## **DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2011**

The directors present their report and the financial statements for the year ended 31 December 2011

### **Principal activities**

The principal activity of the company relates to the manufacture of bedding products for the home furnishings market produced primarily from polyurethane foam

### **Business review**

The company achieved a turnover of £18.0 million during the year compared to a £15.8 million in the previous year

The improved turnover and increased labour efficiencies resulted in an operating profit of £0.5 million (2.6%) compared to an operating profit of £0.4 million (2.5%) in the 2010 year

Key performance indicators include the continual review of customer service levels, factory efficiencies, customer margins and material yields

The position of the company at December 2011 remains strong with cash balances of £0.7 million (2010 - £0.8 million) and continues to operate well within its available bank facilities which were renewed during the middle of the year

The outlook for the coming year may reflect a downside squeeze on consumer spending although the company is well placed to take advantage of any opportunities that may arise in the future

The Directors consider that satisfactory progress has been made during the year although margins remain under continual pressure

### **Risks and Uncertainties**

The principal risks and uncertainties facing the company relate to the overall level of consumer demand in the UK. The company is confident that it can manage this exposure by introducing more efficient processes and products to counteract any further downturns which may arise. The company retains its long standing relationships with key customers and will continue to invest in appropriate capital expenditure to further improve its cost base

### **Financial instruments**

The company's operations expose it to a number of financial risks that include change in market prices, credit risk and liquidity risk. These risks are managed by the board in the following way

#### **Market Prices**

The company is exposed to market prices for certain raw materials. Wherever appropriate, foreign currency forward contracts are undertaken at a group level – refer to note 19 – to minimise this exposure

#### **Credit Risk**

The company operates a policy of credit insurance to reduce its exposure to bad debts

#### **Liquidity Risk**

The company reviews its funding and working capital requirements on a continual basis and ensures that financial facilities are available to meet these requirements in both the short and medium term

## **DUFLEX FOAM LIMITED**

### **DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2011**

#### **Results**

The profit for the year, after taxation, amounted to £0.3 million (2010 - £0.3 million)

#### **Directors**

The directors who served during the year were

S R Hampton  
P Glynn  
T Keely (appointed 8 December 2011)  
K Stevens (appointed 8 December 2011)

#### **Political and charitable contributions**

During the year, the company has made charitable donations of £448 (2010 - £150)

#### **Provision of information to auditor**

Each of the persons who are directors at the time when this directors' report is approved has confirmed that

- so far as that director is aware, there is no relevant audit information of which the company's auditor is unaware, and
- each director has taken all the steps that ought to have been taken as a director in order to be aware of any information needed by the company's auditor in connection with preparing its report and to establish that the company's auditor is aware of that information

This report was approved by the board on 19 March 2012 and signed on its behalf

**S R Hampton**  
Director

## **DUFLEX FOAM LIMITED**

### **STATEMENT OF DIRECTORS' RESPONSIBILITIES FOR THE YEAR ENDED 31 DECEMBER 2011**

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **DUFLEX FOAM LIMITED**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DUFLEX FOAM LIMITED**

We have audited the financial statements of Duflex Foam Limited for the year ended 31 December 2011 which comprise the profit and loss account, the balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### **Respective responsibilities of directors and auditor**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the directors' report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### **Opinion on financial statements**

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2011 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

## DUFLEX FOAM LIMITED

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DUFLEX FOAM LIMITED

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2011

#### 1 ACCOUNTING POLICIES

##### 1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards

The company's accounting reference date is 31 December. It is the company's policy to prepare financial statements for the accounting period to the nearest Saturday to this date. The accounting period covers 2 January 2011 to 31 December 2011.

##### 1.2 Cash flow statement

Under Financial Reporting Standard (FRS) 1 (revised 1996), the company is exempt from the requirement to prepare a cash flow statement on the grounds that more than 90% of the company's voting rights are controlled within the group and the parent undertaking includes the company in its own published consolidated financial statements.

##### 1.3 Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied, exclusive of Value Added Tax and trade discounts.

Turnover is recognised on despatch of goods.

##### 1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

|                     |   |        |               |
|---------------------|---|--------|---------------|
| Plant and machinery | - | 5-10%  | straight line |
| Motor vehicles      | - | 25%    | straight line |
| Computer equipment  | - | 25-30% | straight line |

##### 1.5 Operating leases

Rentals under operating leases are charged to the profit and loss account on a straight line basis over the lease term.

Benefits received and receivable as an incentive to sign an operating lease are recognised on a straight line basis over the period until the date the rent is expected to be adjusted to the prevailing market rate.

##### 1.6 Finance leases

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired by finance lease are depreciated over the shorter of the lease term and their useful lives. Assets acquired by hire purchase are depreciated over their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the obligation outstanding in each period.

##### 1.7 Stocks and work in progress

Stocks and work in progress are valued at the lower of cost and net realisable value. Stocks are valued at purchase invoice price after making due allowance for obsolete and slow-moving stocks.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2011

#### 1 ACCOUNTING POLICIES (continued)

##### 1 8 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse

Deferred tax assets and liabilities are discounted

##### 1 9 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the balance sheet date

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction

Exchange gains and losses are recognised in the profit and loss account

##### 1 10 Pensions

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the company to the fund in respect of the year

#### 2 TURNOVER

The whole of the turnover is attributable to its principal activity

All turnover arose within the United Kingdom

#### 3 OPERATING PROFIT

The operating profit is stated after charging

| <b>Tax on profit on ordinary activities</b>      | <b>101</b>   | <b>16</b>    |

### Factors affecting tax charge for the year

The tax charge for the year is higher than (2010 - higher than) the standard rate of corporation tax in the UK of 26% (2010 - 28%). The differences are explained below

|  | 2011<br>£000 | 2010<br>£000 |
|--|--------------|--------------|
| Profit on ordinary activities before taxation  | 360          | 269          |
| Profit on ordinary activities multiplied by the standard rate of corporation tax in the UK of 26% (2010 - 28%) | 94           | 75           |
| <b>Effects of</b>  |              |              |
| Expenses not deductible for tax purposes   | 1            | 3            |
| Depreciation for year in excess of capital allowances  | 3            | -            |
| Effect of change in rate of UK Corporation Tax   | 1            | -            |
| Prior year overprovision   | (7)          | -            |
| <b>Current tax charge for the year</b> (see note above)  | <b>92</b>    | <b>78</b>    |

### Factors that may affect future tax charges

The provision for deferred tax is calculated based on the tax rates expected to be effective at the time the timing differences which give rise to the provision are expected to reverse. The Chancellor of the Exchequer announced in his Budget on 23 March 2011 that the rate of Corporation Tax of 28% will be reduced by 2 percentage points with effect from 1 April 2011 and a further 1 percentage point a year until 2014, when it will remain at 23%. The planned 1% reduction to 25% from April 2012 was substantively enacted when the Finance (No. 3) Bill 2010-11, that includes this amendment, received its third reading in the House of Commons on 5 July 2011.
