The director is satisfied that the company is entitled to exemption under Section 249A(1) of the Companies Act 1985 and that no member or members have requested an audit pursuant to section 249B(2) of the Act.

The director acknowledges his responsibilities for:

- (i) ensuring that the company keeps proper accounting records which comply with Section 221 of the Companies Act 1985; and
- (ii) preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of Section 226 of the Companies Act 1985, and which otherwise comply with the requirements of this Act relating to accounts, so far as applicable to the company.

The accounts have been prepared in accordance with the special provisions relating to small companies within Part VII of the Companies Act 1985.

N Cooke

Director

# Nicole Cooke Rights Ltd Notes to the Abbreviated Accounts for the year ended 31 July 2008

### 1 Accounting policies

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

#### Turnover

Turnover represents the invoiced value of goods and services supplied by the company, net of value added tax and trade discounts.

#### Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Computer33% straight lineEquipment25% straight lineFurniture25% straight line

#### Work in Progress

Work in progress is recognised at the lower of cost and net realisable value. Costs of work in progress includes overheads appropriate to the stage of completion. Net realisable value is based on estimated selling price less further costs expected to be incurred to completion.

#### Deferred taxation

Deferred tax is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements. Deferred tax is not provided on timing differences arising from the revaluation of tangible fixed assets where there is no commitment to sell the asset. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

## Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. All differences are taken to the profit and loss account.
