### TO ALL KNOWN CREDITORS

Dear Sir(s)

The Gateway (Leeds) Limited - In Administration ("the Company")

It is now approaching 42 months since my appointment in respect of the Company. In accordance with Rule 2.47 of the insolvency Rules 1986 this report covers the progress made in implementing the approved proposals and achieving the statutory purpose of the Administration during the period 27 June 2016 to 26 December 2016.

This report should be read in conjunction with my previous progress reports.

### 1 Statutory Information

The Joint Administrators are as follows:

- James Money and Sarah Rayment of BDO LLP, 55 Baker Street, London W1U 7EU who
  were appointed in respect of the above Company on 27 August 2013 by National
  Asset Loan Management Limited ('NALM'), being the holder of a Qualifying Floating
  Charge pursuant to Paragraph 14 of Schedule B1 of the Insolvency Act 1986. and,

  Floor, 88 Wood Street, London EC2V 7QF who were appointed in respect of the above
  Company on 21 December 2016 by OCM Emru Debtco DAC ("OCM"), a company
  incorporated in the Republic of Ireland who has recently acquired from NALM their
  loan and associated security referred to above (as part of a larger loan portfolio sale
  by NALM).

The Administration proceedings are dealt with in the High Court of Justice, Chancery Division, and the Court case number is 5914 of 2013.

Under the provisions of paragraph 100(2) of Schedule B1 of the Insolvency Act 1986 the Administrators carry out their functions jointly and severally and none of the Administrators have exclusive power to exercise any function.

Following the appointment of Messrs Kendall and Thomas of Moorfields (as above), the Company's registered office has been changed and is now situated c/o Moorfields Advisory Limited, 88 Wood Street, London EC2V 7QF. The registered number is 05037556.

I enclose, for your information, a summary of my receipts and payments to date showing a balance in hand of £1,061,561, together with a copy of my abstract account covering the period ending 26 December 2016, and report as follows.

### 2 Receipts & Payments

The receipts and payments shown are largely self-explanatory, although I would comment specifically on the following:

### Receipts

### 2.1 Residential apartment sales

Since my last report, one apartment was sold (during the current reporting period) at £167,500 whilst one other unit completed on 29 December 2016 (outside the current reporting period) at £170,000. As a consequence there now remain 34 apartments to be sold at the Company's development known as The Gateway, East Street, Leeds ("the Gateway")

### 2.2 Book debts

To date I have recovered book debts in the sum of £292,318 including £6,000 in the current reporting period.

### 2.3 Residential rental income

in this period, rental income totalling £149,377 has been collected from the remaining/unsold residential apartments, all of which are being managed by our local property agents, Morgans City Living ("Morgans").

### 2.4 Commercial rent

Rent demanded and collected from the commercial tenants based at the Gateway was £220,019 in the latest 6 month period.

### 2.5 Insurance Claim

During the current reporting period we received a payment from the insurers in relation to a claim for flood damage at the site in the sum of £13,000.

### **Payments**

### 2.6 Professional Fees

Professional Fees comprise of a payment to Gerald Eve of £3,500 for fees in relation to a successful application to reduce the rating assessments on various commercial units.

### 2.7 Service charge & ground rent

Ground rent and service charge payments totalling £57,323 have been incurred in the latest reporting period bring the total of such expenditure during the Administration to date to £453,208.

### 2.8 Residential management fees

As mentioned above, the residential apartments are being managed by Morgans who have been paid the sum of £19,491 in relation to the latest reporting period

### 2.9 Residential maintenance and running costs

Various other management and running costs have been incurred during the latest reporting period including; electricity (£2,274), property maintenance (£4,950) other maintenance/running costs (£5,304) and sundry costs (£16,101).

### 2,10 Insurance

The insurance for the entire development is coordinated by the Administrators and is recovered through the service charge. As previously reported, the sum of £106,239 was paid in respect of the 12 month period ending 31 March 2017. During the current period an additional charge of £143 was incurred.

### 2.11 Administrators' Fees

Joint Administrators' fees totalling £20,000 plus VAT have been drawn during the period with the prior approval and consent of the then secured lender, NALM (further details in this regard are detailed in section 6 of this report).

