DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2019

The directors present their report and the financial statements for the year ended 31 March 2019.

Principal activity

The principal activity of the company is to design, build, finance and manage premises under the Government's LIFT initiative.

The company's principal tenant is Community Health Partnerships Limited. The directors are confident that the principal tenant will continue to meet the obligations set out under the lease agreement.

The results for the year are included on page 7.

Dividends

The company paid no dividends during the year (2018: £nil).

Directors

The directors who served during the year were:

M W Grinonneau (appointed 18 April 2019, resigned 23 April 2019)

M W Grinonneau (resigned 3 July 2018)

S J Prema

C S E Douglass

K O'Brien (appointed 3 May 2018)

R J Coates (appointed 3 July 2018)

S P Tipping (appointed 1 June 2018)

G W Mackinlay (resigned 24 April 2019)

Leicester LIFT Project Company (No.1) Limited has adopted Articles of Association, the provisions of which do not require the directors to retire by rotation or to retire at the first Annual General Meeting after their appointment.

Going concern

The company has net liabilities of £3,915,000 (2018: £4,339,000), which includes the negative fair value of the interest rate swaps of £9,311,000 (2018: £9,389,000) and RPI swap of £3,162,000 (2018: £2,838,000) within liabilities, and net current assets of £2,173,000 (2018: net current liabilities £24,410,000), include cash of £3,096,000 (2018: £3,534,000), at 31 March 2019. It is noted that a significant element of net current liabilities is due to the bank debt covenant breach position as discussed further in note 15.

The directors have reviewed the future liquidity requirements and have considered the cash flow forecasts of the company. The company produces long-term financial forecasts which show the company is able to operate and meet its financial obligations as they fall due, including compliance with all loan covenants. Based on this review, the comments detailed in note 16 in relation to the current covenant breach and the future business prospects of the company, despite the current economic conditions the directors believe the company will be able to meet its liabilities as they fall due.

Having regard to the above and after making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

Qualifying third party indemnity provisions

The directors of Leicester LIFT Project Company (No. 1) Limited have qualifying third party indemnity provisions put in place through other companies of which they are also directors.

Directors' responsibilities statement

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the Company's financial statements and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditor

Each of the persons who are directors at the time when this Directors' Report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

LEICESTER LIFT PROJECT COMPANY (NO. 1) LIMITED

**DIRECTORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2019**

Auditor

The auditor, BDO LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

Small companies note

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the board and signed on its behalf.

LEICESTER LIFT PROJECT COMPANY (NO. 1) LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LEICESTER LIFT PROJECT COMPANY (NO. 1) LIMITED

Opinion

We have audited the financial statements of Leicester LIFT Project Company (No. 1) Limited (the 'Company') for the year ended 31 March 2019, which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity, the Statement of Cash Flows and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

LEICESTER LIFT PROJECT COMPANY (NO. 1) LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LEICESTER LIFT PROJECT COMPANY (NO. 1) LIMITED (CONTINUED)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Directors' Report and from the requirement to prepare a Strategic Report.

Responsibilities of directors

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

LEICESTER LIFT PROJECT COMPANY (NO. 1) LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LEICESTER LIFT PROJECT COMPANY (NO. 1) LIMITED (CONTINUED)

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

LEICESTER LIFT PROJECT COMPANY (NO. 1) LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

1.2 Going concern

The company has net liabilities of £3,915,000 (2018: £4,339,000), which includes the negative fair value of the interest rate swaps of £9,311,000 (2018: £9,389,000) and RPI swap of £3,162,000 (2018: £2,838,000) within liabilities, and net current assets of £2,173,000 (2018: net current liabilities £24,410,000), include cash of £3,096,000 (2018: £3,534,000), at 31 March 2019. It is noted that a significant element of net current liabilities is due to the bank debt covenant breach position as discussed further in note 15.

The directors have reviewed the future liquidity requirements and have considered the cash flow forecasts of the company. The company produces long-term financial forecasts which show the company is able to operate and meet its financial obligations as they fall due, including compliance with all loan covenants. Based on this review, the comments detailed in note 16 in relation to the current covenant breach and the future business prospects of the company, despite the current economic conditions the directors believe the company will be able to meet its liabilities as they fall due.

