2018 CREDIT SUPPORT DEED FOR INITIAL MARGIN (IM)

between

DEUTSCHE BANK AG

JUST RETIREMENT LIMITED

and

("Party A")

("Party B")

made on 12 February 2024

relating to the

ISDA Master Agreement

10 December 2010

dated as ofbetween Party A and Party B.

This Deed is a Credit Support Document with respect to both parties in relation to the ISDA Master Agreement referred to above (as amended and supplemented from time to time, the "*Agreement*") and, subject to Paragraph 7 below, Section 5(a)(iii) of the Agreement will apply in respect of this Deed.

Accordingly, the parties agree as follows:

Paragraph 1. Interpretation

(a) **Definitions and Inconsistency.** Unless otherwise defined in this Deed, capitalised terms defined in the Agreement have the same meanings in this Deed. Capitalised terms not otherwise defined in this Deed or in the Agreement have the meanings specified pursuant to Paragraph 12, and all references in this Deed to Paragraphs are to Paragraphs of this Deed. In the event of any inconsistency between this Deed and the provisions of the Agreement or any Other CSA, this Deed will prevail in the case of (i) matters concerning regulatory initial margin requirements relating to Covered Transactions (IM) posted by a Chargor and (ii) specific amendments made herein to the Agreement, the Schedule to the Agreement or any Other CSA, and in the event of any inconsistency between Paragraph 13 and the other provisions of this Deed, Paragraph 13 will prevail.

(b) **Secured Party and Chargor.** Unless otherwise specified in Paragraph 13, all references in this Deed to the "*Secured Party*" will be to either party when acting in that capacity and all corresponding references to the "*Chargor*" will be to the other party when acting in that capacity, *provided, however*, that a reference herein to Posted Credit Support (IM) being "*held*" by a Secured Party at any time shall be construed as a reference to the Posted Credit Support (IM) credited to the Segregated Accounts at such time in respect of which a Security Interest has been created in its favour under this Deed. A reference to a transfer of Eligible Credit Support (IM) or Posted Credit Support (IM) to or from the Custodian (IM) is deemed to be a reference to a transfer to or from the relevant Segregated Accounts, as applicable.

(c) **Scope of this Deed.** The only Transactions which will be relevant for the purposes of determining a "*Margin Amount (IM)*" under this Deed with respect to a posting obligation of a Chargor will be the relevant Covered Transactions (IM) specified in accordance with the provisions of Paragraph 13. Except as expressly

provided herein, nothing in this Deed will affect the rights and obligations, if any, of either party under the Agreement or any Other CSA.¹

(d) **Amendment Effective Date (IM).** Unless otherwise specified in Paragraph 13, any specific amendments made herein to the Agreement, including the Schedule or any Other CSA, will become effective as of the Amendment Effective Date (IM).

Paragraph 2. Security

(a) **Covenant to Perform.** Each party as the Chargor covenants with the other party that it will perform the Obligations in the manner provided in the Agreement, this Deed or any other relevant agreement.

(b) **Security.** Each party as the Chargor, as security for the performance of the Obligations:

(i) charges and agrees to charge, with full title guarantee, in favour of the Secured Party by way of first fixed charge:

(A) all Posted Credit Support (IM) (present and future); and

(B) each Segregated Account, and

(ii) assigns and agrees to assign, with full title guarantee, the Assigned Rights to the Secured Party absolutely.

(c) **Restriction on Dealings.** Each party as the Chargor must not:

(i) create or permit to subsist any Security Interest on the Segregated Accounts or the Posted Credit Support (IM) or the Assigned Rights; or

(ii) sell, transfer, licence, lease, loan, grant any option over, declare a trust over or otherwise dispose of any of its rights in respect of the Segregated Accounts or the Posted Credit Support (IM) or the Assigned Rights,

other than (A) the security created by this Deed, (B) a lien routinely imposed on all securities in a clearing system in which any such Posted Credit Support (IM) may be held or (C) a lien or security interest referred to in, or in connection with, the Control Agreement.

(d) **Release of Security.** Upon the transfer by the Custodian (IM) to the Chargor of Posted Credit Support (IM) either (i) following an instruction from the Secured Party, (ii) in accordance with any provisions relating to the transfer of collateral following delivery of a Chargor Access Notice under the Control Agreement or (iii) as otherwise agreed by the parties, the security interest granted under this Deed on that Posted Credit Support (IM) will be released immediately, and the Assigned Rights relating to that Posted Credit Support (IM) will be re-assigned to the Chargor, in each case without any further action by either party. To the extent that all Obligations of the Chargor owed to the Secured Party have been irrevocably satisfied in full and no further Obligations may arise, then at the Chargor's expense the Secured Party will also release the security interest granted under this Deed on each of the Segregated Accounts.

