1 ACCOUNTING POLICIES

Basis of preparing the financial statements - going concern

The financial statements have been prepared on the going concern basis. The directors have considered the assets and liabilities of the company and are of the opinion that the company will continue to meet its liabilities as they fall due with the financial support of the directors. The nature of the company's business is such that expenses will be incurred for many years before any income is realised to return a profit. The directors are satisfied that the company is a going concern.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant & machinery - 25% reducing balance

Work in progress

Work in progress is valued on the basis of direct costs plus attributable overheads based on normal level of activity. Provision is made for any foreseeable losses where appropriate. No element of profit is included in the valuation of work in progress.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
