1. Principal accounting policies

These financial statements are prepared under the historical cost convention, and in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom. The principal accounting policies, which have been applied consistently throughout the year, are set out below.

Basis of accounting

The financial statements are prepared on an amounts recoverable basis as the Company is no longer trading. The Company has adopted FRS 102, and taken the exemption to retain its current accounting policies for reported assets and liabilities as it is a dormant company.

The Company has taken advantage of the exemption contained in FRS 102 and has not prepared a statement of cash flows on the basis that it is a qualifying entity and its ultimate parent company, Carpetright plc, includes the Company's cash flows in its own consolidated financial statements.

As the Company is a wholly owned subsidiary of Carpetright plc, it has taken advantage of the exemption contained in FRS 102 and has therefore not disclosed transactions or balances with entities which form part of the Group (or investees of the Group qualifying as related parties). The consolidated financial statements of Carpetright plc, within which this company is included, can be obtained from the address given in note 4.
