Strategic Report for the Year Ended 31 December 2016

The Directors present their strategic report for the year ended 31 December 2016.

Principal activities

The Company's principal activity during the year is the provision of public services. Its operations include: managing and maintaining highways; streetscene activities including waste collection and grounds maintenance; and business services including facilities management. The Company's main clients are local authorities. There have been no changes in the Company's activities in the year under review.

Review of business and future developments

The income statement for the year is set out on page 6 and shows revenue of £49,814,000 (2015 - £75,986,000) and a loss after tax amounting to £15,787,000 (2015 - £2,492,000), all of which arose from continuing activities.

Revenue reduced by £26 million from the prior year primarily due to reduced volumes and operational difficulties on the Kent County Council contract during 2016. The high level of costs associated with rectifying these difficulties gave rise to the significant worsening of operating profits this year. The Directors are confident that these issues are now largely resolved but the reduced level of activity will continue to challenge the Company into 2017 as the Wrexham contract has concluded and the Anglesey contract also comes to an end in 2017.

There have been no events since the balance sheet date which materially affect the position of the Company.

Key performance indicators

The Company's principal key performance indicators are revenue and profit before tax which are shown in the income statement for the year set out on page 6.

Principal risks and uncertainties

The Company's risks and other key performance indicators are only reported and managed on a Divisional basis. To gain a further understanding of this business, details of the principal risks and uncertainties and other key performance indicators are contained in the Annual Report and Financial Statements of the intermediate parent undertaking, Amey UK plc ('the Group'), for the year ended 31 December 2016. The Company is a member of the Highways division of the Group.

On behalf of the Hoard:

A L Nelson - Director

Date: 4 May 2017

Report of the Directors for the Year Ended 31 December 2016

The Directors present their report with the audited financial statements of the Company for the year ended 31 December 2016.

Dividends

No dividends were paid by the Company during the year (2015 - £nil). The Directors do not recommend the payment of a final dividend.

Directors

A L Nelson has held office during the whole of the period from 1 January 2016 to the date of this report.

Other changes in Directors holding office are as follows:

R Edmondson - appointed 24 August 2016 J S Haluch - appointed 27 July 2016 A L Milner - appointed 19 February 2016 D Atherton - resigned 31 August 2016 M Ewell - resigned 31 March 2016 N M Gregg - resigned 31 May 2016

Going concern

After making enquiries, and based on the assumptions outlined in note 2 to the financial statements, the Directors have concluded that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

Policy on slavery and human trafficking

In accordance with the Modern Slavery Act 2015, the Group is committed to ensuring that there is no modern slavery or human trafficking in our supply chains, or in any part of our business, with a zero tolerance for non-compliance. A full statement reflecting that commitment can be found on the Amey website and an abridged statement is included in the financial statements of the Company's intermediate parent company, Amey UK plc.

Statement as to disclosure of information to the auditor

So far as the Directors are aware, there is no relevant information (as defined by Section 418 of the Companies Act 2006) of which the Company's auditor is unaware, and each Director has taken all the steps that he or she ought to have taken as a Director in order to make himself or herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Auditor

Deloitte LLP has been appointed as Auditor and has expressed their willingness to continue in office as Auditor. In accordance with s487 of the Companies Act 2006, Deloitte LLP will be re-appointed as Auditor to the Company.

On behalf of the board:

A L Nelson - Director

Date: 4 May 2017

Statement of Directors' Responsibilities for the Year Ended 31 December 2016

The Directors are responsible for preparing the Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework' (FRS 101).

Under company law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, including FRS 101, have been followed, subject to any
 material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Report of the Independent Auditor to the Members of Enterprise (AOL) Limited

We have audited the financial statements of Enterprise (AOL) Limited for the year ended 31 December 2016 which comprise the Income Statement, the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 19. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditor and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities set out on page four, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Strategic Report and the Report of the Directors to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2016 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements. In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Strategic Report and the Directors' Report.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Peter Gallimore FCA (Senior Statutory Auditor) for and on behalf of Deloitte LLP Chartered Accountants and Statutory Auditor Birmingham

Notes to the Financial Statements for the Year Ended 31 December 2016

1. General information

The principal activity of Enterprise (AOL) Limited (the Company) is the provision of public services. Its operations include: managing and maintaining highways; streetscene activities including waste collection and grounds maintenance; and business services including facilities management. The Company's main clients are local authorities. The Company is a private company and is incorporated and domiciled in the UK. The address of the registered office is The Sherard Building, Edmund Halley Road, Oxford, OX4 4DQ, United Kingdom.

