Asset Realisation and Progression

The Joint Liquidators confirm that all known assets have been realised.

Plant & Machinery

The book value for plant and machinery was taken from the figure for fixed assets in the last set of accounts, applying depreciation at 25% for the intervening year and three quarters to give the book value of £6,442 with an estimate to realise figure of £1,225, which was provided by our agents Gavel Auctioneers.

Furniture & Equipment

There was no separate figure for furniture & equipment in the accounts to provide a book value therefore an estimate by our agents was used in the sum of £450.

Stock

The book value of stock was taken from the original value. The estimated to realise figure was £1,125

Intellectual property

There was no separate figure in the accounts for Intellectual Property to provide a book value so an estimate was used from our agents who were instructed to provide a professional valuation. This was estimated at £5,000.

All the above assets were sold by Gavel Auctioneers for £9,770. This was in excess of the total estimate to realise value which amounted to £7,800.

Book Debts

There were no book debts disclosed in the Statement of Affairs but shortly after appointment we started receiving monthly payments of £2.01 from a Debt Management company. We made enquiries of both the debt management company and the director to ascertain the total balance outstanding but neither were able to provide a figure. Given the level of payments, the uncertainty as to how much is due to be repaid and the costs that will be incurred keeping the liquidation open to collect the payments we have decided to close the liquidation and notify the Debt Management company that we will not be accepting any further payments.

Cash at Bank

The sum of £175.10 has been received.

Bank Interest

We have received a total of £1.13 in bank interest.

Liquidation Costs

The basis of the Joint Liquidators remuneration was considered and approved on a time costs basis, subject to an estimate of £11,657.00, by creditors' on 27 July 2016.

Pre Appointment Costs

This firm's fee in relation to assistance provided with the preparation of the director's Statement of Affairs, and placing the Company in liquidation, was fixed at £3,000.00 plus VAT and disbursements. This fee has been paid in full.

Statement re 3rd Parties

I can confirm that no payment was made to another party for their assistance in preparing the Statement of Affairs, or in regard to the liquidation generally.

Liquidators' Remuneration

Numerous activities have been undertaken by ourselves and our staff in dealing with the liquidation. A number of tasks are generic to every liquidation and a summarised list of these activities is attached in the Appendices for your information.

As detailed above, there were a number of issues specific to this case and we have spent additional time dealing with the following:

Determination of action in respect of the book debt being received

Details of our remuneration are set out below. You may also find it useful to read "A guide to Liquidators' fees" which can be downloaded from The R3 website at https://www.r3.org.uk/what-we-do/publications/professional/statements-of-insolvency-practice/e-and-w/sip-9-list. Kindly ensure that you download the correct version for the date of appointment.

Alternatively please contact our office and we will arrange for a hard copy to be sent to you if you would prefer.

Time costs accrued to date total £17,278.25, which is calculated at 68.78 hours with an average hourly rate of £251.23 per hour. Those fees drawn to date, plus VAT and disbursements are shown in the receipts and payments account.

Disbursements

A detailed explanation of category 1 and category 2 disbursements, together with the approved rates for category 2 disbursements, is set out in the Appendices.

Category 1 disbursements are those that are directly attributable to a third party invoice.

Category 2 disbursements are those that are based upon an estimate or an internally set rate in accordance with the schedule previously provided. The category disbursements incurred and paid are set out in the Appendices.

Professional Advisors

The following advisors have been engaged by us during the course of the liquidation to provide the appropriate assistance.

Firm	Description of assignment	Fee basis
Gavel Auctioneers	Valuation and sale of assets	Commission for the sale of assets
		(£1,465.50) plus costs (£961.50).

The use of professional advisors was necessary as either the task required a specialised skill set or it was economical to engage a third party. Advisors were chosen based upon their experience and abilities suitable for nature of the assignment.

Creditors

Secured creditors

There are no secured creditors in this matter.

Preferential creditors

Claims for arrears of pay and holiday pay have been made with the Redundancy Service. They have subsequently submitted a preferential claim for £282.70 in the liquidation (and a further claim of £1,997.64 as an unsecured creditor). There have been insufficient funds to make a payment to preferential creditors in this matter.

Prescribed part for the unsecured creditors s176A Insolvency Act 1986

Section 176A of the 1986 Insolvency Act provides that where the Company has created a floating charge on or after 1 September 2003 the Liquidator must calculate and make a 'prescribed part' of the Company's net property available for thursecured creditors ahead of any distribution to the floating charge holder.

To the best of our knowledge and belief there are no unsatisfied floating charges created on or after 15 September 2003 so the provisions of s176A do not apply.

Unsecured creditors

The Statement of Affairs estimated unsecured creditor claims of £336,145.50. To date claims totalling £141,695.34 have been received. There have been insufficient funds to make a payment to unsecured creditors in this matter.

Creditors' further Information

As a creditor, you have a right to request further information with regard to any aspect of this report or to challenge the Liquidators' fees and expenses. If you require further information, please do not hesitate to contact us.

If you are not satisfied with our response, you have the right to request further information from me/us with regard to our remuneration and expenses, with either the permission of the Court or with a collective request from 10% in value of unsecured creditors. This request must be made within eight weeks of receipt of this report.

Further, creditors have the right to apply to Court to challenge the amount of, or the basis of, our remuneration and expenses, with either the permission of the Court or with a collective request from 10% in value of unsecured creditors. This application must be made within 8 weeks of receipt of this report.

Secured creditors may make the same request or the same application in their own right.

Category 1 and 2 Disbursements

Disbursements are categorised as either Category 1 or Category 2.

Category 1

Category 1 disbursements are clearly identifiable third party costs that are directly attributable to the case. Occasionally these disbursements are paid by McAlister & Co Insolvency Practitioners Limited and then recharged to the case, usually when there are insufficient funds within the case to pay the disbursement at the time it falls due. Specific approval from creditors is not required for Category 1 disbursements.

Typical examples of Category 1 disbursements are:

- Postage
- Advertising
- Insurance
- Travel costs
- External room hire
- Document storage

The current levels of Category 1 disbursements incurred and recovered by McAlister & Co Insolvency Practitioners Limited are as follows:
