## Notes to the Abbreviated Accounts

For the year ending 30 September 2010

## Accounting policies

## Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

## Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

#### Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2003, has been fully amortised over its estimated useful life of five years.

#### Stocks

Stocks and work in progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads.

### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

## Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is shorter. The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

## Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery 15% on reducing balance Fixtures and fittings 15% on reducing balance Motor vehicles 25% on reducing balance

Computer equipment 25% on cost
