## STRATEGIC REPORT

The Directors present their Strategic Report for the year ended 29 February 2020.

### PRINCIPAL ACTIVITIES, BUSINESS REVIEW AND FUTURE DEVELOPMENTS

Reach Belvedere Limited ("the Company") has been dormant throughout the year, has made neither a profit nor loss and is not expected to trade in the foreseeable future.

### RESULTS AND DIVIDENDS

The Company did not trade in this year, nor the prior year, and no other items of comprehensive income were recognised. Accordingly, neither an Income Statement nor a Statement of Changes in Equity has been presented.

No dividends were paid in the year (2019: £nil).

### SECTION 172 STATEMENT

The following section serves as the section 172 statement for Reach Belvedere Limited (the "Company"), pursuant to the requirements of The Companies (Miscellaneous Reporting) Regulations 2018. Section 172 of the Companies Act 2006 ("CA 2006") recognises that whilst companies are run for the benefit of their shareholders, a business's long-term success and reputation are dependent upon maintaining relationships with stakeholders and an appreciation of the external impact of its activities.

The directors of the Company (the "Directors") are fully aware of their responsibilities to promote the success of the Company in accordance with section 172 of the CA 2006 and are keen to ensure proper reflection on stakeholder engagement and issues at Director level and promote continuous reflection on opportunities for development.

In circumstances where decisions are required to be taken by the Directors:

- the outcome of any relevant stakeholder engagement is made available and considered by the Directors; and
- the Directors, as part of their decision-making process, consider the impact of such decisions on each stakeholder group, recognising that the pertinence of a particular stakeholder group may vary depending upon the matter under discussion.

### KEY STAKEHOLDER ENGAGEMENT

#### *Investors - Walmart Inc. ("Walmart")*

Walmart is a key stakeholder; it is the Company's ultimate parent. Where the interests of Walmart are relevant to a decision of the Company, the Directors may engage directly with Walmart. Due to the nature of the business carried out by the Company, and the low frequency of decisions, such engagement is on an ad hoc basis.

#### *Employees*

The Company itself does not have any employees.

#### *Suppliers, customers and others in a business relationship with the Company*

The Company does not itself contract with any suppliers or customers.

During the year, the only decisions taken by the Company were administrative in nature such as the consideration and approval of the previous year's financial statements.

### KEY PERFORMANCE INDICATORS, RISKS AND UNCERTAINTIES

Due to the nature of the business, there are no material risks or uncertainties which require disclosure and key performance indicators are not applicable. The key performance indicators of ASDA Group Limited ("the Group"), which includes this company, are noted in the Strategic Report of the Group's Annual Report and Financial Statements, which does not form part of this Report.

### DIRECTORS' REPORT

The Directors present their Report and the unaudited financial statements for the year ended 29 February 2020.

#### **FUTURE DEVELOPMENTS**

The Company's future developments are detailed in the Strategic Report.

#### **GOING CONCERN**

The use of the going concern basis of accounting is appropriate because there are no material uncertainties related to events or conditions that may cast significant doubt about the ability of the Company to continue as a going concern.

#### **DIVIDENDS**

Dividends paid are detailed in the Strategic Report.

#### **DIRECTORS' LIABILITIES**

The Directors are insured against liability in respect of proceedings brought by third parties, subject to the limitations set out in the Companies Act 2006. Such insurance remains in force as at the date of approving the Directors' Report. The insurance is controlled and paid centrally by the ultimate parent company. However, a proportion of this insurance is paid by the Group.

For a list of Directors who held office during the year please refer to the beginning of these financial statements.

### DIRECTORS' RESPONSIBILITIES STATEMENT

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and the profit or loss of the Company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether FRS101 has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
