## Notes to the abbreviated accounts for the Year Ended 31 August 2008

### 1 Accounting policies

#### Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

#### Going concern

These financial statements have been prepared on a going concern basis, the validity of which is dependent upon the continuing support of its bankers and creditors. The director is of the opinion that the company is able to settle its liabilities as and when they fall due.

#### Turnover and Income Recognition

The company's turnover arises from the supply of professional services and is taken to the profit and loss account in the month in which the service is completed. The profit and loss account does not include any income for work yet to be completed or for future contracts.

Turnover is the total amount receivable by the company for goods supplied and services provided, excluding VAT and trade discounts.

#### Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Computer equipment                      25% straight line per annum

#### Foreign currencies

Transactions in foreign currencies are translated at the exchange rate ruling at the date of the transaction. Monetary assets and liabilities in foreign currencies are translated at the rates of exchange ruling at the balance sheet date. All exchange differences are dealt with through the profit and loss account.
