2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

Tangible fixed assets

Fixtures and fittings

- 20% on reducing balance

Investment property

Investment properties are shown at their open market value. The surplus or deficit arising from the annual revaluation is transferred to the revaluation reserve unless a deficit, or its reversal, on an individual investment property is expected to be permanent, in which case it is recognised in the profit and loss account for the year. This is in accordance with SSAP 19 which, unlike Schedule 4 to the Companies Act 1985, does not require depreciation of investment properties. Investment properties are held for their investment potential and not for use by the company and so their current value is of prime importance. The departure from the provisions of the Act is required in order to give a true and fair view.
