## Directors' Report

The directors present their Annual Report and audited financial statements for Compass Group Finance No.4 Limited (the Company) for the year ended 30 September 2021. The Directors' Report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption under section 414B of the Companies Act 2006 (CA 2006).

### Business review and principal activities

The Company is a wholly-owned subsidiary of Compass Group PLC and its principal activity is providing finance to other members of the Compass Group (the Group).

The results for the Company show a loss for the year of £211,586 (2020: £211,541) and total assets less total liabilities of £103,193,272 at 30 September 2021 (2020: £103,404,858).

The Company's directors believe that analysis using key performance indicators is not necessary for an understanding of the position of the Company. The performance of Compass Group PLC (the Group) is discussed in its Annual Report which does not form part of this Report. A copy of the Compass Group PLC Annual Report 2021 can be found on the Compass Group PLC website at [www.compass-group.com](http://www.compass-group.com) or from the Company Secretarial Department at Compass House, Guildford Street, Chertsey, Surrey KT16 9BQ.

### Principal risks and uncertainties

The global pandemic has continued longer than expected and while Group operations continue to be disrupted, our focus has been on the health, safety and wellbeing of our employees, clients and consumers. Sites that are open are operating with enhanced health and safety protocols. Personal protective equipment requirements are in line with local government and public health guidance and there is a continued focus on mental health awareness.

A post-Brexit deal on trade and other issues was agreed in December 2020 between the UK and the EU. While there is clearly more for the UK and EU to work through, we believe that the deal as agreed, coupled with our own contingency planning, means we do not expect any material financial or operational impact resulting from Brexit. We are confident that we can continue supporting and delivering great services for our UK and international clients and consumers.

The Company has only intra-group balances, no third party debt and hence no external interest rate exposure. Certain intra-group balances are denominated in foreign currency.

From the perspective of the Company, the principal risks and uncertainties are integrated with the principal risks of the Group and are not managed separately. The principal risks of the Group are discussed in Compass Group PLC's Annual Report 2021 which does not form part of this Report. This document can be viewed on the Compass Group PLC website [www.compass-group.com](http://www.compass-group.com).

### Going concern

After making enquiries and receiving a letter of support from the ultimate parent company, Compass Group PLC, the directors have a reasonable expectation that the Company, as part of the Compass Group, has adequate resources to continue in existence for the 12 months from the date of this Report. For this reason, the directors continue to adopt the going concern basis in preparing the accounts.

### Dividends

The directors do not recommend the payment of a dividend for the year ended 30 September 2021 (2020: £nil).

### Directors

The directors who served throughout the financial year ended 30 September 2021 and up to the date of this Report were as follows:

B J Boucher (appointed 11 December 2020)  
D J Brassington (appointed 11 December 2020)  
S Dembeck (appointed 11 December 2020, resigned 20 December 2021)  
S J Sergeant (resigned 11 December 2020)  
A R Yapp

# Compass Group Finance No.4 Limited

## Directors' Report (continued)

### Directors' qualifying third party indemnity

A qualifying third party indemnity provision as defined in section 234(2) - (6) of the CA 2006 is and was in full force and effect for the benefit of each of the directors of the Company, both at the date of this Report and throughout the financial year to which this Report relates.

### Directors' disclosure of information to auditor

Each of the persons who is a director at the date of approval of this Report confirms that:

- the directors have permitted the auditor to undertake whatever inspections it considers to be appropriate for the purpose of enabling the auditor to give its audit opinion; and
- the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the CA 2006.

### Auditor

In accordance with the provisions of section 485(2) of the CA 2006, the current appointment of KPMG LLP as the Company's Auditor will end at the conclusion of the current period for appointing auditors.

Pursuant to Section 487 of the CA 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Approved by the Board of Directors and signed on behalf of the Board

D J Brassington  
Director

## Directors' Responsibilities Statement

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 101 *Reduced Disclosure Framework*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable, relevant, reliable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the CA 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

On behalf of the Board

D J Brassington  
Director

1 April 2022

# **Independent Auditor's Report to the Members of Compass Group Finance No.4 Limited**

## **Opinion**

We have audited the financial statements of Compass Group Finance No.4 Limited ("the Company") for the year ended 30 September 2021 which comprise the Profit and loss account, Balance sheet, Statement of changes in equity and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 30 September 2021 and of its loss for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 101 *Reduced Disclosure Framework*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

## **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with UK ethical requirements, including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

## **Going concern**

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the Company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

In our evaluation of the directors' conclusions, we considered the inherent risks to the Company's business model and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period.

Our conclusions based on this work:

- we consider that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate;
- we have not identified, and concur with the directors' assessment that there is not, a material uncertainty related to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for the going concern period.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the above conclusions are not a guarantee that the Company will continue in operation.

## **Fraud and breaches of laws and regulations – ability to detect**

### *Identifying and responding to risks of material misstatement due to fraud*

To identify risks of material misstatement due to fraud ("fraud risks") we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included enquiring of directors and inspection of policy documentation as to the Compass Group PLC's Group policies and procedures to prevent and detect fraud that apply to this Group company as well as enquiring whether the directors have knowledge of any actual, suspected, or alleged fraud.

