#### Achievements and performance

Hartlepool Art Studio Limited is a registered mental health charity based on Park Road, Hartlepool, established in 2005. The ethos of the charity is to use art as a medium to improve mental wellbeing, reduce the stigma associated with mental health through public awareness and encouraging social cohesion and transition back into the community.

We currently employ one member of staff and have a team of 25 volunteers all with artistic backgrounds, fully DBS checked and holding accredited certification in Mental Health Awareness and Safeguarding Adults, as well as more specialised training such as Autism Awareness.

Over the past 13 years, Hartlepool Art Studio Ltd has been mainly funded by membership to the service and grants from governing bodies such as Arts Council and Paul Hamlyn Foundation, gaining commendations and awards for its service to the community from governing bodies, local services and Hartlepool Business Awards along the way.

#### Hartlepool Art Studio Ltd has 4 projects:

Artrium being the leading project, has been developed mainly by our members to practice art and craft in a safe and exclusive environment with like-minded individuals. We cater for everyone that has an interest in art, looking to get out of the house or wanting to learn something new, with our main focus on providing support to improve mental wellbeing.

Artrium holds key partnerships with local mental health charities and organisations, Hartlepool, Stockton and Middlesbrough Adult Social Care Service teams and Health Departments as well as NHS integreated mental health services.

To ensure our members receive a quality service which visibly improves their livelihood, we review progress every year with our members, volunteers, staff and relevant Social Workers or providers. Over 50% of our members receive direct payments to attend Artrium services, some of which receive dedicated one to one support.

Artrium Gallery is a side project of Artrium, running since 2009, providing opportunities for our members, volunteers and local artists to exhibit, sell and demonstrate artwork to the wider public as well as offering opportunites to become self employed and raising awareness for the importance of mental wellbeing in the current social climate.

Artrium Outreach, offers a teaching/learning service to the community through schools, support and community groups and the local governament teaching, supporting and increasing social cohesion and awareness of mental wellbeing through the use of asrts and creafts from a young age.

Artrium Training offers the option to further educuation, supporting individuals back into education and employment by receiving accredited qualifications in a whole range of different areas.

Many of our members have slipped through the net of mainstream education previously in their life or have found it hard to complete qualifications on their own so offering these opportunities helps greatly with mental wellbeing and progression. Through this we have successfully helped over 50 volunteers and members back into work, over the years, and strive to support individulas with their development during their time with us.

# Independent Examiner's Report to the Trustees of Hartlepool Arts Studio Limited

#### Year ended 31 March 2021

I report to the trustees on my examination of the financial statements of Hartlepool Arts Studio Limited ('the charity') for the year ended 31 March 2021.

#### Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2. the financial statements do not accord with those records; or
- the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- 4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

#### 3. Accounting policies (continued)

#### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the
  contracted service. This is classified as unrestricted funds unless there is a contractual
  requirement for it to be spent on a particular purpose and returned if unspent, in which case
  it may be regarded as restricted.

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, noncharitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking
  activities that further its charitable aims for the benefit of its beneficiaries, including those
  support costs and costs relating to the governance of the charity apportioned to charitable
  activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

#### **Company Limited by Guarantee**

#### Notes to the Financial Statements (continued)

#### Year ended 31 March 2021

#### 3. Accounting policies (continued)

#### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property

5% straight line

Fixtures and fittings

15% straight line

Equipment

15% straight line

#### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

#### Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the charity will comply with the conditions attaching to them and the grants will be received.

Where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

#### Financial instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic instruments are initally recognised at transaction value and subsequently measured at their settlement value.

#### **Defined contribution plans**

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

#### 4. Limited by guarantee

Hartlepool Arts Studio is a company limited by guarantee and accordingly does not have a share capital. Every member of the charity undertakes to contribute such amount as may be required not exceeding £1 to the assets of the charity in the event of its being wound up while he or she is a member, or within one year after he or she ceases to be a member.