2. Accounting policies

Basis of preparation

These financial statements have been prepared in accordance with Financial Reporting Standard 101 "Reduced Disclosure Framework" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The new or revised standards or interpretations that are effective for accounting periods commencing on or after 1 January 2016 and that are applicable to the Company were as follows. The adoption of these standards did not lead to any changes in the Company's accounting policies and has had no material impact on the financial statements.

IFRS 10, IFRS 12 and IAS 28 (amendments): Investment entities: applying the consolidation exemption IFRS 11 (amendment): Accounting for acquisitions of interests in joint operations

IAS 1 (amendment): Disclosure initiative

IAS 16 and IAS 38 (amendments): Clarification of acceptable methods of depreciation and amortisation

IAS 27 (amendment): Equity method in separate financial statements

Annual improvements 2010 – 2012 Annual improvements 2012 – 2014

New standards applicable to the Company which have a significant impact and which will be adopted early in the accounting period commencing on 1 January 2017:

IFRS 9 - Financial Instruments: IFRS 9 may have a material impact on accounting for impairment of financial assets and also classification and measurement of financial assets. It is not practicable to provide a reasonable estimate of the effect of these standards since this impact will depend on both the financial instruments held by the Company and the economic conditions prevailing at the date of adoption.

New standards applicable to the Company which are expected to have a significant impact and which will be adopted in the accounting period commencing on 1 January 2019:

IFRS 16 – Leases: IFRS 16 may have a material impact on accounting for operating leases. Beyond the information above, it is not practicable to provide a reasonable estimate of the effect of these standards until a detailed review is undertaken.

There are no other new standards or interpretations that would be expected to have a material impact on the Company.

Notes to the Financial Statements - continued for the Year Ended 31 December 2016

2. Accounting policies - continued

Basis of preparation - continued

The Company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 101 "Reduced Disclosure Framework":

- the requirements of paragraphs 45(b) and 46 to 52 of IFRS 2 Share-based Payment;
- the requirements of paragraphs 62, B64(d), B64(e), B64(g), B64(h), B64(j) to B64(m), B64(n)(ii), B64(o)(ii), B64(p), B64(g)(ii), B66 and B67 of IFRS 3 Business Combinations;
- the requirements of paragraph 33(c) of IFRS 5 Non Current Assets Held for Sale and Discontinued Operations;
- · the requirements of IFRS 7 Financial Instruments: Disclosures;
- the requirements of paragraphs 91 to 99 of IFRS 13 Fair Value Measurement;
- the requirement in paragraph 38 of IAS 1 Presentation of Financial Statements to present comparative information in respect of:
 - paragraph 79(a)(iv) of IAS 1;
 - paragraph 73(e) of IAS 16 Property, Plant and Equipment;
 - paragraph 118(e) of IAS 38 Intangible Assets;
 - paragraphs 76 and 79(d) of IAS 40 Investment Property; and
 - paragraph 50 of IAS 41 Agriculture;
- the requirements of paragraphs 10(d), 10)(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D and 111 of IAS 1
 Presentation of Financial Statements;
- the requirements of paragraphs 134 to 136 of IAS 1 Presentation of Financial Statements;
- · the requirements of IAS 7 Statement of Cash Flows;
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors;
- the requirements of paragraphs 17 and 18A of IAS 24 Related Party Disclosures;
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group;
- the requirements of paragraphs 134(d) to 134(f) and 135(c) to 135(e) of IAS 36 Impairments of Assets.

Going concern

The Company is a subsidiary of Amey UK plc (the Group) and its financial resources are managed on a group basis. In 2016, the Group maintained a high degree of liquidity. Available Group cash balances at 31 December 2016 were £123 million and, in addition, the Group held £160 million of undrawn bank loan facilities at that date, which expire in July 2021. The Group also has two additional credit facilities of £80 million and £70 million from Landmille Limited (a subsidiary of Ferrovial S.A., the ultimate parent company), both of which renew automatically each year until September 2019 and February 2021 respectively.

