The policy and general management of the affairs of the charity are directed by the officers and trustees. Trustees are appointed at a general meeting or by the other trustees.

#### Reserves Policy and Risk Management

Hartlepool Arts Studio Limited Management Committee (Trustees) has determined that it should seek to acquire and maintain an appropriate level of financial resources above its current running and project cost in order to ensure the long term viability of the organisation and to comply with the Charities Commission Statement of Recommended Practive (SORP 2005).

The reserves policy of Hartlepool Arts Studio Limited is intended to: State whether or not Hartlepool Arts Studio Ltd holds reserves; explain why Hartlepool Arts Studio Ltd holds reserves. In respect of what future needs, opportunities, contingencies or risks there may be; give the level of reserves at the last day of each financial year to which each annual accounts relate; explain what steps Hartlepool Arts Studio Ltd is going to take to maintain reserves at the approriate level; Hartlepool Arts Studio Ltd will monitor its reserve policy.

The target for reserves shall be based on the following: Four months running costs (salaries, utilities, rent, administration, etc.; redundancy payments to staff; where necessary, cover for retrospective funding - to cover the gap between incurring costs of doing and receiving the grant/funding.

#### Objectives and activities

To advance the education of the public in particular persons suffering from the effects of mental illness and mental health problems living in Hartlepool through use and promotion of art and artistic and creative activities.

To provide studio accommodation for the artists to offer support for the persons suffering from the effects of mental illness and mental health probelms through the use of art and artistic and creative activities.

To foster creativity and creative activity including drawing, painting, sculpture, print and other art forms and to enrich and belong to the artistic life of Hartlepool.

#### Public Benefit

In planning our activites for the year we kept in mind the Charity Commission's guidance on public benefit at our trustee meetings.

The provision of a studio offers much needed support to the public in particular those persons suffering from the effects of mental illness and mental health problems. The studio is fully resourced, offering such creative activities as drawing, painting, sculpture, print and other art forms. The studio is in full use throughout the day with support on hand to educate and encourage those suffering from the effects of mental illness and mental health problems.

## Report of the trustees (incorporating the directors' report) for the year ended 31 March 2015

#### Achievements and performance

Hartlepool Art Studio Limited has an Outreach Outlet that works in many schools, community centres, Dancing Schools, Local Governments, well you name it and we have done it.

The ARTRIUM strives to ensure the whole community gets involved in one way or another but one of the best ways we have found is to start at an early age.

We have completed outreach at several primary and secondary schools in Hartlepool with great success and plans are afoot to do more work in the coming months during term time.

Whilst the Artriums' main concern is supporting our members, we also have a great team of talented artists that are available to design and paint to any requirements.

We have been involved in the production of "We will rock you" staged by Hartlepool 6th Form College, the backdrops for Hartlepool Borough Councils "Plant Roundabout" to teach young people about the effects of global warming and the effect of miss-using of resources.

The trustees also wish to thank all volunteers for their time and commitment into this project which has been a goal for several years.

#### Financial review

The trustees consider that the performance of the charity this year has not been most satisfactory. Our projects are working well and are adequately funded.

The Statement of Financial Activities shows a deficit for the year of £14,472 and reserves stand at £151,535.

The unrestricted funds of the charity at 31 March 2015 amounted to £83,927 of which free reserves (that is those not tied up in fixed assets) amount to £79,768.

### Report of the trustees (incorporating the directors' report) for the year ended 31 March 2015

#### Statement of trustees' responsibilities

The trustees (who are also directors of Hartlepool Arts Studio Ltd for the purpose of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### Small company provisions

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

On behalf of the board on this 18th day of June 2015

Colin Thompson **Secretary** 

### Independent examiner's report to the trustees on the unaudited financial statements of Hartlepool Arts Studio Ltd.

I report on the accounts of Hartlepool Arts Studio Ltd for the year ended 31 March 2015 set out on pages 2 to 14.

#### Respective responsibilities of trustees and independent examiner

The charity's trustees (who are also the directors of the company for purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act), and that an independent examination is needed. It is my responsibility to examine the accounts under section 145 of the 2011 Act, and to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and to state whether particular matters have come to my attention.

#### Basis of independent examiner's statement

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

#### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (i) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep proper accounting records in accordance with section 386 of the Companies Act 2006; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

### Notes to financial statements for the year ended 31 March 2015

#### 1. Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and the preceding year.

#### 1.1. Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued in March 2005 (SORP 2005) and the Companies Act 2006.

#### 1.2. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from investments is included in the year in which it is receivable.

#### 1.3. Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management.
