NEW CHARITABLE OBJECT FOR BRADFORD WOMEN'S AID

Resolution agreed

Proposal – To introduce the following new charitable object :-

SD to take forward
with Charity
Commission

The provision of charitable social housing

Rationale:

- Bradford Women's Aid are in the process of applying for Registered Social Landlord status so we can - in addition to our existing objects - directly provide social housing to our beneficiaries thus widening the scope of our provision.
- This is in the charity's best interest because through the provision of social housing we can generate an income and become more sustainable.