The Directors have prepared forecasts for the purpose of their going concern review which show that the Group operates comfortably within its available cash balances and credit facilities. The Directors have also considered reasonably possible sensitivities in the forecasts which principally reflect the impact of continued economic uncertainty and unforeseen adverse working capital movements. The Directors have also considered various mitigating actions available to the Group including reducing discretionary spend and further active management of working capital.

In drawing their conclusions on going concern, the Directors have reviewed the forecasts, sensitivities and mitigating actions noted above. They have considered the impact of being part of the wider Ferrovial Group of which the Group is a member. As a result of their considerations, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future, being 12 months from the date of signing these financial statements. The Directors therefore continue to adopt the going concern basis in preparing these financial statements.

Notes to the Financial Statements - continued for the Year Ended 31 December 2016

2. Accounting policies - continued

Other principal accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Revenue recognition

Revenue represents amounts derived from the provision of goods and services which fall within the Company's ordinary activities after deduction of trade discounts and value added tax.

Revenue from other contract activities represents fee income receivable in respect of services provided during the year. Estimates are included of amounts not yet invoiced. The Company manages customer expenditure and charges customers for goods purchased from suppliers and services performed by contractors. These amounts are included in revenue and costs of sales when the Company is acting as a principal, but where the Company is acting as an agent, transactions are recognised on a net basis. The Company defers other fees receivable and brings these fees into revenue in line with the degree of completion of the service delivery.

Intangible assets (other)

Acquired intangible assets are included in the balance sheet at cost and amortised over their useful economic finite lives. The Company has no intangible assets with indefinite lives.

The Company reviews the carrying value of intangible assets in the light of developments in its business and makes provision for any impairment in value as the need arises.

Tangible fixed assets

Tangible fixed assets are stated at historical cost less depreciation. Depreciation is calculated to write down the cost less estimated residual value of all tangible fixed assets by equal annual instalments over their expected useful lives. The rates generally applicable are:

Plant and machinery - 5 - 8 years

Notes to the Financial Statements - continued for the Year Ended 31 December 2016

2. Accounting policies - continued

Finance leases

Leases of property, plant and equipment, where the Company has substantially all the risks and rewards of ownership, are classified as finance leases. Finance leases are capitalised at commencement at the lower of the fair value or the net present value of the minimum lease payments with the corresponding rental obligation included in creditors. The interest element of the finance lease payment is charged to the income statement over the lease period so as to produce a constant period rate of interest.

Operating leases

Leases in which substantially all of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments under operating leases are charged to the income statement on a straight-line basis over the period of the lease.

Inventories

Inventories are stated at the lower of cost and net realisable value. Cost is calculated using either the weighted average method or the first-in, first-out method, as appropriate.

Trade and other receivables

Trade and other receivables are amounts due from customers for services performed in the ordinary course of business. They are initially recognised at fair value and subsequently measured at amortised cost, less provision for impairment.

Financial assets - classification

The Company classifies its financial assets in the following categories: at fair value through profit or loss (held for trading), and loans and receivables. The classification depends on the purpose for which the financial assets were acquired and is determined at point of initial recognition.

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except where the maturity is greater than twelve months when they are included in non-current assets, and comprise receivables and cash.

Financial assets - recognition and measurement

Financial assets held at fair value through profit and loss are initially recognised at fair value. Subsequent changes in fair value are presented in the income statement within interest income or expense in the period in which they arise, unless designated as part of a hedge. Loans and receivables are carried at amortised cost. Financial assets are de-recognised when the rights to receive cash flows have expired.

Financial liabilities

The Company classifies its financial liabilities as other financial liabilities measured at amortised cost using the Effective Interest Rate (EIR) method. Bank borrowings are recognised at the amount advanced net of any directly attributable transaction costs. Finance costs calculated in accordance with this policy are recognised in finance costs in the income statement.

Notes to the Financial Statements - continued for the Year Ended 31 December 2016

2. Accounting policies - continued

Current and deferred taxation

The lax expense for the period comprises current and deferred tax. Tax is recognised in the income statement, unless it relates to items recognised in other comprehensive income (where it is then accordingly recognised).