Having regard to the above and after making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

1.3 Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in the Statement of Comprehensive Income, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Statement of Financial Position date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

LEICESTER LIFT PROJECT COMPANY (NO. 1) LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

1. Accounting policies (continued)**1.4 Turnover****a. Public to private concession arrangements**

A substantial portion of the company's assets are used within the framework of concession contracts granted by public sector customers ('grantors'). Under these contracts, the company constructs primary care centres that are leased to the NHS on a 25 year lease.

To fall within the scope of section 34 of FRS 102, a contract must satisfy the following two criteria:

- the grantor controls or regulates what services the operator must provide using the infrastructure, to whom, and at what price; and
- the grantor controls, through ownership, beneficial entitlement or otherwise, any significant residual interest in the infrastructure at the end of the term of the arrangement.

Pursuant to section 34 of FRS 102, such infrastructures is not recognised in assets of the operator as property, plant and equipment but as financial assets ('financial asset model').

b. Financial asset model

The financial asset model applies when the operator has an unconditional right to receive cash or another financial asset from the grantor.

In the case of concession services, the operator has such an unconditional right if the grantor contractually guarantees the payment of:

- Amounts specified or determined in the contract or
- The shortfall, if any, between amounts received from users of the public service and amounts specified or determined in the contract

Financial assets resulting from the application of section 34 of FRS 102 are recorded in the statement of financial position under the heading financial assets and measured at amortised cost.

Pursuant to section 23 of FRS 102, revenue associated with this financial model comprises of service remuneration which relates to lifecycle maintenance and facilities income and ad hoc property related services income.

1.5 Financial asset

The financial asset is stated at amortised cost using the effective interest method. The effective interest method is a method of calculating the amortised cost of a financial asset and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset.

LEICESTER LIFT PROJECT COMPANY (NO. 1) LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

1. Accounting policies (continued)**1.6 Financial instruments**

The company classifies financial instruments, or their component parts, on initial recognition as a financial asset, a financial liability or an equity instrument in accordance with the substance of the contractual agreement.

Financial instruments are recognised on the trade date when the company becomes a party to the contractual provisions of the instrument. Financial instruments are recognised initially at fair value plus, in the case of a financial instrument not at fair value through profit and loss, transaction costs that are directly attributable to the acquisition or issue of the financial instrument.

Financial instruments are derecognised on trade date when the company is no longer a part to the contractual provisions of the instrument.

1.7 Financial liabilities and equity

Financial liabilities and equity are classified according to the substance of the financial instrument's contractual obligations, rather than the financial instrument's legal form.

1.8 Hedge accounting

The company has entered into variable to fixed rate interest swaps and RPI swaps to manage its exposure to interest rate cash flow risk on its variable rate debt and inflation rate risk, respectively. These derivatives are measured at fair value at each reporting date. To the extent the hedge is effective, movements in fair value are recognised in other comprehensive income and presented in a separate cash flow hedge reserve. Any ineffective portions of those movements are recognised in the statement of comprehensive income for the period.

1.9 Finance costs

Finance costs that were accrued during construction of the fixed assets were expensed as they were incurred.

1.10 Loan arrangement fees

Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument. The capitalised fees are then released to the statement of comprehensive income account on a straight line basis over the term of the loan.

LEICESTER LIFT PROJECT COMPANY (NO. 1) LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

2. Judgments in applying accounting policies and key sources of estimation uncertainty

The estimates and judgements that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the financial year are as follows:

a. Key sources of estimation uncertainty

Financial asset – The calculation of the amortised cost of the financial asset requires an estimate of the residual value of the property at the end of the lease term. This estimate has been based on the residual value allocated to the contract in the financial models, which form the basis for the calculation of rent charged to the lessees.

Financial asset interest rate – The financial asset interest income is based on the WACC of the project and is applied to the carrying value of the financial asset on a quarterly basis. The interest rate used in 2019 is 6.74% (2018: 6.74%) per annum.

Service Margin – After the property is constructed, the company provides property management services. The remuneration for these services is recognised at cost plus an estimated mark up for profit on property management services. The service margin rate used in 2019 is 26.5% (2018: 25.32%) per annum. It is the policy of the directors that the service margin is reviewed annually on 1 April each year to generate a new service margin rate, which is to be applied in the proceeding financial year.

b. Critical judgements

Concession arrangements – The concession arrangements undertaken by the company are considered to fall within the scope of section 34 of FRS 102 "Service Concession Arrangements", as described in the Turnover note. This judgement has been based on a consideration of the nature and terms of the agreements and, in all contracts, the existence of an option for the grantor to purchase the properties at the end of the contract

3. Turnover

An analysis of turnover by class of business is as follows:

	2019 £000	2018 £000
Cost recoveries	234	(194)
Service margin	1,874	1,264
Rental income (third party)	164	137
Other income	-	16
	<u>2,272</u>	<u>1,223</u>

4. Auditor's remuneration

The audit fee for the company amounted to £2,898 (2018: £2,827). This has been borne by the parent company.