(e) **Preservation of Security.** The security constituted by this Deed shall be a continuing security and shall not be satisfied by any intermediate payment or satisfaction of the whole or any part of the Obligations but shall secure the ultimate balance of the Obligations. If for any reason this security ceases to be a continuing security or any subsequent charge or other interest affects any Security Assets (in each case, other than in relation to either (i) a lien routinely imposed on all securities in a clearing system in which any such Posted Credit Support (IM) may be held or (ii) a lien or security interest referred to in, or connected with, the Control Agreement), the Secured Party may direct that the Chargor open a new account with the Custodian (IM) or continue the existing Segregated Account and the liability of the Chargor in respect of the Obligations at the date of such cessation shall remain regardless of any payments into or out of any such account. The security constituted by this Deed

¹ As this Deed may amend another agreement, parties should ensure that any relevant formalities required to amend such agreement are complied with.

shall be in addition to, and shall not be affected by, any other security now or subsequently held by the Secured Party for all or any of the Obligations.

(f) **Waiver of Defences.** The obligations of the Chargor under this Deed shall not be affected by any act, omission or circumstance which, but for this provision, might operate to release or otherwise exonerate the Chargor from its obligations under this Deed or affect such obligations, including (but without limitation) and whether or not known to the Chargor or the Secured Party:

(i) any time or indulgence granted to or composition with the Chargor or any other person;

(ii) the variation, extension, compromise, renewal or release of, or refusal or neglect to perfect or enforce, any terms of the Agreement or any rights or remedies against, or any security granted by, the Chargor or any other person;

(iii) any irregularity, invalidity or unenforceability of any obligations of the Chargor under the Agreement or any present or future law or order of any government or authority (whether of right or in fact) purporting to reduce or otherwise affect any of such obligations to the intent that the Chargor's obligations under this Deed shall remain in full force and this Deed shall be construed accordingly as if there were no such irregularity, unenforceability, invalidity, law or order; and

(iv) any legal limitation, disability, incapacity or other circumstance relating to the Chargor, any guarantor or any other person or any amendment to or variation of the terms of the Agreement or any other document or security.

(g) **Immediate Recourse.** The Chargor waives any right it may have of first requiring the Secured Party to proceed against or claim payment from any other person or enforce any guarantee or security before enforcing this Deed.

(h) **Reinstatement.** Where any discharge (whether in respect of the security constituted by this Deed, any other security or otherwise) is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or any amount paid pursuant to any such discharge or arrangement must be repaid on bankruptcy, liquidation or otherwise without limitation, the security constituted by this Deed and the liability of the Chargor under this Deed shall continue as if there had been no such discharge or arrangement.

Paragraph 3. Credit Support Obligations

(a) **Delivery Amount (IM).** Subject to Paragraphs 4 and 5, upon a demand made by the Secured Party on or promptly following a Calculation Date (IM), if the Delivery Amount (IM) applicable to the Chargor for that Calculation Date (IM) equals or exceeds the Chargor's Minimum Transfer Amount (IM), then the Chargor will transfer to the Custodian (IM) Eligible Credit Support (IM) having a Value as of the date of transfer at least equal to the applicable Delivery Amount (IM) (rounded pursuant to Paragraph 13). Unless otherwise specified in Paragraph 13, the "**Delivery Amount (IM)**" applicable to the Chargor for any Calculation Date (IM) will equal the amount by which:

(i) the Credit Support Amount (IM) applicable to the Chargor

exceeds

(ii) the Value as of that Calculation Date (IM) of all Posted Credit Support (IM) held by the Secured Party (as adjusted to include any prior Delivery Amount (IM) and to exclude any prior Return Amount (IM), the transfer of which, in either case, has not yet been completed and for which the relevant Regular Settlement Day falls on or prior to such Calculation Date (IM)).

(b) **Return Amount (IM).** Subject to Paragraphs 4 and 5, upon a demand made by the Chargor on or promptly following a Calculation Date (IM), if the Return Amount (IM) applicable to the Secured Party for that Calculation Date (IM) equals or exceeds the Secured Party's Minimum Transfer Amount (IM), then the Secured Party will instruct the Custodian (IM) to transfer to the Chargor Posted Credit Support (IM) specified by the Chargor in that demand having a Value as of the date of transfer as close as practicable to (but not more than)

the applicable Return Amount (IM) (rounded pursuant to Paragraph 13). Unless otherwise specified in Paragraph 13, the “*Return Amount (IM)*” applicable to the Secured Party for any Calculation Date (IM) will equal the amount by which:

(i) the Value as of that Calculation Date (IM) of all Posted Credit Support (IM) held by the Secured Party (as adjusted to include any prior Delivery Amount (IM) and to exclude any prior Return Amount (IM), the transfer of which, in either case, has not yet been completed and for which the relevant Regular Settlement Day falls on or prior to such Calculation Date (IM))

exceeds

(ii) the Credit Support Amount (IM) applicable to the Chargor.

(c) “*Margin Amount (IM)*”; “*Margin Amount (IA)*”; *Margin Approach*.

(i) “*Margin Amount (IM)*” means, for any Calculation Date (IM) and a posting obligation of a Chargor under a Regime, the Base Currency Equivalent of an amount equal to the sum of the initial margin amounts in respect of the Covered Transactions (IM) determined using the Method specified as applicable to such Regime in Paragraph 13.

