of Delaware, in the United States of America. Copies of its financial statements can be obtained from www.morganstanley.com/investorrelations.

2. BASIS OF PREPARATION

Statement of compliance

These financial statements are prepared on a going concern basis as explained in the Strategic report and under the historical cost convention in accordance with UK GAAP (UK Accounting Standards and applicable law), including Financial Reporting Standard 101 "Reduced Disclosure Framework" ("FRS 101").

The Company has taken advantage of the disclosure exemptions available under FRS 101 in relation to financial instruments, fair value measurement, capital management, presentation of a cash-flow statement, presentation of comparative information in respect of shares outstanding, accounting standards not yet effective and related party transactions.

Where relevant, equivalent disclosures have been provided in the group accounts of Morgan Stanley in which the Company is consolidated. Copies of Morgan Stanley's accounts can be obtained as detailed at note 1.

New standards and interpretations adopted during the year

There are no standards, amendments to standards or interpretations relevant to the Company's operations which were adopted during the year.

Critical accounting judgements and sources of estimation uncertainty

No critical judgements have been made in the process of applying the Company's accounting policies that have had a significant effect on the amounts recognised in the financial statements. The Company has not made any key assumptions and there are no other key sources of estimation uncertainty in the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities in the next financial year.

The going concern assumption

The Company's business activities, together with the factors likely to affect its future development, performance and position, are reflected in the Business review section of the Strategic report on pages 1 and 2.

Although the Company does not have net liquid assets and liabilities payable within the next 12 months, the Company is performing in line with expectations. In addition, the Company's ultimate parent undertaking and controlling entity, Morgan Stanley, has confirmed its intent to provide financial support to the Company to meet its obligations. Having assessed these factors, the Directors continue to adopt the going concern basis in preparing the annual report and financial statements.

MORGAN STANLEY EPSILON INVESTMENTS LIMITED

NOTES TO THE FINANCIAL STATEMENTS

Year ended 31 December 2022

2. BASIS OF PREPARATION (CONTINUED)

The going concern assumption (continued)

Taking the above factors into consideration, the Directors believe it is reasonable to assume that the Company will have access to adequate resources to continue in operational existence for the foreseeable future and the Directors continue to adopt the going concern basis in preparing the annual report and financial statements.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Functional currency

Items included in the financial statements are measured and presented in Pounds Sterling, the currency of the primary economic environment in which the Company operates.

b. Foreign currencies

Monetary assets and liabilities denominated in currencies other than Pounds Sterling are translated into Pounds Sterling at the rates ruling at the reporting date. Transactions and non-monetary assets and liabilities denominated in currencies other than Pounds Sterling are recorded at the rates prevailing at the dates of the transactions. All translation differences are recognised through the statement of comprehensive income.

c. Financial instruments

Financial assets and liabilities primarily comprise investments in associate, loans and advances and other payables.

Investments in associate are stated at cost, less provision for any impairment. Dividends, impairment losses and reversals of impairment losses are recognised in the statement of comprehensive income in 'Net gains on investments in associate'.

Loans and advances and other payables are recognised when the Company becomes a party to the contractual provisions of the instrument and are initially measured at fair value and subsequently measured at amortised cost (less allowance for impairment on financial assets). Interest is recognised in the statement of comprehensive income using the effective interest rate ("EIR") method.

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risk and rewards of ownership of the asset. The Company derecognises financial liabilities when the Company's obligations are discharged, cancelled or they expire.

d. Impairment of financial assets

The Company recognises loss allowances for expected credit losses ("ECLs") for its financial assets classified at amortised cost. ECLs are the present value of cash shortfalls over the expected life of the financial instrument, discounted at the asset's EIR. ECL is recognised in the statement of comprehensive income within 'Net impairment loss on financial instruments' and is reflected against the carrying amount of the impaired asset on the statement of financial position as an ECL allowance. Where there has been a reduction in ECL, this will be recognised within 'Net reversal of impairment loss on financial instruments'.

MORGAN STANLEY EPSILON INVESTMENTS LIMITED**NOTES TO THE FINANCIAL STATEMENTS**

Year ended 31 December 2022

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**e. Income tax**

The tax expense represents the sum of the tax currently payable and is calculated based on taxable profit for the year. Taxable profit may differ from profit before taxation as reported in the statement of comprehensive income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting date.