### 3 Extension of Administration

As reported previously, the period of Administration was initially extended by six months with the consent of NALM, pursuant to Paragraph 78 of Schedule B1 of IA86, to 26 February 2015.

A further application was made and an Order granted by the High Court pursuant to Rule 2.112(1) of the Insolvency Rules 1986, for the Company's Administration to be extended again for a further period of 28 months to 26 June 2017.

A summary of the various applications made and Orders granted is detailed below

| Duration  | Source of extension | Extended date (until) |
|-----------|---------------------|-----------------------|
| 6 Months  | NALM                | 26 February 2015      |
| 28 Months | Court application   | 26 June 2017          |

### 4 Prospects for Creditors

### 4.1 Secured Creditors

Under the debenture registered on 5 August 2004, the lender holds fixed and floating charges over the assets of the Company. At the date of our appointment, the indebtedness to NALM was £65,561,296 This figure is subject to accruing costs and charges. During the period, £161,583 was paid to OCM following the disposal of one of the apartments (referred to in 2.1 above).

Total distributions of £ 19,928,543 were made to NALM in respect of asset realisations prior to its debt being transferred to the new lender, OCM. OCM has received £161,583 following the disposal of a residential apartment during the current period.

As stated above, NALM's loan and associated security has now been sold to OCM. Based on current information, it is likely that the Secured Creditor will suffer a shortfall in this matter.

### 4.2 Preferential Creditors

The Company does not have any employees. Therefore, based on current information there are no claims to be lodged by preferential creditors

### 4.3 Unsecured Creditors

On 7 July 2016 a distribution was made to the unsecured creditors under the Prescribed Part provisions of the Insolvency Act. The total value of the unsecured creditor claims that were notified to us amounted to £43,388, and a dividend of 100p in the £1 was declared and paid. Unsecured creditors have therefore been paid in full. This payment is reflected in our enclosed summary Receipts & Payments account

### 5 Administrators' Remuneration

The creditors have already approved the Administrators' remuneration on a time costs basis and to date time costs of £552,334 have accrued. As referred to in paragraph 2.11 above, £20,000 has been drawn in respect of remuneration as authorised by NALM during the latest reporting period. To date, a total of £203,963 has been paid in respect of the Joint Administrators' fees. Attached is a schedule which summarises the total time costs incurred by BDO LLP since the commencement of the Administration to date and indicates the work undertaken in that respect. Additionally I attach a further schedule showing the time costs for the period since my last report to the current date.

I have separately attached a time cost summary showing a total of £995 incurred by Moorfields since their appointment on 21 December 2016

### 6 Disbursements

Where disbursements are recovered in respect of precise sums expended to third parties there is no necessity for these costs to be authorised. These are known as category 1 disbursements. Category 1 disbursements of £2,565 have accrued and £1,975 has been recovered in this matter.

I provide at the end of this report an extract from the Insolvency Rules 1986 setting out the rights of creditors to request further information and/or challenge the remuneration or fees within the Administration.

### 7 Future of the Administration

I refer creditors to my initial report, which outlined the three statutory purposes of the Administration.

The third statutory purpose is realising property in order to make a distribution to one or more secured or preferential creditors and will be achieved through the on-going disposal programme of the Company's assets.

As mentioned in my previous report, the Joint Administrators' proposals, which were deemed to have been approved by creditors on 22 October 2013, anticipated exiting the Administration by way of dissolution or Creditors' Voluntary Liquidation ("CVL") if sufficient funds were to become available to enable a distribution to unsecured creditors under the Prescribed Part provisions. Following a recent change in Insolvency legislation, it has become possible to make distributions, by way of Prescribed Part payments, during the course of an Administration. Accordingly, payments to the Unsecured Creditors in the sum of £43,388 have been processed during the latest reporting period (see paragraph 4.3 above) representing a distribution of 100p in the £ It is therefore anticipated that the Company will exit Administration by moving to dissolution once all assets have been realised.

Following discussions with OCM and the recent appointment of Mr Arron Kendall and Simon Thomas of Moorfields as additional Joint Administrators, James Money and Sarah Rayment have made an application to the High Court for consent to resign as Joint Administrators. The application is due to be heard on 27 January 2017.
