### 1. INTRODUCTION

### introduction

This report has been prepared to provide members and creditors with an update on the progress of the Liquidation of the Company since the Joint Liquidators' appointment on 23 November 2017.

A schedule of statutory information in respect of the Company is attached at Appendix 1.

### Details of the appointment of the Joint Liquidators

Simon Campbell and Carl Jackson of Quantuma LLP were appointed Joint Liquidators of the Company on 23 November 2017.

The Joint Liquidators confirm that they are authorised to carry out all functions, duties and powers by either one or both of them.

### 2. THE PROGRESS OF THE LIQUIDATION

### The Joint Liquidators' receipts and payments account

Attached at Appendix 2 is a receipts and payments account covering the Review Period.

The rest of this report describes the key developments in the Liquidation over the Review Period.

The Joint Liquidators have summarised the main asset realisations during the Review Period and an estimation of those assets yet to be realised, together with details of costs incurred but as yet remaining unpaid.

### **VAT Basis**

Receipts and payments are shown net of VAT, with any amount due from HM Revenue and Customs shown separately.

### **Administrative, Statutory & Regulatory Tasks**

The Joint Liquidators have met a considerable number of statutory and regulatory obligations. Whilst many of these tasks have not had a direct benefit in enhancing realisations for the insolvent estate, they have assisted in the efficient and compliant progressing of the Liquidation, which has ensured that the Joint Liquidators and their staff have carried out their work to high professional standards.

During the Review Period, primarily these tasks have included:

- Informing all relevant persons of the commencement of the Liquidation, including filing statutory documents at Companies House and meeting statutory advertising requirements;
- Drafting and issuing the progress report to creditors;
- Consulting with and instructing staff and independent advisers as regards practical, technical and legal aspects of the case to ensure efficient progress;
- Maintaining electronic case files, which must include records to show and explain the Liquidation and any decisions made by the Joint Liquidators that materially affect the Liquidation;
- Monitoring and maintaining an adequate statutory bond;
- Conducting periodic case reviews to ensure that the Liquidation is progressing efficiently, effectively and in line with the statutory requirements;
- Maintaining and updating the estate cash book and bank accounts, including regular bank reconciliations and processing receipts and payments, and

- Completing periodic tax returns.
- Preparing a report on the conduct of the directors as required by the Company Directors
  Disqualification Act.

### Realisation of assets

### Sale of assets to a connected party

As previously advised the business and assets of the Company were transferred to a Company controlled by a family member of the Director, Shuroo Enterprise Limited, prior to the appointment of the Joint Liquidators.

Shortly after their appointment, the Joint Liquidators instructed Proudley Associates Limited, who are professional independent agents with adequate professional indemnity insurance, to provide a valuation of the Company's furniture and equipment and goodwill.

Following the receipt of the valuation, an agreement was reached with Shuroo Enterprise Limited that payment would be made for the furniture and equipment and goodwill of the Company totalling £5,000 plus VAT. The Joint Liquidators confirm that payment has been received in full

### Stock

There was no residual stock at the date of liquidation.

### Cash at Bank

£11,815 was realised in respect of Cash at Bank.

### **Gross Bank Interest**

Gross bank interest of 0.45p has been received during the review period.

### Estimated future realisations

No further realisations are anticipated.

### **Payments**

### **Petitioners Costs**

Prior to the Joint Liquidators' appointment, HM Revenue & Customs ("HMRC") issued a winding-up petition against the Company. The initial hearing on 13 November 2017 was adjourned until 27 November 2017 at which time the petition was dismissed due to the Company having entered Creditors Voluntary Liquidation. HMRC's petition costs in the sum of £920 were paid as an expense of the liquidation.

### Legal fees

Enterprise Chambers arranged for a Barrister to attend the original and adjourned winding up hearing and their costs of £840 were paid as an expense of the liquidation.

### Costs incurred but remaining unpaid

During the Review Period, the Joint Liquidators have also incurred timecosts and category 2 disbursements, not all of which have yet been discharged. Further details of these costs are set out below.

### **3 CREDITORS: CLAIMS AND DISTRIBUTIONS**

### Secured creditors

An examination of the Company's mortgage register held by the Registrar of Companies, showed that the Company had no current charges over its assets.