The current tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax balances are recognised on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. It is measured using tax rates that have been enacted or substantively enacted at the time when the temporary difference reverses. Deferred tax assets are recognised only to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

Pre-contract costs and certain other costs arising on contracts

The Company expenses all pre-contract costs and other costs where recovery is not specifically provided for in accordance with the contract terms. The Company recognises on the balance sheet bid costs where it is virtually certain that a contract will be obtained and the contract is expected to result in future net cash inflows with a present value greater than the amount recognised as an asset and where recovery is specifically provided for in accordance with the contract terms. Costs, which have been expensed, are not subsequently reinstated when a contract award is achieved.

Cash in hand

Cash in hand includes cash and deposits with banks. Bank overdrafts are shown within borrowings in current liabilities.

Creditors

Obligations to pay for goods and services are recognised initially at fair value and subsequently measured at amortised cost.

Critical accounting estimates and judgements

The preparation of financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in the process of applying the Company's existing accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed below:

IAS 11

A significant amount of the Company's activities are undertaken via long-term contracts. These contracts are accounted for in accordance with IAS 11 which requires estimates to be made for the contract costs and revenue.

Management base their judgement of contract costs and revenue on the latest available information, which includes detailed contract valuations. In many cases the results reflect the expected outcome of long-term contractual obligations which span more than one reporting period. Contract costs and revenue are affected by a variety of uncertainties that depend on the outcome of future events and often need to be revised as events unfold and uncertainties are resolved. The estimates are updated regularly and significant changes are highlighted through established internal review procedures. The impact of the change in accounting estimate is then reflected in current and future periods.

Notes to the Financial Statements - continued for the Year Ended 31 December 2016

Revenue

Revenue is wholly attributable to the principal activity of provision of public services. All revenue arises solely within the UK.

4. Employees and Directors

The Company had no direct employees in either 2016 or 2015. The costs of employees of Amey Services Limited are recharged to this Company in direct support of its trade.

No Directors were remunerated through the Company in either 2016 or 2015.

Details of the remuneration of the other Directors, whose services are of a non-executive nature and who are also directors of the Company's intermediate parent undertaking, Amey UK plc, and of its fellow group undertakings, Amey LG Limited, Amey OW Limited and Enterprise Managed Services Limited, are disclosed in those companies' financial statements. Their remuneration is deemed to be wholly attributable to their services to those companies.

5. Finance expense

	÷	2016 £'000	2015 £'000
Finance lease interest payable Other interest payable		16 18	65 10
5	-	34	<u>· 75</u>

6. Loss before taxation

The loss before taxation is stated after charging:

	•	2016	2015
•		£'000	£'000
Hire of plant and machinery		5,148	6,861
Other operating leases		656	. 660
Depreciation - owned assets	•	7	8 .
Depreciation - assets on finance leases		262	· 262
Contract rights amortisation	•	<u>2,913</u>	2,913

The auditor's remuneration is borne by Amey Group Services Limited, a fellow subsidiary undertaking of the Company, and is not recharged.

Operating lease charges include recharge of costs incurred by fellow group undertakings on behalf of the Company.

Notes to the Financial Statements - continued for the Year Ended 31 December 2016

7. Taxation

Analysis of tax income	2016 £'000	2015 £'000
Current tax: Tax - current year	(3,171)	31
Adjustment in respect of prior periods	<u>(1</u>)	(58)
Total current tax	(3,172)	(27)
Deferred tax	<u>(211</u>)	12
Total tax income in income statement	<u>(3,383</u>)	<u>(15</u>)

Factors affecting the tax expense

The tax assessed for the year is higher than the standard rate of corporation tax in the UK. The difference is explained below:

	2016 £'000	2015 £'000
Loss before income tax	<u>(19,170</u>)	<u>(2,507</u>)
Profit multiplied by the standard rate of corporation tax in the UK of 20% (2015 - 20.25%)	(3,834)	(508)
Effects of: Expenses not deductible for tax purposes Adjustment in respect of prior periods – current Adjustment in respect of prior periods – deferred Impact of change in statutory tax rate	603 (1) (197) <u>46</u>	591 (58) (39) (1)
Tax expense	<u>(3,383</u>)	<u>(15</u>)

The UK Finance Act (No.2) 2015, enacted on 26 October 2015, included provision for the main rate of corporation tax to reduce from 20% to 19% from 1 April 2017 and to 17% from 1 April 2020. This will reduce the Company's future tax charge accordingly.
