1. STATUTORY INFORMATION

Leo Farrow Industrial Properties Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Freehold property

The policy of not providing depreciation on freehold property is in accordance with the procedure laid down in Section 1A 'Small Entities' of Financial Reporting Standard 102. The policy is a departure from the specific requirement of the Companies Act 2006 to provide depreciation on any fixed asset which has a limited useful economic life. The departure from the Companies Act 2006 requirements is, in the opinion of the director, necessary in order to give a true and fair view in accordance with Section 1A of FRS102.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was NIL (2019 - NIL).
