CONSTITUTION

The Arthur Rank Centre ("ARC") is a company limited by guarantee and a registered charity governed by its memorandum and articles of association dated 27 August 2010. In the event of the organisation being wound up each trustee agrees to contribute £10 towards the costs of dissolution. The company is also registered with the Charity Commission for England & Wales. Charity number 1104300. Company number 04917066.

TRUSTEES

The directors of the charitable company are its trustees for the purposes of charity law. The Trustees who served during the year and since the year-end are:

Howard Petch CBE

The Rev'd Peter Ball

The Rev'd Canon Dr Jean Coates

The Rev'd Harry Doyle (resigned 28 April 2016)

Revd Caroline Hewlett

Phil Simpson

Nicola Bell

Sandra Herbert

TRUSTEES' REPORT

The Trustees, who are also the Directors, present their report and accounts for the year ended 31 December 2016.

GOVERNANCE

The Articles set out the composition and tenure of the Board of Trustees.

A change was agreed to the Articles regarding appointment of Trustees, to take into account independence from RASE and the Rank Foundation. There is also now a three year term of office.

The day to day operations and control of ARC activities are delegated to the Chief Executive Officer. The Trustees and senior staff of The ARC are listed on page 2.

OBJECTIVES AND ACTIVITIES

The Arthur Rank Centre (the Company/ARC) was incorporated in 2003 as a company limited by guarantee and registered with the Charity Commission (charity number 1104300). In 2010 the ARC was established as an independent charity. Its governing document is its Memorandum and Articles of Association. The objects for which the Company is constituted are as follows:

- To be a focus and resource for the work of the Christian churches in rural areas through the sharing of good practice, the provision of training and the encouragement of Christian ministry;
- To lead the Christian churches in their efforts to improve the quality of life of those living and working in rural communities:
- To develop greater understanding between urban and rural communities, through the linking of churches and other faith groups;
- To engage in research to support and develop the work of the Charity;
- To provide a chaplaincy to the Royal Agricultural Society of England ("RASE").

PUBLIC BENEFIT

The Trustees consider that their objectives, activities and goals have a clear public benefit in enhancing the economic, social and cultural well-being of rural communities. In drafting these statements, the Trustees have complied with the Charities Act 2011, to have due regard to the public benefit guidance published by the Charity Commission

RISK MANAGEMENT

Risk assessment reviews are considered by the Trustees annually. The reviews identify and assess the major strategic business and operational risks to which the charity is exposed and appropriate mitigating action is taken where necessary.

The main risk facing the Charity is a reduction in funding. The ARC team is constantly looking for new partners and new funding streams to mitigate any reductions in existing funding provisions.

Liquidity risk may arise where insufficient funds are available to meet day to day needs. See policy on Reserves detailed below.

(A CHARITABLE COMPANY LIMITED BY GUARANTEE)

ACHIEVEMENTS AND PERFORMANCE

ARC has been bringing to fruition the strategy agreed in April 2013, developing the priorities for the next few years, and refreshing the brand including a complete website rebuild.

MAIN ACTIVITIES

- Our second Germinate Conference, which aims to inspire, encourage and equip lay and ordained rural church leaders, was enthusiastically received by 200 participants.
- The Germinate Groups rural church learning community pilots have continued and the material is now available for church groups to use themselves to develop their strategy and mission.
- The Germinate Enterprise rural business start-up programme moved from pilot to community franchise stage with new groups taking this up. A one day version ran at Stoneleigh, partly to produce a video.
- Germinate Leadership began the fourth national programme in October 2016.
- Two Rural Ministry Courses and a residential Rural Officers' Gathering were provided, together with bespoke training or presentations for particular church groups and events.
- Our brand and marketing material was completely reviewed and refreshed.
- Our website, germinate.net, was completely rebuilt to provide better information and search facilities.
- Our magazine, Country Way, was redesigned and published three times over the year, with greater emphasis on the publication as a resource and greater integration with the new website. The online version is now free of charge.
- Our eNews, which gives information on events, resources and funding, was renamed Germinate News; circulation continues to increase – reaching over 1800 – and exceptionally high open and click rates were achieved.
- A major project researching leadership and lay development in multi-church ministry continues and is due for completion in 2017.
- The project to improve access to fair finance in rural areas, with the Church of England, Plunkett Foundation
 and the Association of British Credit Unions, will be completed on March 2017 and give details of several
 important ways forward.
- RuSource, our email briefings about current rural issues, continued to be produced weekly.
- Computers for Rural People, our programme to provide affordable computers to people in isolated communities, continued.
- A chaplaincy service for RASE continues to be provided by The Revd Dr Gordon Gatward.

STAFFING

A Communications and Projects Officer and a new Office Manager were appointed.

FINANCIAL REVIEW

In January 2015, the Trustees agreed to invest from reserves up to £50,000 p.a. for up to three years in project management capacity around the Germinate initiatives. As expected this has meant an operational deficit, though this has been more than covered by investment performance.

We aim to maximise long term returns from our endowment rather than generate a consistent annual income. Market sentiment at the end of any year may therefore distort our underlying long term situation. We draw £60,000 p.a. from our endowment, approximately 4% of the capital, on the belief that this is consistent with maintaining the real value of the endowment in the long term. In the short term however, actual investment income, and capital gains or losses, may be greater or less than this annual drawing.