(ii) “*Margin Amount (IA)*” means, for any Calculation Date (IM) and a posting obligation of a Chargor, the Base Currency Equivalent of an amount equal to the sum of the Independent Amounts (as defined in any Other CSA) applicable to the Chargor and any other amounts applicable to the Chargor (other than any amounts in respect of Margin Amount (IM) or Exposure), however described, intended by the parties to operate as an Independent Amount, if any, after taking into account any relevant Threshold applicable to the Chargor and any other relevant amounts applicable to the Chargor, however described, intended by the parties to operate as a Threshold but prior to giving effect to any other applicable deduction, discharge or netting of such amounts, under or in relation to the Agreement, as determined and reported by the party responsible for calculating such amounts. For the avoidance of doubt, in order to determine the amounts “applicable to the Chargor” for the purposes hereof, the parties will take into account the effect of any conditions precedent applicable to such amounts.

(iii) *Margin Approach*.² The parties have agreed, in Paragraph 13, to implement one of the following approaches (each a “*Margin Approach*”) with respect to the relationship between “*Margin Amount (IM)*” and “*Margin Amount (IA)*”.

(A) If the “*Distinct Margin Flow (IM) Approach*” is specified as applicable in Paragraph 13, the following provisions will apply:

(1) “*Credit Support Amount (IM)*” means, with respect to a party as the Chargor, for any Calculation Date (IM), (i) the Margin Amount (IM) applicable to the Chargor, if any, minus (ii) the Chargor’s Threshold (IM); *provided, however*, that the Credit Support Amount (IM) will be deemed to be zero whenever the calculation of the Credit Support Amount (IM) yields a number less than zero.

(2) *No Amendment to Obligations in respect of Margin Amount (IA)*. The posting obligation of a Chargor in respect of any amount that constitutes a Margin Amount (IA) under any Other CSA shall not be affected or amended in any way by the provisions of this Deed.

(B) If the “*Allocated Margin Flow (IM/IA) Approach*” is specified as applicable in Paragraph 13, the following provisions will apply:

(1) “*Credit Support Amount (IM)*” means, with respect to a party as the Chargor, for any Calculation Date (IM), (i) the Margin Amount (IM) applicable to the Chargor, if any, minus

² If the parties do not currently exchange Margin Amount (IA), each of the three Margin Approaches will yield the same Credit Support Amount (IM). In such a case, the parties should agree on the Margin Approach they would want to apply in the event they exchange Margin Amount (IA) in the future.

(ii) the Chargor's Threshold (IM); *provided, however*, that the Credit Support Amount (IM) will be deemed to be zero whenever the calculation of the Credit Support Amount (IM) yields a number less than zero.

(2) *Amendment to Obligations in respect of Margin Amount (IA)*. The posting obligation of a Chargor in respect of any amount that constitutes a Margin Amount (IA) under any Other CSA shall be reduced on an aggregate basis by the amount of the Chargor's Credit Support Amount (IM); *provided, however*, that if, after such reduction, any such Margin Amount (IA) would be a negative amount, such Margin Amount (IA) will be deemed to be zero.³

(C) If the "*Greater of Margin Flow (IM/IA) Approach*" is specified as applicable in Paragraph 13, the following provisions will apply:

(1) "*Credit Support Amount (IM)*" means, with respect to a party as the Chargor, for any Calculation Date (IM), the greater of (i)(A) the Margin Amount (IM) applicable to the Chargor, if any, minus (B) the Chargor's Threshold (IM) and (ii) the Margin Amount (IA); *provided, however*, that the Credit Support Amount (IM) will be deemed to be zero whenever the calculation of the Credit Support Amount (IM) yields a number less than zero.

(2) *Amendment to Obligations in respect of Margin Amount (IA)*. The posting obligation of a Chargor in respect of any amount that constitutes a Margin Amount (IA) under any Other CSA, other than such obligations of a Chargor under this Deed, shall be reduced to zero.⁴

Paragraph 4. Conditions Precedent, Transfers, Timing, Calculations and Substitutions

(a) *Conditions Precedent*. Unless otherwise specified in Paragraph 13, each obligation of the Chargor to make a transfer under Paragraphs 3 and 5 and of the Secured Party to instruct the Custodian (IM) to make a transfer under Paragraphs 3, 4(e)(iii), 5 and the provisions of Paragraph 13 relating to the return of Posted Credit Support (IM) with a Value of zero is subject to the conditions precedent that:

(i) no Event of Default, Potential Event of Default or Specified Condition has occurred and is continuing with respect to the other party; and

(ii) no Early Termination Date has occurred or been designated for which any unsatisfied payment obligations (whether present, actual, future or contingent) exist which is in respect of all Covered Transactions (IM).

