The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 30 September 2014.

The members have not required the company to obtain an audit of its financial statements for the year ended 30 September 2014 in accordance with Section 476 of the Companies Act 2006.

The director acknowledges his responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.
- (b)

The abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The financial statements were approved by the director on 24 February 2015 and were signed by:

A Blakeson - Director

The notes form part of these abbreviated accounts

**Notes to the Abbreviated Accounts**  
**For The Year Ended 30 September 2014**

**1. ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

**Turnover**

Turnover represents net invoiced sales of services, excluding value added tax, except in respect of service contracts where turnover is recognised when the company obtains the right to consideration.

The company's policy of revenue recognition is to recognise a sale when the contractual obligations to the customer have been fulfilled.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery                      - 25% on reducing balance

The company carries tangible fixed assets in the balance sheet using the depreciated historic cost method. Carrying amounts of fixed assets in the company's balance sheet are shown net of depreciation charges and, where applicable, provisions for impairment. Residual values of fixed assets are calculated on prices prevailing at the date of acquisition. Profits or losses on the disposal of fixed assets are included in the calculation of profit for the period.

**Pension costs and other post-retirement benefits**

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.

**Financial instruments**

Financial Instruments are classified and accounted for according to the substance of the transaction as either a financial asset, liability or equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of the company after all liabilities have been deducted.
