1. Progress of the Administration

Work undertaken during the period

I attach at **Appendix C** a schedule of work undertaken during the Period together with a summary of work still to be completed.

During the Period our solicitors have continued to be involved in protracted litigation to try and finalise the debtor collections, pursue a disputed debt and to investigate as to whether there are any potential actions that can be taken against the main customer.

During the Period an application was filed in Court in order to seek the release of funds that are held with the Bank. These are surplus funds that have arisen from the operation of the invoice discounting facility with LBCF. Correspondence with the Bank has been ongoing since the appointment of the Joint Administrators.

To date the Bank has declined to remit these monies to the estate due to a competing claim from the main customer that these funds are held on trust and do not form part of the administration.

The Joint Administrators were left with no choice but to make the application to Court.

At an initial hearing in September 2019, solicitors acting for the customer requested a further hearing for directions for evidence coupled with time to file witness statements as part of their defence. We are currently waiting for a new hearing date to be listed shortly. In the meantime, additional evidence provided will be reviewed by our solicitors and responded to accordingly.

Attached at **Appendix E** is a receipts and payments account detailing both transactions for the period of this report and also cumulatively since my appointment as Administrator.

Investigations

Part of my duties include carrying out proportionate investigations into what assets the Company has, including any potential claims against directors or other parties, and what recoveries could be made. I have reviewed the Company's books and records and accounting information, requested further information from the directors, and invited creditors to provide information on any concerns they have regarding the way in which the Company's business has been conducted.

Further details of the conduct of my investigations are set out in the schedule of work attached. I can confirm that no further investigations or actions were required.

Extension to the initial period of appointment

To avoid the automatic termination of the administration on the third anniversary, the period of administration was extended with an application to the Court for a further period of one year. The Court order was granted pursuant to this application.

Anticipated exit strategy

The administration normally ends automatically after 12 months from the date of appointment of the Administrators, however, this was extended with the consent of the creditors for up to 12 months to 10 November 2018 and subsequently by two separate applications to Court to 10 November 2019 and 10 November 2020.

If the Administrators think the Company has no property which might permit a distribution to its unsecured creditors, or if they also consider that an exit from the administration is not appropriate they will send a notice to the Registrar of Companies in accordance with Paragraph 84 of Schedule B1 to the Insolvency Act 1986 to bring the administration to an end and three months after the filing of the notice the Company will be deemed to be dissolved.

1. Progress of the Administration

If the Administrators are of the view that a dividend will become available to the unsecured creditors (other than by virtue of the prescribed part) it is appropriate for the Company to move from administration into CVL pursuant to Paragraph 83 of Schedule B1 to the Insolvency Act 1986. If applicable the Administrators will take steps to place the Company into CVL.

Should a dividend not become available to the unsecured creditors but it is still appropriate for the Company to enter liquidation, the Administrators will petition the Court pursuant to Paragraph 79 of Schedule B1 to the Insolvency Act 1986 for an order to bring the administration to an end with a consequential order for the compulsory winding up of the Company.

Pursuant to Paragraph 83 of Schedule B1 to the Insolvency Act 1986, should the creditors not nominate a Liquidator, the proposed Liquidators in a CVL are to be the Administrators John Anthony Lowe and Nathan Jones. Any act to be done by the Liquidators may be done by all or any one of them. Pursuant to Paragraph 83(7)(a) of Schedule B1 to the Insolvency Act 1986 and the Insolvency Rules, creditors may nominate a different person as the proposed liquidator, provided that the nomination is made after the receipt of these proposals and before these proposals are approved.

The Liquidators in a compulsory winding up will be appointed by the Court and may be the Administrators, John Lowe and Nathan Jones.

If the Administrators are of the view that it is appropriate for the creditors to consider the approval of a CVA the proposed supervisors are to be the Administrators or any successor office holders(s). Creditors may nominate different supervisors at the meeting of creditors convened to consider CVA proposals.

Based on current information it is expected that liquidation will be the most likely exit route.

2. Estimated Outcome for the creditors

The estimated outcome for creditors was set out in the Administrators proposals.

Outcome for the secured creditors

Both the Bank and LBCF were not owed any monies at the date of the appointment of administrators. However, it should be noted that the ongoing investigations and threat of litigation may affect this position.

