**The principal terms of the Financial Assistance**

**PART I**

Terms defined in this statutory declaration (including the other Annexures hereto) have the same meanings in this Annexure C unless otherwise stated or the context otherwise requires.

**1. GENERAL**

- 1.1 The principal terms of the Financial Assistance are summarised and separately described below in relation to each individual Financial Assistance Document.
- 1.2 Any clause and other document references which are used in this Annexure C are references to the clause and other document references in the particular Financial Assistance Document.

**2. SENIOR FACILITIES AGREEMENT**

The principal terms of the Financial Assistance contained in the Senior Facilities Agreement are as follows:

**2.1 Guarantee and indemnity**

The Assisting Subsidiary irrevocably and unconditionally jointly and severally in consideration of any of the Facilities being made available:

- (a) guarantees to each Senior Finance Party punctual performance by each Borrower of all that Borrower's payment obligations under the Senior Finance Documents;
- (b) undertakes with each Senior Finance Party that whenever a Borrower does not pay any amount when due under or in connection with any Senior Finance Document, the Assisting Subsidiary shall immediately on demand pay that amount as if it were the principal obligor; and
- (c) indemnifies each Senior Finance Party immediately on demand against any cost, loss or liability suffered by that Senior Finance Party if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal. The amount of the cost, loss or liability shall be equal to the amount which that Senior Finance Party would otherwise have been entitled to recover.

## **2.2 Continuing guarantee**

The guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Obligor under the Senior Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

## **2.3 Reinstatement**

If any payment by an Obligor or any discharge given by a Senior Finance Party (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is avoided or reduced as a result of insolvency or any similar event:

- (a) the liability of each Obligor shall continue as if the payment, discharge, avoidance or reduction had not occurred; and
- (b) each Senior Finance Party shall be entitled to recover the value or amount of that security or payment from each Obligor, as if the payment, discharge, avoidance or reduction had not occurred.

## **2.4 Immediate recourse**

The Assisting Subsidiary waives any right it may have of first requiring any Senior Finance Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from a Guarantor under clause 24 of the Senior Facilities Agreement. This waiver applies irrespective of any law or any provision of a Senior Finance Document to the contrary.

## **2.5 Deferral of Guarantors' rights**

Until all amounts which may be or become payable by the Obligors under or in connection with the Senior Finance Documents have been irrevocably paid in full and unless the Agent otherwise directs, the Assisting Subsidiary will not exercise any rights which it may have by reason of performance by it of its obligations under the Senior Finance Documents:

- (a) to be indemnified by an Obligor;
- (b) to claim any contribution from any other guarantor of any Obligor's obligations under the Senior Finance Documents; and/or
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Senior Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Senior Finance Documents by any Senior Finance Party.

## **2.6 Currency indemnity**

- (a) If any sum due from the Assisting Subsidiary under the Senior Finance Documents (a "**Sum**"), or any order, judgment or award given or made in relation to a Sum, has to be converted from the currency (the "**First Currency**") in which that Sum is payable into another currency (the "**Second Currency**") for the purpose of:

- (i) making or filing a claim or proof against the Assisting Subsidiary; or
- (ii) obtaining or enforcing an order, judgment or award in relation to any litigation or arbitration proceedings,

the Assisting Subsidiary shall as an independent obligation, within three Business Days of demand, indemnify the Arranger and each other Secured Party to whom that Sum is due against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between (A) the rate of exchange used to convert that Sum from the First Currency into the Second Currency and (B) the rate or rates of exchange available to that person at the time of its receipt of that Sum.

- (b) The Assisting Subsidiary waives any right it may have in any jurisdiction to pay any amount under the Senior Finance Documents in a currency or currency unit other than that in which it is expressed to be payable.

