Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to:

- a. select suitable accounting policies and then apply them consistently;
- b. make judgements and estimates that are reasonable and prudent;
- c. prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

ACCOUNTING POLICIES

GENERAL INFORMATION

Consensus Business Group Limited ("the Company") is a limited company domiciled and incorporated in England and Wales, registration number 04890494. The address of the Company's registered office and principal place of business is 5th Floor, Leconfield House, Curzon Street, London W1J 5JA.

The Company's principal activities are shown in the Directors' Report.

BASIS OF ACCOUNTING

Accounting convention and first time adoption of FRS 102

These financial statements have been prepared in accordance with FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are presented in sterling, which is the functional currency of the Company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies are set out below.

These financial statements are the first financial statements of Consensus Business Group Limited prepared in accordance with FRS 102. The financial statements of Consensus Business Group for the year ended 31 May 2015 were prepared in accordance with previous UK GAAP. The date of transition was 1 June 2014.

Some of the FRS 102 recognition, measurement, presentation and disclosure requirements and accounting policy choices differ from previous UK GAAP. The transition to FRS 102 has resulted in changes to presentation and disclosure requirements, but it has not resulted in any changes to accounting policies previously adopted. Consequently, there have been no adjustments to equity at the date of transition or to earnings reported in the comparative year. The Directors have not taken advantage of certain exemptions from the requirements of FRS 102 permitted by FRS 102 Chapter 35 'Transition to this FRS'.

GOING CONCERN

The Company is dormant and is no longer incurring costs. In determining whether these accounts can be prepared on a going concern basis, the Directors have assessed the future financial needs of the Company and the continuation and availability of support being provided by Vincos Limited, the parent company. Vincos Limited has agreed that it shall not require repayment of the loan outstanding until such time that sufficient funds are available in order to effect such repayment. In view of this the Directors consider it appropriate to prepare the accounts on the going concern basis. The financial statements do not include any adjustment that would result from a withdrawal of this financial support.

STATEMENT OF CASH FLOWS

The Company has taken advantage of the exemption in FRS 102 Chapter 7 "Statement of Cash Flows" from the requirement to prepare a cash flow statement on the grounds that it is a small company.

PROFIT AND LOSS ACCOUNT

The Company did not trade during the year and has made neither a profit nor a loss in the year. Accordingly, no Statement of Comprehensive Income is presented as part of these financial statements.

Consensus Business Group Limited

ACCOUNTING POLICIES (continued)

FINANCIAL INSTRUMENTS

The Company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102, in full, to all of its financial instruments. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument, and are offset only when the Company currently has a legally enforceable right to set off the recognised amounts and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Basic financial liabilities

Basic financial liabilities comprise loans from group companies, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest.

Equity instruments

Equity instruments issued by the Company are recorded at the fair value of the proceeds received, net of direct issue costs. The Company has only basic financial instruments and has not chosen to designate financial instruments as at fair value through profit or loss. Accordingly, the Company has taken advantage of the financial instrument disclosure exemptions provided by FRS 102 Chapter 11 'Basic Financial Instruments'.

CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGEMENT

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The Company makes estimates and assumptions concerning the future. The Directors do not consider any estimates and assumptions have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Critical areas of judgement

The Directors do not consider there are critical areas of judgement that have a significant effect on the amounts recognised in the financial statements.