(b) *Means of Transfer*. All transfers under this Deed of any Eligible Credit Support (IM) or Posted Credit Support (IM) shall be made in accordance with the instructions of the Secured Party, Chargor or Custodian (IM), as applicable, and shall be made:

(i) in the case of Eligible Credit Support (IM), (A) by book-entry, wire or other transfer of such Eligible Credit Support (IM) to the Custodian (IM) (accompanied in the case of certificated securities that cannot be paid or delivered by book-entry by any duly executed instruments of transfer, assignments in blank, transfer tax stamps or any other documents necessary to permit the Custodian (IM) to make legally valid transfers of such certificated securities upon instruction of the Secured Party) and (B) the Custodian (IM)'s crediting such assets to the relevant Segregated Account; and

(ii) in the case of Posted Credit Support (IM), by book-entry, wire or other transfer of such Posted Credit Support (IM) by the Custodian (IM) (or in the case of excess proceeds, the Secured Party) to the relevant cash, securities or other account of the Chargor (with the same Custodian (IM) or elsewhere) identified by the Chargor for the receipt of such transfer (accompanied in the case of certificated securities that cannot be paid or delivered by book-entry by any duly executed instruments of transfer, assignments in

³ Parties should (i) ensure that any relevant formalities required to amend any Other CSA are complied with and (ii) consider the impact of these amendments on any Other CSA, including, but not limited to, in respect of any security interest granted thereunder.

⁴ See footnote 3.

blank, transfer tax stamps or any other documents necessary to permit the Chargor to make legally valid transfers of such certificated securities without further action of the Custodian (IM)).

(c) **Transfer Timing.** Subject to Paragraph 4(a) above (if applicable) and Paragraph 5 and unless otherwise specified in Paragraph 13, if a demand for the transfer of Eligible Credit Support (IM) is made by the Notification Time, then the relevant transfer by the Chargor will be made not later than the close of business on the relevant Regular Settlement Day; if a demand is made after the Notification Time, then the relevant transfer by the Chargor will be made not later than the close of business on the next Local Business Day following the relevant Regular Settlement Day.

Subject to Paragraph 4(a) above (if applicable) and Paragraph 5 and unless otherwise specified in Paragraph 13, if a demand for the transfer of Posted Credit Support (IM) is made by the Notification Time, then the relevant instruction by the Secured Party to the Custodian (IM) will be served prior to the latest time by which instructions must be submitted to the Custodian (IM) under the relevant Control Agreement in order for the Custodian (IM) to effect the transfer of Posted Credit Support (IM) by close of business on the relevant Regular Settlement Day; if a demand is made after the Notification Time, then the relevant instruction by the Secured Party to the Custodian (IM) will be served not later than the latest time (and day) by which instructions must be submitted to the Custodian (IM) under the relevant Control Agreement in order for the Custodian (IM) to effect the transfer of Posted Credit Support (IM) by close of business on the next Local Business Day following the relevant Regular Settlement Day.

(d) **Calculations.** All calculations of Value and Credit Support Amount (IM) for purposes of Paragraph 3 in respect of a Calculation Date (IM) will be made by the Calculation Agent (IM) as of the Calculation Time (IM) on such Calculation Date (IM). In the case of any calculation of Value, the Calculation Agent (IM) may use Values most recently reasonably available for close of business in the relevant market for the relevant Eligible Credit Support (IM) as of the relevant Calculation Time (IM). In the case of any calculation of Credit Support Amount (IM), the Calculation Agent (IM) may use relevant information or data (including, but not limited to, inputs for any applicable model specified in Paragraph 13 to determine Margin Amount (IM) for certain Covered Transactions (IM)) most recently reasonably available for close of business in the relevant market(s) as of the Calculation Time (IM). The Calculation Agent (IM) will notify each party (or the other party, if the Calculation Agent (IM) is a party) of its calculations not later than the Notification Time on the Local Business Day following the applicable Calculation Date (IM).

(e) **Substitutions.**

(i) The Chargor may on any Local Business Day by notice (a “**Substitution Notice**”) inform the Secured Party that it wishes to transfer to the Segregated Accounts Eligible Credit Support (IM) (the “**Substitute Credit Support (IM)**”) specified in that Substitution Notice in substitution for certain Posted Credit Support (IM) (the “**Original Credit Support (IM)**”) specified in the Substitution Notice.

(ii) Unless Paragraph 13 specifies that no consent is required, the Chargor must obtain the Secured Party’s consent to the proposed substitution. The Chargor will be obliged to transfer the Substitute Credit Support (IM) to the Segregated Accounts on the next Local Business Day following the date:

(A) on which the Chargor receives notice (which may be oral telephonic notice) from the Secured Party of its consent (if consent is needed); or

(B) of the Substitution Notice (if no consent is needed).

(iii) Subject to Paragraph 4(a) above (if applicable), following the date on which the Substitute Credit Support (IM) is transferred to the Segregated Accounts, unless otherwise specified in Paragraph 13 (the “**Substitution Date**”), the Secured Party will be obliged to instruct the Custodian (IM) to transfer to the Chargor the Original Credit Support (IM) as if a demand for such Original Credit Support (IM) had been made pursuant to Paragraph 3(b) after the Notification Time on such Substitution Date; *provided* that the Secured Party will only be obliged to instruct the Custodian (IM) to transfer Original Credit Support (IM) with a Value as of the date of transfer as close as practicable to, but in any event not more than, the Value of the Substitute Credit Support (IM) as of that date, as calculated by the Calculation Agent (IM).