Outcome for the preferential creditors

The following preferential creditors' claims have been received:

Employees	£12,010.71
The Redundancy Payments Service	£5,748.00

Any distribution to preferential creditors is dependent on recoveries from the ongoing disputes with the main customer and DLA.

Outcome for the unsecured creditors

According to the Company's statement of affairs unsecured creditors totalled £1,428,006.07. To date we have received claims totalling £772,517.89 from 34 unsecured creditors in this matter. It is currently uncertain if there will be sufficient funds available to make a distribution to unsecured creditors. Any distribution is dependent on recoveries from the ongoing dispute with the Company's main customer and the DLA.

Prescribed Part

There is no prescribed part applicable in the matter as the secured creditors, the Bank and LBCF, were not owed any monies at the date of appointment.

3. Administrators' remuneration, disbursements, expenses and pre-appointment costs

Administrators' remuneration

Following circulation of the Administrators' proposals and the subsequent creditors meeting held on 19 January 2017, the creditors passed a resolution that the Administrators' remuneration should be calculated on the following percentage basis.

<u>Realisations</u>	<u>(%)</u>
Fixed Charge / Book Debt Collection	20
All other assets:	
£0-£100,000	100
£100,000 - £200,000	50
£200,000 +	20
Distribution Fee	15
N.B. the Administrators time costs to date total £216,225	

Administrators' disbursements

The Administrators' disbursements are a recharge of actual costs incurred by the Administrators on behalf of the Company. Mileage payments made for expenses relating to the use of private vehicles for business travel, which is directly attributable to the insolvency estate, are paid by FRP Advisory at the HMRC approved mileage rate prevailing at the time the mileage was incurred. Details of disbursements incurred during the period of this report are set out in **Appendix D**.

Administrators' expenses

An estimate of the Administrators' expenses was set out in the Administrators' proposals. I attach at **Appendix F** a statement of expenses that have been

Benedict Cole Limited (In Administration) - The Administrators' Progress Report

incurred during the period covered by this report. It is currently expected that the expenses incurred or anticipated to be incurred are likely to exceed the details previously provided due to the protracted nature of the ongoing investigations and resistance encountered by the main customer in settling the amount due to the Company. The employees were retained following our appointment to work with the accountants to bring the books and records up to date and continue to assist the solicitors in respect of their investigations. This expense was not factored in our initial estimate.

Creditors have a right to request further information from the Administrators and further have a right to challenge the Administrators' remuneration and other expenses, which are first disclosed in this report, under the Insolvency (England and Wales) Rules. (For ease of reference these are the expenses incurred in the reporting period as set out in **Appendix F** only). Further details of these rights can be found in the Creditors' Guide to Fees which you can access using the following link <https://creditors.frpadvisory.com/info.aspx> and select the one for administrations. Alternatively, a hard copy of the relevant guide will be sent to you on request. Please note there is a time limit for requesting information being 21 days following the receipt of this progress report. There is a time limit of 8 weeks following the receipt of this report for a Court application that the remuneration or expenses are excessive.

Administrators' pre-appointment costs

The Administrators pre-appointment fees and disbursements totalled £34,431.17 plus VAT. Recovery in full was sought and approved by the creditors at the meeting held on 19 January 2017. To date, £5,800 has been paid and the balance still remains outstanding.

A schedule of work

Benedict Cole Limited (IN ADMINISTRATION)

Schedule of Work

The table below sets out a detailed summary of the work undertaken by the office holder(s) during the reporting period together with an outline of work still to complete.

Where work undertaken results in the realisation of funds (from the sale of assets; recoveries from successful actions taken against third parties), there may be a financial benefit to creditors should there be sufficient funds available to make a distribution to one or more class of creditor. In this case work undertaken will include the scrutiny and agreement of creditor claims.

A proportion of the work undertaken by an Insolvency Practitioner is required by statute, including ensuring the appointment is valid, notifications of the appointment to third parties, regular reporting on the progress, notifying statutory bodies where required in relation to the conduct of the directors, complying with relevant legislation and regulatory matters. This may not have a direct financial benefit to creditors but is substantially there to protect creditors and other stakeholders and ensuring they are kept informed of developments.