As required by auditing standards we perform procedures to address the risk of management override of controls, in particular the risk that management may be in a position to make inappropriate accounting entries. On this audit we do not believe there is a fraud risk related to revenue recognition as the entity is non-trading and as such, there is no external revenue.

We did not identify any additional fraud risks.

# **Independent Auditor's Report to the Members of Compass Group Finance No.4 Limited (continued)**

## *Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations*

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our general commercial and sector experience and through discussion with the directors and other management (as required by auditing standards), and from inspection of the Company's regulatory and legal correspondence and discussed with the directors and other management the policies and procedures regarding compliance with laws and regulations.

We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.

The potential effect of these laws and regulations on the financial statements varies considerably.

The Company is subject to laws and regulations that directly affect the financial statements including financial reporting legislation (including related companies' legislation), distributable profits legislation and taxation legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

This Company is not subject to other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements.

## *Context of the ability of the audit to detect fraud or breaches of law or regulation*

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

## **Directors' report**

The directors are responsible for the directors' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the directors' report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

## **Matters on which we are required to report by exception**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

# **Independent Auditor's Report to the Members of Compass Group Finance No.4 Limited (continued)**

## **Directors' responsibilities**

As explained more fully in their statement set out on page 4, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## **Auditor's responsibilities**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities).

## **The purpose of our audit work and to whom we owe our responsibilities**

This Report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this Report, or for the opinions we have formed.

## Notes to the accounts For the year ended 30 September 2021

### 1. Accounting policies

The significant accounting policies adopted in the preparation of the financial statements of the Company are set out below.

#### Basis of preparation

These financial statements are prepared in accordance with the historical cost convention, *Financial Reporting Standard 101 Reduced Disclosure Framework* (FRS 101), and in accordance with applicable United Kingdom laws. In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of international accounting standards in conformity with the requirements of the Companies Act 2006 ("Adopted IFRSs"), but makes amendments where necessary in order to comply with the Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken. These financial statements thus present information about the Company as an individual undertaking not as a Group undertaking.

In these financial statements, the Company has applied the exemptions under FRS 101 in respect of the following disclosures:

- a cashflow statement and related notes;
- transactions with wholly owned subsidiaries
- the effect of new but not yet effective IFRS; and
- disclosures in respect of compensation of Key Management Personnel.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

#### Going Concern

Notwithstanding the continuing economic uncertainties arising from the COVID-19 outbreak, the financial statements have been prepared on a going concern basis which the directors consider to be appropriate for the following reason:

- Compass Group PLC has indicated its intention to continue to make available funds as needed by the Company for a period of 12 months from the date of approval of the financial statements.

Consequently, the directors are confident that the Company will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

#### Foreign currencies

Transactions in foreign currencies are translated to the Company's functional currency (sterling) at the foreign exchange rates ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are retranslated to sterling at the foreign exchange rates ruling at that date. Non-monetary assets and liabilities that are measured in terms of the historical cost in foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currency that are stated at fair value are retranslated to sterling at the foreign exchange rates ruling at the dates that the fair value was determined. Foreign exchange differences arising on translation are recognised in the profit and loss account.

Financial assets and financial liabilities are initially recognised at fair value, plus directly attributable transaction costs where applicable, with subsequent measurement as set out below.

# Compass Group Finance No.4 Limited

## Notes to the accounts (continued) For the year ended 30 September 2021

### 1. Accounting policies (continued)

#### Financial Assets and Liabilities

Financial assets and liabilities are recognised on the Company's balance sheet when the Company becomes a party to the contractual provisions and derecognised when it ceases to be party to such provisions. Financial assets are classified as current if they are expected to be received within 12 months of the balance sheet date. Financial liabilities are classified as current if they are legally due to be paid within 12 months of the balance sheet date.

Financial assets and liabilities are initially recorded at fair value including, where permitted by IFRS 9, any directly attributable transaction costs. For those financial assets that are not subsequently held at fair value, the carrying amounts are reduced by a provision equal to the lifetime expected credit losses using historic and forward looking data on credit risk.

The Company classifies its financial assets and liabilities into the following categories:

- financial assets and liabilities at amortised cost; and
- financial assets and liabilities at fair value through profit and loss.

Where financial assets or liabilities are eligible to be carried at either amortised cost or fair value the Company does not apply the fair value option.

Amounts owed by Group undertakings are initially measured at fair value and are subsequently reported at amortised cost. Provisions on intra-group receivables are calculated at an amount equal to expected lifetime credit losses using historic and forward looking data on credit risk.

Amounts owed to Group undertakings are initially measured at fair value and are subsequently reported at amortised cost.

Non-interest bearing payables are stated at their nominal value as they are due on demand.

#### Preference share capital

Preference shares are treated as liabilities in accordance with IAS 32 – Financial Instruments: Presentation.

#### Financial guarantees

Where the Company enters into financial guarantee contracts to guarantee the indebtedness of other companies within the Group, the Company considers these to be insurance arrangements and accounts for them as such. In this respect, the Company treats the guarantee contract as a contingent liability until such time as it becomes probable that the Company will be required to make a payment under the guarantee.