RESERVES POLICY AND GOING CONCERN

The policy is to maintain a reserve which represents six months of core expenditure equating to £105k in general funds. At this level it is felt that The ARC should be able to continue its current activities in the event of a sudden drop in income, although it would be necessary to consider how the income would be replaced or activities changed. This policy is reviewed by the Trustees annually.

(A CHARITABLE COMPANY LIMITED BY GUARANTEE)

ENDOWMENT AND INVESTMENT POLICY

The Trustees aim to invest to maximise long term return, recognising that this would entail shorter term volatility. Trustees further agreed <u>not</u> to invest in:

- All companies with any involvement in the production of landmines or cluster bombs
- Companies with significant involvement in tobacco, the production of pornography, and online gambling.

Invesments were reviewed by the Trustees during the year.

TRUSTEES' RESPONSIBILITIES FOR THE ACCOUNTS

The Trustees are required to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the surplus or deficit for that period. In preparing those accounts the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and priciples in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities Act 2011 and other applicable law and regulations. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

AUDIT EXEMPTION

The Trustees are satisfied that the company was entitled to exemption from audit under section 477 of the Companies Act 2006 and section 144(2) of the Charities Act 2011. These accounts have not, therefore, been subjected to audit.

Signed on behalf of the Trustees on 10 May 2017.

Peter Tacón Secretary

INDEPENDENT EXAMINER'S REPORT to the Directors of The Arthur Rank Centre

I report on the financial statements of The Arthur Rank Centre for the year ended 31 December 2016 on pages 7 to 13.

This report is made solely to the company's members as a body, in accordance with the Companies Act 2006. Our work has been undertaken so that we might state to the company's members those matters we are required to state to them in our report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our examination work, for this report, or for the opinions we have formed.

Respective responsibilities of Trustees and examiner

As described on page 5 the company's directors (Trustees) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. The Trustees consider that an audit is not required for this year under the Charities Act 2011, s.144(2) ("the 2011 Act") and that an independent examination is needed. I am qualified to undertake the examination, being a qualified member of ICAEW.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- Examine the accounts under s.145 of the 2011 Act;
- To follow the procedures laid down in the general Directions given by the Charity Commission under s.145(5)(b) of the 2011 Act; and
- To state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with the Companies Act 2006 s.386; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of the Companies Act 2006, s.396 and the methods and principles of FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS at 31 December 2016

1 ACCOUNTING POLICIES

Company and charitable status

The Arthur Rank Centre, a public benefit entity, is incorporated in England and Wales as a company limited by guarantee not having a share capital. Each member has undertaken to contribute to the assets in the event of winding up a sum not exceeding £10. The charity is a registered charity. The registered office is given on page 2.

Basis of preparation and assessment of going concern

The financial statements are prepared under the historical cost convention, in accordance with the Statement of Recommended Practice "Accounting and Reporting by Charities (SORP 2015)" applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the UK and Republic of Ireland (FRS 102), effective 1 January 2015 and the Companies Act 2006.

In preparing the accounts, the Trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required. At the date of transition in applying the requirements of FRS 102 no adjustments were required.

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. The most significant areas of uncertainty that affect the carrying value of assets held by the Charity are the level of investment return and the performance of investment markets.

Funds

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds are unrestricted funds set aside by the Trustees out of unrestricted general funds for specific future purposes or projects.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund.

Income recognition

Income is included in the Statement of Financial Activities when receivable and when the amount can be quantified with reasonable accuracy. The value of unpaid donated services has not been included.

Expenditure recognition

Expenditure is recognised in the period in which it is incurred under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they are allocated to activities on a basis consistent with use of the resources. Expenditure includes attributable VAT which cannot be recovered.

Investments and investment income

Investments are stated at market value at the balance sheet date. Any gains or losses on the revaluation are taken to the Statement of Financial Activities. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening market value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the end of the year and opening market value (or purchase date if later). Realised and unrealised gains are not separated in the Statement of Financial Activities. Investment income is accounted for on the basis of amounts received during the year. Interest on cash balances is accrued to the accounting date.

Taxation

ARC is a registered charity and is not subject to taxation on its income so long as this is used for its charitable activities.

(A CHARITABLE COMPANY LIMITED BY GUARANTEE)

Fixed assets and depreciation

All fixed assets are initially recorded at cost. Depreciation is provided on all fixed assets at rates calculated to write off the cost, less estimated residual value based on prices prevailing at the date of acquisition, of each asset evenly over its expected useful life as follows:

Office equipment

3 years straight line

2 CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the charity's accounting policies, which are described in note 1, the Trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Trustees do not consider there are any critical judgements or sources of estimation uncertainty requiring disclosure beyond the accounting policies listed above.

4 DONATED SERVICES

The National Rural Officers of the Church of England and the Methodist Church and United Reformed Church, with support staff, have been based at the Centre for some years. These donated services have <u>not</u> been included within the Statement of Financial Activities as either income or expenditure. For 2016 the total was £129,959 (2015: £125,947), representing entirely employment costs. If this value was included the Statement of Financial Activities would be revised with both income and expenditure increasing by £129,959.