Paragraph 5. Dispute Resolution

(a) **Disputed Calculations or Valuations.** If a party (a “*Disputing Party*”) disputes (I) the Calculation Agent (IM)’s calculation of a Delivery Amount (IM) or a Return Amount (IM) or (II) the Value of any transfer of Eligible Credit Support (IM) or Posted Credit Support (IM), then:

(i) the Disputing Party will notify the other party and the Calculation Agent (IM) (if the Calculation Agent (IM) is not the other party) not later than the close of business on (x) the date that the transfer is due in respect of such Delivery Amount (IM) or Return Amount (IM) in the case of (I) above, or (y) the Local Business Day following the date of transfer in the case of (II) above;

(ii) subject to Paragraph 4(a) (if applicable), in the case of (I) above, the appropriate party will transfer the undisputed amount to the other party not later than the close of business on the date that the transfer is due in respect of such Delivery Amount (IM) or Return Amount (IM);

(iii) the parties will consult with each other in an attempt to resolve the dispute; and

(iv) if they fail to resolve the dispute by the Resolution Time, then:

(A) in the case of a dispute involving a Delivery Amount (IM) or Return Amount (IM), the Calculation Agent (IM) will recalculate the Credit Support Amount (IM) and Value as of the Recalculation Date by using the procedures specified in Paragraph 13 for calculating the Credit Support Amount (IM), and for calculating the Value, if disputed, of Posted Credit Support (IM); and

(B) in the case of a dispute involving the Value of any transfer of Eligible Credit Support (IM) or Posted Credit Support (IM), the Calculation Agent (IM) will recalculate the Value as of the date of transfer pursuant to Paragraph 13.

Following a recalculation pursuant to this Paragraph 5, the Calculation Agent (IM) will notify each party (or the other party, if the Calculation Agent (IM) is a party) not later than the Notification Time on the Local Business Day following the Resolution Time. The appropriate party will, upon demand following that notice by the Calculation Agent (IM) or a resolution pursuant to Paragraph 5(a)(iii) above and subject to Paragraphs 4(a) (if applicable) and 4(c), make the appropriate transfer.

(b) **No Event of Default.** The failure by a party to make a transfer of any amount which is the subject of a dispute to which Paragraph 5(a) above applies will not constitute an Event of Default for as long as the procedures set out in this Paragraph 5 (as supplemented by the provisions of Paragraph 13) are being carried out (but without prejudice to a party’s obligation to transfer the undisputed amount under Paragraph 5(a)(ii) above). For the avoidance of doubt, upon completion of those procedures, Section 5(a)(iii)(1) of the Agreement will apply to any failure by a party to make a transfer required under the final sentence of Paragraph 5(a) on the relevant due date (subject to Paragraph 7).

Paragraph 6. Custody Arrangements and the Control Agreement

(a) **General.** The Custodian (IM) appointed with respect to each party as Chargor is set out in Paragraph 13. Each party as the Chargor and the other party as the Secured Party and the relevant Custodian (IM) have entered, or will, on or before the first day amounts are required to be transferred hereunder, enter into the Control Agreement regulating the rights of each party to serve instructions on the Custodian (IM). Prior to the enforcement of its rights under Paragraph 8, the Secured Party will have no right to hold (other than in accordance with Paragraph 1(b) or as otherwise agreed between the parties) and have no duty with respect to Posted Credit Support (IM), including, without limitation, any duty to collect any Distributions, or enforce or preserve any rights pertaining to the Posted Credit Support (IM).

(b) **Custodian (IM) Risk.** Unless otherwise specified in Paragraph 13 with respect to a party as the Secured Party and the other party as the Chargor:

(i) the Chargor will be liable for the acts or omissions of the Custodian (IM) to the same extent that the Chargor would be liable hereunder for its own acts or omissions and any such act or omission of the Custodian (IM) will be deemed to be the act or omission of the Chargor for purposes of Paragraph 7

unless Custodian Event is specified as applicable in Paragraph 13, in which case, the consequences of any act or omission of the Custodian (IM) that constitutes a Custodian Event will be as set out in the “*Custodian Event*” provisions in Paragraph 13;

(ii) the Secured Party will not be liable for the acts or omissions of the Custodian (IM); and

(iii) any obligation of the Secured Party to instruct the Custodian (IM) to transfer Posted Credit Support (IM) to the Chargor will be deemed satisfied by the Secured Party’s sending appropriate instructions to the Custodian (IM) in accordance with the terms of the Control Agreement. For the avoidance of doubt, the Secured Party will bear no liability for the failure of:

(A) the Custodian (IM) to comply with such instructions; or

(B) the Chargor to provide matched instructions with the Secured Party to the extent required under the Control Agreement in order to give effect to such a transfer of Posted Credit Support (IM) by the Custodian (IM),

and a failure to transfer Posted Credit Support (IM) to the Chargor under this Deed caused by either (A) or (B) above will not constitute an Event of Default with respect to the Secured Party.