### **Preferential creditors**

As previously advised, there are no known preferential creditors in this matter as all employees were paid up to date and were transferred to Shuroo Enterprise Limited.

### Prescribed Part

Under Section 176A of the Insolvency Act 1986, where after 15 September 2003 a company has granted to a creditor a floating charge, a proportion of the net property of the company must be made available purely for the unsecured creditors. This equates to:

- 50% of net property up to £10,000;
- Plus, 20% of net property in excess of £10,000.
- Subject to a maximum of £600,000.

The Company has not granted a floating charge to any creditor after 15 September 2003 and consequently there will be no prescribed part in this Liquidation.

### **Unsecured creditors**

Unsecured claims were estimated at £190,209 in the Director's Estimated Statement of Affairs and, to date, three claims have been received totalling £263,334.

It is not anticipated that a dividend will be paid to unsecured creditors.

### **Notice of No Dividend**

In accordance with Rule 14.36 and Rule 14.37 the Joint Liquidators confirm that no dividend will be distributed as the funds realised have already been distributed or used or allocated for defraying the expenses of the Liquidation

### 4. OTHER MATTERS AND INFORMATION TO ASSIST CREDITORS

### Investigations

During the Review Period, the Joint Liquidators carried out an initial review of the Company's affairs in the period prior to appointment. This included seeking information and explanations from the director; making enquiries of the Company's accountants; reviewing information received from creditors; and collecting and examining the Company's bank statements, accounts and other available records.

The information gleaned from this process enabled the Joint Liquidators to meet their statutory duty to submit a confidential report on the conduct of the director to the Insolvency Service.

This work was also carried out with the objective of making an initial assessment of whether there were any matters that may lead to any recoveries for the benefit of creditors. This would typically include any potential claims which may be brought against parties either connected to or who have past dealings with the Company.

This initial assessment has been completed and the Joint Liquidators did not identify any further assets or actions which might lead to a recovery for creditors.

As advised at the outset, in October 2015, HM Revenue and Customs ("HMRC") visited the Company to carryout a test cash purchase followed by an unannounced visit by inspectors in November 2015. Following the visit, several discrepancies were noted including:

- Omitted sales
- · A higher than expected percentage of card sales
- · Higher sales declared on the days of the officers' visits

Despite this being disputed by the director, HMRC concluded that the Company had suppressed their sales resulting in a VAT payable of £28,096.

The Company had other liabilities to HMRC including outstanding corporation tax for the years ending 2012 through to 2016 and HMRC's claim in the liquidation totals £240,788. The Insolvency Service are continuing their investigations into the director's conduct surrounding the unpaid tax.

### Pre-Appointment transactions with connected parties

In accordance with the guidance given in SIP13, details of the Company's transactions with connected parties during the two years prior to the (Joint) Liquidator('s/s') appointment, which have recently come to (his/her/their) attention, are provided below:

- The business and chattel assets of the Company was transferred to Shuroo Enterprise Limited, a
  company controlled by a family member of the director, prior to the Joint Liquidators' appointment for
  no consideration. As mentioned above the assets were valued by Proudley Associates Limited and
  payment of £5,000 plus VAT has now been received.
- As far as the Joint Liquidators' are aware, the purchaser was not independently advised

The Joint Liquidators have reviewed these transactions and are content that the agreed consideration outlined above represents fair value for these assets.

### EU Regulations (Whether Proceedings Are Main Proceedings or Territorial)

The Company's centre of main interest was in the UK as their registered office address and trading address was at 37 Estcourt Road, Salisbury, Wiltshire, SP1 3AS and therefore it is considered that the EU Regulations apply. These proceedings are main proceedings as defined in the EU Regulation.

### **Pre-Appointment Costs**

The creditors authorised the fee of £2,000 plus VAT plus disbursements in respect of the convening of the meeting and the production of the information for creditors and £2,000 plus VAT plus disbursements for the preparation of the statement of affairs on 15 December 2017.

The fee was paid from first realisations on appointment and is shown in the enclosed receipts and payments account.

