DIRECTORS' REPORT

The directors have pleasure in submitting their report and the unaudited financial statements of the company for the year ended 31 December 2019.

PRINCIPAL ACTIVITY, REVIEW OF BUSINESS AND FUTURE DEVELOPMENTS

The financial statements have not been prepared on a going concern basis as the company did not trade during the year and there is no intention of renewing trade in the future. This makes the going concern presumption in FRS 18 "Accounting Policies" inappropriate. Therefore, the financial statements have been prepared on a break-up basis, which has not had a material impact on the financial statements.

The state of the company's affairs is shown in the attached financial statements.

DIRECTORS

The following directors held office during the year and up to the date of signing the financial statements:

A R Lowe
C M Allen

Pentland Group Limited (formerly known as Pentland Group plc) has provided an indemnity for the directors and the company secretary, which is a qualifying third party indemnity provision for the purposes of the Companies Act 2006.

GOING CONCERN

As stated in the directors' report, the financial statements have been prepared on a break-up basis.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

STATEMENT OF DIRECTORS' RESPONSIBILITIES (continued)

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

AUDITORS

The company is not trading. The directors have relied on Section 480 of the Companies Act 2006 not to appoint auditors to the company on the grounds that it is dormant.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.