(c) ***No Use of Posted Credit Support (IM).*** Without limiting the rights of the Secured Party under the other provisions of this Deed, the Secured Party will have no right to:

(i) sell, pledge, rehypothecate, assign, invest, use, commingle or otherwise dispose of, or otherwise use in its business any Posted Credit Support (IM); or

(ii) register any Posted Credit Support (IM) in the name of the Secured Party, its custodian or a nominee for either.

(d) ***No Offset.*** For the avoidance of doubt, no delivery or return of any margin under any Other CSA will be offset against (or netted with) any Delivery Amount (IM) or Return Amount (IM).

(e) ***Distributions and Interest Amount.*** Except as otherwise provided in this Deed, the Secured Party will have no obligation hereunder to pay or to transfer to the Chargor any amount of interest in respect of any Posted Credit Support (IM) in the form of Cash or any Distributions in respect of Posted Credit Support (IM).

Paragraph 7. Default

For the purposes of Section 5(a)(iii)(1) of the Agreement, an Event of Default will exist with respect to a party if:

(i) as Chargor, that party fails to make, when due, any transfer of Eligible Credit Support (IM), required to be made by the Chargor and that failure continues for two Local Business Days after notice of that failure is given to that party;

(ii) as Secured Party, that party fails to instruct the Custodian (IM) before the relevant time to transfer Posted Credit Support (IM) in order to comply with its obligations hereunder and that failure continues for two Local Business Days after notice of that failure is given to that party; or

(iii) that party fails to comply with or perform any agreement or obligation other than those specified in Paragraphs 7(i) and 7(ii) above and that failure continues for 30 days after notice of that failure is given to that party,

provided that, if Custodian Event is specified as applicable in Paragraph 13, any event or circumstance that constitutes or gives rise to a Custodian Event will not constitute or give rise to such Event of Default.

Paragraph 8. Certain Rights and Remedies

(a) Secured Party's Rights and Remedies.

(i) General.

(A) For the purposes of all powers implied by statute, the Obligations are deemed to have become due and payable on the date of this Deed.

(B) Section 103 (restricting the power of sale) and section 93 (restricting the right of consolidation) of the Act shall not apply to this Deed.

(ii) **Secured Party's Rights.** If at any time a Secured Party Rights Event has occurred and is continuing, then, unless the Chargor has paid in full all of its Obligations, the Secured Party shall, without prior notice to the Chargor, be entitled to put into force and to exercise immediately or as and when it may see fit any and every power possessed by the Secured Party by virtue of this Deed or available to a secured creditor and in particular (but without limitation) the Secured Party shall have power in respect of Posted Credit Support (IM):

(A) to sell all or any of the Posted Credit Support (IM) (other than Posted Credit Support (IM) in the form of cash) in any manner permitted by law upon such terms as the Secured Party shall in its absolute discretion determine;

(B) to apply all or any of the Posted Credit Support (IM) in the form of cash in or towards the payment or discharge of any amounts payable by the Chargor with respect to any Obligation in such order as the Secured Party sees fit;

(C) to the extent that the assets charged under this Deed constitute "financial collateral" and this Deed and the obligations of the Chargor under this Deed constitute a "security financial collateral arrangement" (in each case for the purpose of and as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003) (the "**Regulations**"), to appropriate all or any part of that financial collateral in or towards the satisfaction of the Obligations in such order as the Secured Party sees fit; and

(D) to collect, recover or compromise and to give a good discharge for any moneys payable to the Chargor in respect of any of the Posted Credit Support (IM);

and for the purposes of this Paragraph 8(a) the Secured Party shall be entitled to make any currency conversions or effect any transaction in currencies which it thinks fit, and to do so at such times and rates as it thinks proper.

(iii) **Power of Attorney.** The Chargor, by way of security and solely for the purpose of more fully securing the performance of the Obligations, irrevocably appoints the Secured Party the attorney of the Chargor on its behalf and in the name of the Chargor or the Secured Party (as the attorney may decide) to do all acts, and execute all documents which the Chargor could itself execute, in relation to any of the Posted Credit Support (IM) or in connection with any of the matters provided for in this Deed, including (but without limitation):

(A) to execute any transfer, bill of sale or other assurance in respect of the Posted Credit Support (IM);

This interest will be calculated on the basis of daily compounding and the actual number of days elapsed.

(b) **Further Assurances.** Promptly following a demand made by a party, the other party will execute, deliver, file and record any financing statement, specific assignment or other document, and take any other action that may be necessary or desirable and reasonably requested by that party to create, preserve, perfect or validate any security interest granted under Paragraph 2, to enable that party to exercise or enforce its rights under this Deed with respect to Posted Credit Support (IM) or to effect or document a release of a security interest on Posted Credit Support (IM).

General Principles.