### Joint Liquidators' Remuneration

The basis of the Joint Liquidators' fees were fixed on 15 December 2017 by the by postal resolutions considered and approved by creditors on the same date as follows:

1. That the basis of the Joint Liquidators' fees be fixed by reference to the time properly given by the Joint Liquidators and their staff in attending to matters as set out in the fees estimate, such time to be charged at the prevailing standard hourly charge out rates used by Quantuma LLP at the time when the work is performed.

In accordance with the fees estimated previously circulated to creditors, total fees are not to exceed £8,559.25.

In accordance with this resolution, fees totalling £7,429.50 plus VAT have been drawn during the review period.

We believe this case generally to be of average complexity and no extraordinary responsibility has to date fallen upon us as Joint Liquidators.

### Comparison of estimates

The Joint Liquidators' time costs incurred to date (whether or not they have been charged to the Liquidation estate) are compared with the original fees estimate and the actual time costs incurred to date. The fee estimate covered the whole liquidation period.

For a detailed schedule of work undertaken by the Joint Liquidators during the Review Period, see **Appendix** 3 A detailed narrative list of the work undertaken during the Review Period is provided at **Appendix 4**.

The bases on which the expenses defined as Category 2 disbursements are calculated are explained in Quantuma LLP's current schedule of charge-out rates and chargeable disbursements referred to above. Creditors approved the payment of Category 2 disbursements on these bases on 15 December 2017.

Having regard for the costs that are likely to be incurred in bringing this Liquidation to a close, the Joint Liquidators consider that:

- the original fees estimate has been exceeded; and
- the original expenses estimate is unlikely to be exceeded.

The main reason why the fees estimate has been exceeded is that it has taken longer than anticipated to conclude the investigation issues and assist The Insolvency Service with their enquiries. The Joint Liquidators have incurred additional costs over the original estimate complying with their internal case review policy, maintaining their case files, reporting to creditors and filing statutory returns and cashiering obligations.

Since the Joint Liquidators' time costs have exceeded the original fees estimate, the Joint Liquidators are seeking authority from the creditors for an increase in their fees estimate and attach formal notice of a vote by correspondence at **Appendix 5**. Details of the additional work that the Joint Liquidators will be undertaking are contained in the attached revised fees estimate at **Appendix 6**, but in summary they are:

- Seeking closure clearance from The Insolvency Service,
- Seeking the relevant tax clearances from HMRC;
- The closure of the liquidation.

The Joint Liquidators estimate that total time costs that they will incur in undertaking the tasks outlined above and in the revised fee estimate which includes all of the above to enable the case to be brought to a conclusion will be £10,823.30 plus VAT. If the attached revised fee estimate is approved, the Joint Liquidators do not anticipate having to obtain approval for a further increase in their fees estimate.

### Other professional costs

### **Agents & Valuers**

Proudley Associates Limited were instructed as agents and valuers to provide a valuation of the Company's chattel assets and goodwill. Their costs have been agreed on the basis of a fixed valuation fee of £650 plus VAT which has been paid in full.

All professional costs are reviewed and analysed before payment is approved.

### Creditors' right to request information

Any secured creditor, or unsecured creditor with the support of at least 5% in value of the unsecured creditors or with permission of the Court, may request in writing the Joint Liquidators to provide additional information regarding remuneration or expenses to that already supplied within this report. Such requests must be made within 21 days of receipt of this report.

### Creditors' right to challenge remuneration and/or expenses

Any secured creditor, or unsecured creditor with the support of at least 10% in value of the unsecured creditors or with permission of the Court, may apply to the Court for one or more orders, reducing the amount or the basis of remuneration which the Joint Liquidators are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within 8 weeks of receipt by the applicant(s) of the progress report detailing the remuneration and/or expenses being complained of.

Please note that such challenges may not disturb remuneration or expenses disclosed in prior progress reports.

### **Future of the Liquidation**

The attached notice of decision procedure invites creditors to vote on the proposed decision in relation to the Joint Liquidators' revised fees estimate by 11.59pm on 1 February 2019 Following this date, the Joint

Liquidators will seek the relevant closure clearances and once these are received, they will seek their release from office by issuing their final account to members and creditors.

Should you have any queries in regard to any of the above please do not hesitate to contact Nicola Lyle on 023 8082 1864 or by e-mail at Nicola.Lyle@Quantuma.com.
