1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention.

Going concern

The financial statements have been prepared on a going concern basis because the director and shareholders have undertaken to continue to support the Company

Turnover

Turnover represents amounts receivable for goods and services provided in the UK net of VAT and trade discounts.

Depreciation

Land and buildings are not depreciated on the grounds that it would be immaterial because the estimated residual value of the property is not materially different from the carrying value in the accounts.

Asset class	Depreciation method and rate
Freehold Property	Nil

Deferred tax

Except where otherwise required by accounting standards, full provision without discounting is made for all timing differences, which have arisen but not reversed at the balance sheet date. Deferred tax assets are recognised only to the extent that it is more likely than not that they will be recovered