Unless otherwise specified or agreed between the parties, the following principles (the “*General Principles*”) will apply for the purposes of this Deed and the provisions of this Deed shall be construed accordingly:

- (aa) One Way Provisions: One Way Provisions are Not Applicable.
- (bb) in respect of a Chargor and its obligations to post Margin Amount (IM) hereunder, any reference to the term “*Regime*” or “*Regimes*” in this Deed is to all Regimes that are specified as applicable in the Regime Table to the other party as the Secured Party; *provided* that each such Regime will, subject to sub-paragraph (cc) below, be included only from the date that the applicable law requires the relevant Secured Party to collect and/or, if applicable, such Chargor to post initial margin under such Regime (and only for as long as it does so);
- (cc) for the purposes of sub-paragraph (bb) above, where one or more Regimes are considered to be the substitute for compliance with one or more other Regimes for the purposes of a posting obligation hereunder, all such Regime(s) will nevertheless continue to be applicable absent agreement in writing between the parties to the contrary;
- (dd) the parties acknowledge that the Chargor may nevertheless be obliged to post to the Secured Party under a regulatory regime which is not specified as a Regime with respect to the Secured Party in the Regime Table. In the event that the Chargor determines that such regulatory regime requires the Chargor to post an additional amount to the Secured Party, the Chargor may request that the Secured Party accept such additional amount and the Secured Party will use reasonable endeavours to accommodate such request;
- (ee) subject to sub-paragraph (ff) below, ISDA SIMM™ is the specified “*Method*” for all Covered Transactions (IM) with respect to all Regimes (irrespective of asset class or, as applicable, category applicable to a Transaction under the relevant Regime), whereby:
 - (1) ISDA SIMM™ will refer to the version of ISDA SIMM™ applicable to the relevant Secured Party unless otherwise specified here: Not specified;
 - (2) the margin period of risk will be as provided for in such version of ISDA SIMM™; and

(iii) **Custodian Event.** If specified as applicable here, has the meaning specified below: Custodian Event is Applicable.

“Custodian Event” means, with respect to the Chargor and its posting obligation hereunder: (1) any failure of the Chargor's Custodian (IM) to comply with instructions sent by the Chargor in accordance with the Control Agreement to effect any transfer obligation of the Chargor in accordance with this Deed (other than any such failure caused solely by the action or inaction of the Chargor); (2) the Chargor's Custodian

(IM) ceases to comply with or perform, or is otherwise unable to comply with or perform, any agreement or obligation to be complied with or performed by it in accordance with the Control Agreement; (3) notice by the Chargor's Custodian (IM) is given to terminate the Control Agreement or the Control Agreement expires or terminates, whether in accordance with the terms thereof or otherwise; (4) the Chargor's Custodian (IM) disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of the Control Agreement; or (5) the Chargor's Custodian (IM) makes a unilateral amendment to the terms of the Control Agreement or its status otherwise changes, in either case resulting in either of the parties ceasing to be in compliance with their regulatory obligations as determined by such party acting in good faith and in a commercially reasonable manner.

If a Custodian Event has occurred and is continuing after the CE End Date, it will constitute an Additional Termination Event under the Agreement and for purposes of such Additional Termination Event:

- (A) each Covered Transaction (IM) will be an Affected Transaction; and
- (B) both the Chargor and the Secured Party will be the Affected Parties.

For as long as the Custodian Event is continuing but on or prior to the relevant CE End Date, the Chargor will attempt to identify a replacement custodian which is reasonably acceptable to the Secured Party and the parties agree to use reasonable endeavours to negotiate in good faith a successor control agreement with a replacement custodian and implement such amendments to the terms of this Deed as are reasonably necessary.

"*CE End Date*" means, in relation to a Custodian Event, the earlier to occur of:

(A)(1) other than in the case of a Custodian Event with respect to limb (3) of the definition of Custodian Event (a "*Custodian Resignation Event*"), the day falling 90 calendar days after the occurrence of such event;

(2) in the case of a Custodian Resignation Event where advance notice is given in accordance with the Control Agreement, the later of:

(x) the date the notice is given; and

(y) the 28th calendar day to fall prior to the date on which the Control Agreement will terminate in accordance with its terms with respect to such notice (such date of termination under the Control Agreement being the "*Release Date*");

provided that, if:

- (I) an Early Termination Date has been designated as a result of a Custodian Resignation Event; and
- (II) only one party has effectively provided a statement (the "*Timely Statement*") to the other party pursuant to Section 6(d) of the Agreement on the later of (a) the date falling 18 calendar days prior to the Release Date and (b) the 2nd Local Business Day after the date on which notification of such Timely Statement to the other party is effective,

then, notwithstanding the provisions of Section 6(e)(ii)(2) (*Two Affected Parties*) of the Agreement, the amount payable under Section 6(e) shall be determined and be payable solely on the basis of the Timely Statement (as if, for all purposes, the party which has provided the Timely Statement were the party which is not the Affected Party and the other party were the sole Affected Party); or

(3) in case of a Custodian Resignation Event where there is no advance notice in accordance with the Control Agreement, the date the Control Agreement expires or terminates; and

(B) effective delivery of a written notice by a party that a Regulatory Event has occurred with respect to such party in respect of such Custodian Event (specifying in reasonable detail in such notice the nature of such Regulatory Event).

If Custodian Event is applicable, any event or circumstance that constitutes or gives rise to a Custodian Event will not constitute or give rise to an Event of Default under Section 5(a)(iii).