## 2.7 Other indemnities

The Parent shall (or shall procure that the Assisting Subsidiary will), within three Business Days of demand, indemnify the Arranger and each other Secured Party against any cost, loss or liability incurred by any of them as a result of:

- (a) the occurrence of any Event of Default;
- (b) a failure by an Obligor to pay any amount due under a Senior Finance Document on its due date, including, without limitation, any cost, loss or liability arising as a result of clause 34 (*Sharing among the Finance Parties*) of the Senior Facilities Agreement but excluding any cost, loss or liability incurred as a result of receiving an amount prior to its due date where such cost, loss or liability is compensated for by payment of break costs or would have been compensated for by payment of break costs had any been payable;
- (c) funding, or making arrangements to fund, its participation in a Utilisation requested by a Borrower in a Utilisation Request but not made by reason of the operation of any one or more of the provisions of the Senior Facilities Agreement (other than by reason of default or negligence by that Senior Finance Party alone);
- (d) issuing or making arrangements to issue a Letter of Credit requested by Holdco or a Borrower in a Utilisation Request but not issued by reason of the operation of any one or more of the provisions of this Agreement (other than by reason of wilful misconduct or gross negligence by the Issuing Bank); or
- (e) a Utilisation (or part of a Utilisation) not being prepaid in accordance with a notice of prepayment given by a Borrower or Holdco.

## **2.8 Indemnity to the Security Agent**

- (a) The Assisting Subsidiary shall promptly indemnify the Security Agent and every Receiver and Delegate against any cost, loss or liability incurred by any of them as a result of:
  - (i) the taking, holding, protection or enforcement of the Transaction Security;
  - (ii) anything done or omitted in the proper exercise of any of the rights, powers, discretions and remedies vested in the Security Agent and each Receiver and Delegate by the Senior Finance Documents or by law; and
  - (iii) any default by any Obligor in the performance of any of the obligations expressed to be assumed by it in the Senior Finance Documents.
- (b) The Security Agent may after incurring any cost, loss or liability referred to in clause 21.4(a) of the Senior Facilities Agreement, in priority to any payment to the Secured Parties, indemnify itself out of the Charged Property in respect of, and pay and retain, all sums necessary to give effect to the indemnity in this clause 2.8 and shall have a lien on the Transaction Security and the proceeds of the enforcement of the Transaction Security for all monies payable to it.

## **2.9 Further assurance**

- (a) Subject to the Agreed Security Principles, the Assisting Subsidiary shall promptly do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require (which will be no more onerous than the terms of the Initial Transaction Security Documents or any replacement security in favour of the Security Agent or its nominee(s))):
  - (i) to perfect the security created or intended to be created under or evidenced by the Transaction Security Documents (which may include the execution of a mortgage, charge, assignment or other Security over all or any of the assets which are, or are intended to be, the subject of the Transaction Security but will exclude the service of notices of assignment on third parties (other than in respect of the assignment of the key-man policies) prior to the occurrence of an Event of Default which is continuing) or for the exercise of any rights, powers and remedies of the Security Agent or the Senior Finance Parties provided by or pursuant to the Senior Finance Documents or by law;
  - (ii) to confer on the Security Agent or confer on the Senior Finance Parties security over any property and assets of the Assisting Subsidiary located in any jurisdiction equivalent or similar to the security intended to be conferred by or pursuant to the Transaction Security Documents granted by the Assisting Subsidiary but only to

the extent that such Security is no more onerous to comply with than the Initial Transaction Security Documents; and/or

- (iii) to facilitate the realisation of the assets which are, or are intended to be, the subject of the Transaction Security.
- (b) The Assisting Subsidiary shall take all such action as is available to it (including making all filings and registrations) as may be necessary for the purpose of the creation, perfection (provided that it shall not be obliged to serve notice of assignment on any third party (other than in respect of the assignment of the key-man policies) unless an Event of Default is continuing), protection or maintenance of any security conferred or intended to be conferred on the Security Agent or the Senior Finance Parties by or pursuant to the Senior Finance Documents.

- (c) indemnifies each Mezzanine Finance Party immediately on demand against any cost, loss or liability suffered by that Mezzanine Finance Party if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal. The amount of the cost, loss or liability shall be equal to the amount which that Mezzanine Finance Party would otherwise have been entitled to recover.

#### **3.2 Continuing guarantee**

The guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Obligor under the Mezzanine Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

the Assisting Subsidiary shall as an independent obligation, within three Business Days of demand, indemnify the Arranger and each other Secured Party to whom that Sum is due against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between (A) the rate of exchange used to convert that Sum from the First Currency into the

## **5.7 Conversion by notice**

The Debenture security is continuing and will extend to the ultimate balance of the Secured Obligations regardless of any intermediate payment or discharge in whole or in part. The Debenture shall remain in full force and effect as a continuing security for the duration of the Security Period (as defined in the Debenture).
