3 PROGRESS REPORT

Actions Taken Since Last Report

- 3.1 Summarised below are the main actions taken following my previous reports to creditors
 - Attempting to ingather funds from the Skuduv Palace SPV Currently, I have recovered £117,853 against a balance of £243,674 However, in the middle of the year, there was a change in asset manager and no funds have been recovered since in line with the agreed quarterly repayments. I am currently seeking the advice of my legal agents in relation to the most appropriate recovery action and expect to commence such an action imminently.
 - 3 1 2 Corresponding with the secured creditor in relation to the Lagonda SPV This has led to the sale of loan stock held by JCCO in the Lagonda for the sum of £1 as part of a wider restructuring of the SPV This amount is solely attributable to the Fixed Charge Holder
 - 313 Reporting to Fixed and Floating Charge Holder as agreed
 - 314 Attending to all statutory matters as required
 - 315 Other ad-hoc duties as required

Future Asset Realisations

3.2 Future asset realisations are anticipated to comprise of outstanding inter-company loan balances as noted above

4 INFORMATION FOR CREDITORS

Preferential Creditors

4.1 Preferential claims against the Company represent arrears of wages up to statutory limits and accrued holiday pay, in accordance with contractual entitlements. A claim from the Redundancy Payments Service in respect of their preferential claim has been received and agreed in the sum of £3,874.20. This and residual claims of £11,913.72 from employees have been paid in full

Fixed Charge Creditors

4 2 The Company had granted fixed charges over JCCO's "investments" and "loans" in the SPV's to the Bank of Scotland Expenditure incurred in connection with the fixed charge assets will be met by the fixed charge holder

Floating Charge Creditors

4 3 The Company had granted a floating charge in favour of Bank of Scotland over property not covered by the fixed charges

Unsecured Creditors

4.4 As the company's net property under Section 176A of the Insolvency Act 1986 is estimated to be greater than £10,000, an amount will be provided for the prescribed part. The estimated amount available to unsecured creditors, whose claims are estimated at £5 69M, is as follows,

| | Low (£) | Hıgh (£) |
|--|-----------|----------------|
| Estimated Floating Charge Realisations | 1,039,000 | 1,165,000 |
| Less Estimated cost of realisations | (453,000) | (453,000) |
| Net Property | 586,000 | 712,000 |
| 50% of first £10,000 | 5,000 | 5,000 |
| 20% of remainder | 115,200 | <u>140,400</u> |
| Estimated funds available to unsecured creditors | 120,200 | 145,400 |
| Estimated Dividend (pence in the pound) | 21 | 26 |

4.5 The Administrators advise that there will be no funds available to ordinary creditors other than the prescribed part. The final value will depend upon recovery from amounts due from Special Purpose Vehicles for which JCCO was the asset manager.

Ceasing to Act

- 4.6 Under the Enterprise Act 2002 all administrations automatically come to an end after one year, unless an extension is granted by the Court or with the consent of creditors
- 47 The administration was due to end in 2009, however, in accordance with paragraph 83(1) of Schedule B1 to the Insolvency Act 1986, the conversion to a Creditors Voluntary Liquidation can only occur when the amount available for secured creditors has been 'paid or set aside for him'
- An extension to the administration period of 36 months was therefore applied for and 12 months were granted by the Court, effective from 2 December 2009
- As we continued to pursue additional recoveries a further extension of 24 months was sought and granted by the Court, effective from 2 December 2010
- 4 10 Upon realisation of the remaining assets, we will distribute funds to the secured creditors and the Company may be placed into Creditors Voluntary Liquidation in order to facilitate a prescribed part distribution to unsecured creditors in accordance with Section 176A of the Insolvency Act 1986
- 4 11 Otherwise, and unless it is proposed that a company in administration should be placed in Creditors Voluntary Liquidation the appointment of Administrators ceases on the following
 - an application to Court (in the event of a Court appointment)
 - filing a notice in Court and with the Registrar of Companies confirming that the purpose of the Administration has been sufficiently achieved
 - or in the event that the Company has no property, the Administrator may notify the Registrar of Companies to that effect at which time the appointment of the Administrator ceases and 3 months following that date the company is deemed to be dissolved