#### Taxation

Current tax is the expected tax payable on the taxable income for the accounting period, using tax rates that have been enacted or substantively enacted at the balance sheet date.

Deferred tax is provided at the anticipated tax rates on timing differences arising from the inclusion of items of income and expenditure in tax computations in periods different from those in which they are included in the financial statements. Deferred tax assets and liabilities are not discounted. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered.

# Compass Group Finance No.4 Limited

## Notes to the accounts (continued) For the year ended 30 September 2021

### 2. Auditor's remuneration

Fees of £1,200 were received by the auditor in respect of the Company's statutory audit for the current and preceding year (2020: £1,200). These fees were borne and not recharged by another Group company. No fees were received by the auditor in respect of any non-statutory audit services in either the current or preceding year.

### 3. Directors and employees

The directors received no emoluments from the Company during the current year (2020: £nil). There are no employees of Compass Group Finance No.4 Limited (2020: none).

### 4. Interest payable and similar expenses

	2021 £	2020 £
Non-equity dividends on preference shares:		
Preference dividend paid at £0.003753 (2020: £0.001514) per share	75	30
	<u>75</u>	<u>30</u>

### 5. Tax charge on loss on ordinary activities

	2021 £	2020 £
UK corporation tax at 19.0% (2020: 19.0%)	211,511	211,511
Current tax charge	<u>211,511</u>	<u>211,511</u>

Reconciliation of the tax charge to the tax charge at the UK statutory rate:

	2021 £	2020 £
Loss before tax	75	30
Tax credit on loss before tax at UK statutory rate of 19.0% (2020: 19.0%)	(14)	(6)
Increase/(decrease) to charge resulting from:		
Non-deductible preference dividend payments	14	6
Transfer pricing adjustment	211,511	211,511
<b>Tax charge on loss</b>	<u>211,511</u>	<u>211,511</u>

The UK corporation tax rate is increasing from 19% to 25% from 1 April 2023. This will increase the Company's future tax charge accordingly.

# Compass Group Finance No.4 Limited

## Notes to the accounts (continued) For the year ended 30 September 2021

### 6. Debtors: amounts falling due within one year

	2021 £	2020 £
Amounts owed by ultimate parent company	111,321,687	111,321,687
Interest receivable	580	580
	<u>111,322,267</u>	<u>111,322,267</u>

### 7. Creditors: amounts falling due within one year

	2021 £	2020 £
Amounts owed to fellow group undertakings	7,896,842	7,685,331
Corporation tax	211,511	211,511
Interest payable	642	567
	<u>8,108,995</u>	<u>7,897,409</u>

### 8. Creditors: amounts falling due after one year

	2021 £	2020 £
20,000 Redeemable non-cumulative 'C' preference shares of £1 each	<u>20,000</u>	<u>20,000</u>

The Preference shares may be redeemed by the Company at any time after the first anniversary of the date of the allotment of the Preference share. The amount payable on redemption will be the amount paid up on it together with all arrears or accruals of its dividend. The dividend is non-cumulative, payable annually in arrears on 30 September at a floating rate (being equal to the percentage rate per annum equal to the British Bankers Association Interest Settlement Rate for 12 month Sterling).

On winding up of the Company, the Preference shareholders have a right to receive, in preference to any other shareholder, an amount equal to the aggregate of the capital paid up on each Preference share and a sum equal to any arrears and accruals of the preference dividend payable on such Preference share calculated up to and including the date of commencement of the winding up or the date of the return of the capital.

The Preference shares carry the right to attend and vote at a general meeting of the Company only if at the date of the meeting payment of the dividend is six months or more in arrears, or if a resolution is to be considered at the meeting for winding up the Company or varying or abrogating any of the special rights and privileges attaching to them. If entitled to vote, each Preference shareholder will have one vote for every Preference share held.

## Compass Group Finance No.4 Limited

### Notes to the accounts (continued) For the year ended 30 September 2021

#### 9. Called up share capital

	2021 £	2020 £
<b>Allotted, called up and fully paid:</b>		
35,100 Ordinary 'A' shares of £1 each	35,100	35,100
20,000 Ordinary 'B' shares of £1 each	20,000	20,000
	<u>55,100</u>	<u>55,100</u>

The 'A' and 'B' shares are separate classes of shares but rank pari passu in all respects except:

- i) the total aggregate amount of the Ordinary Shareholders Dividend is divided to the 'A' Ordinary shareholders: 25/26ths and the 'B' Ordinary shareholders: 1/26ths;
- ii) for any final surplus on winding up, the total aggregate amount is divided to the 'A' Ordinary shareholders: 25/26ths and the 'B' Ordinary shareholders: 1/26ths after satisfaction in full of the rights of the 'C' Preference shareholders; and
- iii) 'A' and 'B' Ordinary shares entitle the holder to one vote per share, but on a poll 'A' Ordinary shareholders and 'B' Ordinary shareholders shall be entitled to ten votes and one vote respectively for every one share held.

#### 10. Ultimate parent company and controlling entity
