#### 1 Introduction

Further to the previous report to creditors dated 13 June 2012, the Joint Administrators set out below their final progress report. This report provides an update on the progress and outcome of the administration and covers the period from 28 May 2012 to 27 July 2012.

Pursuant to the Statement of Insolvency Practice 7, all amounts in this report and its attachments are stated net of VAT

#### 3 1 4 Irrecoverable VAT

#### 3 2 **Joint Administrators' time costs**

The basis of the Joint Administrators' fees is time properly spent at KPMG LLP standard hourly rates A breakdown of these rates for the duration of the administration is included in Appendix 3 to this Report

In the period from 28 May 2012 to 27 July 2012, the Joint Administrators have incurred time costs of £15,404 representing 57 hours at an average rate of £272 per hour. This includes tax, VAT and pensions advice from KPMG LLP in-house specialists.

In accordance with SIP 9, a breakdown of the time costs incurred to date for each grade of staff are attached at Appendix 2

In accordance with Rule 2 106 of the Insolvency Act 1986 where an administrator has made a statement under Paragraph 52(1)(b) of Schedule B1 of the Insolvency Act 1986 and there is no creditors committee, the above resolutions may be approved by each secured creditor and the preferential creditors whose debts amount to more than 50% of the preferential creditors of the Company, disregarding debts of any creditor who does not respond to an invitation to give or withhold approval

In accordance with rule 2 106 (5A) of the Insolvency Rules 1986 (as amended), as no funds were available for the preferential creditors, the Joint Administrators have agreed the basis of their remuneration with the secured creditors

The Joint Administrators have drawn a first and final fee of £161,794 + VAT during the period

A creditors' guide to fees was provided with the Administrators' proposals If you would like a further copy, this can be obtained by logging onto the R3 website at

Please note that all staff who have worked on this assignment, including cashiers and secretarial staff have charged time directly to the assignment and are included in the analysis of time spent. The cost of staff employed in the central administration functions is not charged directly to this assignment but is reflected in the general level of charge out rates.

#### 4 Creditors

#### 4 1 Secured Creditors

#### 4.1 1 Barclays Bank ("Barclays")

Barclays were owed approximately £3 8 million at the date of the Joint Administrators' appointment. This debt was secured by a first ranking fixed and floating charge over the assets of the Company

The total sum of £845,219 has been distributed to Barclays of which £45,219 was distributed during the period

No further distributions will be made to Barclays

#### 4.12 Secondary charge holders

The Joint Administrators were also aware of a second charge over the freehold property in favour of Kingston Equity and Finance Limited At the date of our appointment the balance outstanding on the loan was circa £60,000

YFM Venture Finance Limited also held a debenture over the Company's assets. At the date of our appointment we understand the outstanding balance in relation to this debenture to be in the region of £950,000. The debenture ranked behind the charges held by Barclays.

There were no funds available to enable a distribution to the secondary charge holders

#### 4 2 Preferential creditors – Employees' Wages and Holiday Pay

Preferential claims received totalled £2,551 from employees and £8,062 from the Redundancy Payment Service

There were insufficient funds available to enable a distribution to the preferential creditors

#### 4.3 Prescribed Part / Unsecured creditors

The Prescribed Part provisions of Section 176A of the Insolvency Act 1986 entitle unsecured creditors to a percentage share of realisations from net floating charge assets, after costs of realisation and settlement of preferential claims (if any) The percentage is calculated on a sliding scale up to a maximum amount of £600,000 before costs

The Prescribed Part which applies to unsecured creditors did apply in this case as the debentures held by the secured creditors were created after 15 September 2003

Soymagıc (U.K.) Lunited (in administration) Final Report KPMG LLP

31 July 2012

However, based on the level of floating charge realisations achieved and the associated costs, there were no funds available to enable a prescribed part distribution to the unsecured creditors

#### 5 Final matters

As all matters have been resolved, the Joint Administrators are now seeking the dissolution of the Company

The Company will be dissolved approximately 3 months after the filing of this report and Form 2 35B at Companies House

#### Appendix 6 – Joint Administrators' proposals

The Joint Administrators propose the following resolutions

#### RESOLUTION (1):

- to continue to do all such things reasonably expedient and generally exercise all their
  powers as Joint Administrators as they, in their discretion, consider desirable in order
  to maximise realisations from the assets of the Company,
- to investigate and, if appropriate, pursue any claims that the Company may have,
- to seek an extension to the administration period if deemed necessary by the Joint Administrators.
- to seek, if appropriate, permission of the Court to make a distribution to unsecured creditors of Soymagic (U K) Limited pursuant to paragraph 65 of Schedule B1 to the Act and to seek, if appropriate, any other directions from the Court,
- when it is anticipated that no better realisations will be made in the Administration than would be available in a winding up, to take the necessary steps to put the Company into either Creditors' Voluntary Liquidation or Compulsory Liquidation or Company Voluntary Arrangement as deemed appropriate by the Joint Administrators, in the event the Joint Administrators deem that liquidation is not appropriate because, for example, no dividend will become available to creditors and there are no other outstanding matters that require to be dealt with in a liquidation, then the Joint Administrators shall file the appropriate notices at Companies House and the Company will subsequently be dissolved,
- In the event that Creditors' Voluntary Liquidation is deemed appropriate, the Joint Administrators be permitted to seek the appointment of Howard Smith and Mark Granville Firmin of KPMG LLP as Joint Liquidators of Soymagic (U K) Limited, without any further recourse to creditors and that they may act jointly and severally in their duties. In accordance with paragraph 83(7) and Rule 2 117(3), creditors may nominate a different person as the proposed liquidator, provided that the nomination is made after the receipt of the proposals and before the proposals are approved, and
- The Joint Administrators will be discharged of all liability pursuant to Paragraph 98 of Schedule B1 of the Insolvency Act 1986 immediately when their appointment ceases