15. Loans (continued)

Interest charges on amounts borrowed are based on floating LIBOR. The company has entered into an interest rate swap agreement whereby it pays a fixed rate 5.391%, 5.377%, 4.871%, 4.871%, 5.278%, 4.714%, 4.822%, 4.695%, 4.793%, 4.573%, 4.768%, and 4.597% per annum in respect of amounts drawn under the senior debt facility. The swap expires on 31 March 2033.

The Senior Debt Facility is secured by fixed and floating charges on the assets of the company.

In addition, the company has entered into RPI swap agreements at of 2.70%, 2.77%, 2.93% and 2.85% to mitigate its risk in respect of inflation linked income.

Issue costs of debt have been offset against the loans and will be amortised over the duration of the facilities.

The loan notes represent amounts borrowed under the Loan Note Agreement. The loans are unsecured and carry a coupon of 12% and are repayable in predetermined 6 monthly instalments commencing on 31 December 2004 and ending on 31 March 2032.

Financial liabilities measured at amortised cost	(34,539)	(36,442)
Derivative financial instruments designated as hedges of variable interest rate and RPI risk	(12,473)	(12,227)
	(47,012)	(48,669)

Financial assets measured at amortised cost comprise financial asset, cash at bank and in hand, trade debtors, amounts owed by related parties and group undertakings, other debtors and accrued income.

Financial liabilities measured at amortised cost comprise bank loans and overdrafts, trade creditors, amounts owed to related parties, other creditors and accruals.

Derivative financial instruments designated as hedges of variable interest rate risk comprise interest rate swaps and RPI swaps.

The fair values of the interest rate swaps have been determined by reference to prices available from the markets on which the instruments involved are traded.

In 2009, the company borrowed funds from its bankers under two term loans of £30,841,000 and £4,916,000, repayable 31 March 2033 and 31 March 2034, respectively.

To hedge the potential volatility in future interest cash flows arising from movements in LIBOR, the company has entered into fixed interest rate swaps with a nominal value equal to that initial borrowings, the same term as the loans and interest re-pricing dates identical to those of the variable rate loans. These result in the company paying a fixed rate of 5.391%, 5.377%, 4.871%, 4.871%, 5.278%, 4.714%, 4.822%, 4.695%, 4.793%, 4.573%, 4.768%, and 4.597% per annum and receiving LIBOR (though cash flows are settled on a net basis) and effectively fixing the total interest cost on loans.

LEICESTER LIFT PROJECT COMPANY (NO. 1) LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2019**

18. Financial instruments (continued)

The derivatives are accounted for as a hedge of variable rate interest rate risks, in accordance with FRS 102 and had a negative fair value of £9,311,000 (2018: £9,389,000) as at the year-end date. The cash flows arising from the interest rate swaps will continue until their maturity in 2034, coincidental with the repayment of the term loans. The change in fair value in the period was an increase of £78,000 (2018: £1,995,361), with the entire charge being recognised in other comprehensive income as the swaps were 100% effective hedges.

In 2009, the company entered into five LPA agreements having fixed contractual terms which caused their turnover to increase with RPI on a yearly basis.

To hedge the potential volatility in future revenue cash flows arising from movements in RPI, the company has entered into RPI swaps with a nominal value below that of the LPA contract but having the same term as the loans and RPI re-pricing dates identical to those of the LPA contract. These result in the company paying 2.77% per annum and receiving actual RPI and effectively fixing the inflation on a determined portion of the LPA contract.

The derivatives are accounted for as a hedge of variable rate RPI rate risks, in accordance with FRS 102 and had a negative fair value of £3,162,000 (2018: £2,838,000) at the year-end date. The cash flows arising from the interest rate swaps will continue until their maturity in 2034, coincidental with the LPA contractual terms. The change in fair value in the period was an decrease of £324,000 (2018: £658,076), with the entire charge being recognised in other comprehensive income as the swaps were 100% effective hedges.

19. Controlling party
