1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Exemption from preparing a cash flow statement

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirements to prepare such a statement.

Exemption from preparing group accounts

The company is part of a small group. The company has taken advantage of the exemption provided by Section 398 of the Companies Act 2006 and has not prepared group accounts.

Going concern

The financial statements have been prepared on a going concern basis.

Fixed asset investments

Fixed asset investments are stated at historical cost less provision for any diminution in value.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the company is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account.
