27 2 If a payment is made to the Security Agent under this Deed in a currency (**Payment Currency**) other than the currency in which it is expressed to be payable (**Contractual Currency**), the Security Agent may convert that payment into the Contractual Currency at the rate at which it (acting reasonably and in good faith) is able to purchase the Contractual Currency with the Payment Currency on or around the date of receipt of the payment and to the extent that the converted amount of the payment falls short of the amount due and payable the Chargors will remain liable for such shortfall
