Directors' report

The Directors present their abbreviated accounts for the period ended 31 March 2008.

Principal activities

The principal activity of the Company is for the publishing of music.

Review of the period and future developments

The Directors are satisfied with the progress of the business during the period and consider the state of affairs at the end of the period, and the future prospects of Company, to be satisfactory.

Result

Trading for the period has resulted in a loss after taxation of £95 (2007: profit £275). A dividend of £nil (2007: £nil) has been declared and paid for this financial period. The retained loss for the period has been transferred from reserves.

Directors

The names of the Directors of the Company who have served during the period appear on page 3. Director's interests in the £1 ordinary share capital of the company are as follows:

	1 April 07	31 March 2008
	Number	Number
A Kisumba	1	1
S Kisumba	1	1

Share capital

There were no changes during the year.

Employees

It is the policy of the Company to ensure that full and fair opportunities are given to the employment, training and career development of disabled persons having regard to their particular aptitudes and

abilities. Employees are encouraged to become involved in the company and information is provided so as to increase their awareness of its activities and those decisions, which affect their interests.

Payment Policy

The Company follows the CBI prompt payers' code and operates and abides by a clearly defined payment policy, which has been agreed with all suppliers. At any month end the Company's trade balance represents less than two months purchases from suppliers.

Small Company audit exemption

For the period ended 31 March 2008 the Company was entitled to exemption from audit under section 249A (1) of the Companies Act 1985. This was because the Company qualified as a Small Company in its previous and current financial years in respect of turnover, assets and employee numbers under section 247A (1) of the Companies Act 1985.

No members have required the Company to obtain an audit of its accounts for the period in question in accordance with section 249B (2).

Directors' responsibility statement

Company law requires the Directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the Company and of the profit or loss for that period. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.
- The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

The company is exempt from the requirement of Financial Reporting Standard No 1 to prepare a cash flow statement as it is entitled to the filing exemptions as a small company under sections 246 to 249 of the Companies Act 1985 when filing accounts with the Registrar of Companies.

Goodwill

Purchased goodwill, representing the excess of fair value of the consideration over the separable net assets acquired, is capitalised. Positive goodwill is amortised to nil over its estimated useful economic life, this normally being 3 years for internet related businesses.

Fixed assets and depreciation

Depreciation is provided by the company to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows:

Land and buildings	-	2% per annum on a straight-line basis
Motor vehicles	-	25% per annum on a straight-line basis
Fixtures and Fittings	-	20% per annum on a straight-line basis
Plant	-	20% per annum on a straight-line basis

Leases

Where the company enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a 'finance lease'. The asset is recorded in the balance sheet as a tangible fixed asset and is depreciated over its estimated useful life or the term of the lease, whichever is shorter. Future instalments under such leases, net of finance charges, are included with creditors. Rentals payable are apportioned between the finance element, which is charged to the profit and loss account, and the capital element, which reduces the outstanding obligation for future instalments.

All other leases are accounted for as 'operating leases' and the rental charges are charged to the profit and loss account on a straight-line basis over the life of the lease.

Taxation

The charge for taxation is based on the result for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Provision is made for deferred tax only to the extent that it is probable that an actual liability will crystallise.
