**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2018**

1. STATUTORY INFORMATION

Air Power Technologies Group Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The company meets its day to day working capital requirements with the support of its associated company who have pledged continued financial support for the foreseeable future. On this basis the financial statements have been prepared on a going concern basis.

This is the first year in which the financial statements have been prepared under FRS102 1A. Refer to the notes to the financial statements for an explanation of the transition.

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Patents and licences are being amortised evenly over their estimated useful life of nil years.

Intangible fixed assets

No amortisation has been charged on intangible assets as they have not yet been brought into operational use in the business. When business commences the intangible assets will be amortised over their remaining economic life.

Investments in subsidiaries

Investments in subsidiary undertakings are recognised at cost.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was NIL (2017 - NIL).