“**Regulatory Event**” means, in respect of a party and a Custodian Event, that:

(A) such party has received notice in writing from the relevant governmental or regulatory authority with proper jurisdiction that it has ceased or will cease to comply with its regulatory obligations under any Regime; or

(B) a relevant governmental or regulatory authority with proper jurisdiction has made a public statement to the effect of (A),

in each case, as a result of the occurrence of such Custodian Event.

(iv) ***The Control Agreement as a Credit Support Document.***

(A) With respect to Party A acting in its capacity as the Chargor and Party B acting in its capacity as the Secured Party: the Control Agreement is not a Credit Support Document.

(B) With respect to Party B acting in its capacity as the Chargor and Party A acting in its capacity as the Secured Party: the Control Agreement is not a Credit Support Document.

(v) ***Inconsistency with the Control Agreement.*** Unless “***Inconsistency with the Control Agreement***” is specified as not applicable here with respect to a party as the Chargor, with respect to such party as the Chargor, in the event of any inconsistency between this Deed and the Control Agreement, this Deed will prevail over the Control Agreement:

(A) With respect to Party A acting in its capacity as the Chargor and Party B acting in its capacity as the Secured Party: Inconsistency with the Control Agreement is Applicable.

(B) With respect to Party B acting in its capacity as the Chargor and Party A acting in its capacity as the Secured Party: Inconsistency with the Control Agreement is Applicable.

(vi) ***Relationship with the Control Agreement.***

Unless this provision is specified as not applicable below with respect to a party as the Chargor, the parties recognise that the Control Agreement is a means by which the parties can perform their obligations or, as applicable, exercise their rights hereunder and in furtherance thereof agree to the following:

(A) each of the Chargor and the Secured Party consent to any substitutions of Posted Credit Support (IM) for replacement Eligible Credit Support (IM) (or other assets) that are made by the Chargor and/or the Custodian (IM) in accordance with the terms of the Control Agreement (without prejudice to the subsequent application of the Ineligible Credit Support (IM) provisions);

(B) notwithstanding differences in methodology or timing, if the Custodian (IM) determines a Value (or any component thereof) and/or Base Currency Equivalent pursuant to the terms of the Control Agreement then such Value and/or Base Currency Equivalent so determined will be used for all purposes in this Deed (other than Paragraph 8) (and the Calculation Agent (IM) will not be obliged to make such determination); *provided* that, where an item has a Value of zero by virtue of an Ineligibility Notice, it will do so for the purposes of this Deed irrespective of the Custodian (IM) Value;

(C) the Secured Party and the Chargor will not be required to serve demands under Paragraph 3(a) or (b), respectively, if such demands are effectively made under the terms of the Control Agreement (and to the extent that both parties are required (or entitled) under the Control Agreement to convey instructions to the Custodian

(IM) which reflect the calculations hereunder, each party agrees to convey such instructions in good faith and in a commercially reasonable manner);

(D) the parties will give such instructions contemplated by the Control Agreement to the Custodian (IM) as may be necessary in order for obligations hereunder to be performed or rights hereunder to be exercised (or exercisable) by a party, and where applicable, no later than the Notification Time. For the avoidance of doubt, the Secured Party will bear no liability for any failure of the Custodian (IM) to effect the transfer of any Return Amount (IM) if the Secured Party has sent the appropriate instructions (if any are required);

(E) the Secured Party's obligations under Paragraph 8(b)(ii) or the operation of the Delivery in Lieu Right (if applicable) is without prejudice to any delay or contest period expressly specified in the Control Agreement that applies in such circumstances; and

(F) to the extent that either the Secured Party or the Chargor (each an "*Indemnifying Party*") is required to pay an amount (the "*Clawback Amount*") to the Custodian (IM) under Article IV(1)(c) of the Control Agreement then, to the extent that such Losses (as such term is defined in the Control Agreement) have arisen directly from the negligence or wilful default of the other Indemnifying Party (the "*At-fault Party*"), the At-fault Party shall reimburse the Clawback Amount to the Indemnifying Party upon demand.

For purposes of this Paragraph 13(m)(vi), "*Relationship with the Control Agreement*" is applicable with respect to a party as the Chargor, unless otherwise specified here:

If Collateral Access Breach is applicable and a Collateral Access Breach has occurred and is continuing after the CAB End Date, it will constitute an Additional Termination Event and for purposes of such Additional Termination Event:

(A) each Transaction will be an Affected Transaction; and

(B) the Breaching Party will be the sole Affected Party.

"*CAB End Date*" means the second Local Business Day following the date on which the related Collateral Access Breach occurs.

If Collateral Access Breach is applicable, any event or circumstance that constitutes or gives rise to a Collateral Access Breach will not constitute or give rise to an Event of Default under Section 5(a)(iii) of the Agreement.

(n) *Additional information relating to Regulatory Compliance and Concentration Limits*. If specified as applicable here, each party will as soon as reasonably practicable following a request by the other party provide such information as to its classification and/or status relating to collateral eligibility requirements under law applicable to such other party requiring the collection and/or posting of initial margin (including, without limitation, and by way of example, whether it is an institution identified as a "G-SII" or "O-SII"
