(a) change its legal name, jurisdiction of incorporation or organization or the location of its chief executive office or sole place of business from that referred to in Section 4.4; or

(b) change its legal name, identity or structure to such an extent that any financing statement filed by the Collateral Agent in connection with this Agreement would become misleading.

5.7 Notices. Such Grantor shall advise the Collateral Agent promptly, in reasonable detail, of:

(a) any Lien on any of the Collateral (other than any Lien expressly permitted by Section 8.2 of the Credit Agreement) which would adversely affect the ability of the Collateral Agent to exercise any of its remedies hereunder; and

(b) the occurrence of any other event of which such Grantor becomes aware that could reasonably be expected to have a Material Adverse Effect or a material adverse effect upon the aggregate value of the Collateral or on the security interests created hereby.

5.8 Investment Property.

(a) If such Grantor shall become entitled to receive or shall receive any stock or other ownership certificate (including any certificate representing a stock dividend or a distribution in connection with any reclassification, increase or reduction of capital or any certificate issued in connection with any reorganization), option or rights in respect of Pledged Equity Interests in any issuer thereof, whether in addition to, in substitution of, as a conversion of, or in exchange for, any shares of or other ownership interests in the Pledged Securities, or otherwise in respect thereof, such Grantor shall accept the same as the agent of the Secured Parties, hold the same in trust for the Secured Parties and promptly deliver the same to the Collateral Agent (or its Bailee) in the exact form received, duly endorsed by such Grantor to the Collateral Agent (or its Bailee), if required, together with an undated stock power or similar instrument of transfer covering such certificate duly executed in blank by such Grantor and with, if the Collateral Agent so requests, signature guaranteed, to be held by the Collateral Agent (or its Bailee), subject to the terms hereof, as additional collateral security for the Obligations. Any sums paid upon or in respect of the Pledged Securities upon the liquidation or dissolution of any issuer thereof shall be paid over to the Collateral Agent (or its Bailee) to be held by it hereunder as additional collateral security for the Obligations if an Event of Default then exists (without further order from the Bankruptcy Court), and in case any distribution of capital shall be made on or in respect of the Pledged Securities or any property shall be distributed upon or with respect to the Pledged Securities pursuant to the recapitalization or reclassification of the capital of any issuer thereof or pursuant to the reorganization thereof, the property so distributed shall, if an Event of Default then exists (without further order from the Bankruptcy Court), and

If any sums of money or property so paid or distributed in respect of the Pledged Securities shall be received by such Grantor in violation of the immediately preceding sentence, such Grantor shall, until such money or property is paid or delivered to the Collateral Agent (or its Bailee), hold such money or property in trust for the Secured Parties, segregated from other funds of such Grantor, as additional collateral security for the Obligations.

(b) Without the prior written consent of the Collateral Agent, such Grantor shall not (i) vote to enable, or take any other action to permit, any Subsidiary of the Parent that is an issuer of Pledged Securities to issue any stock, partnership interests, limited liability company interests or other equity securities of any nature or to issue any other securities convertible into or granting the right to purchase or exchange for any stock, partnership interests, limited liability company interests or other equity securities of any nature of any such issuer (except, in each case, pursuant to a transaction expressly permitted by the Credit Agreement and the other Loan Documents, if applicable), (ii) sell, assign, transfer, exchange, or otherwise dispose of, or grant any option with respect to, any of the Investment Property or Proceeds thereof or any interest therein (except, in each case, pursuant to a transaction expressly permitted by the Credit Agreement and the other Loan Documents, if applicable), (iii) create, incur or permit to exist any Lien or option in favor of, or any claim of any Person with respect to, any of the Investment Property or Proceeds thereof, or any interest therein, except for the security interests created by this Agreement or any Lien expressly permitted thereon pursuant to Section 8.2 of the Credit Agreement and the other Loan Documents, if applicable, (iv) enter into any agreement or undertaking restricting the right or ability of such Grantor or the Collateral Agent to sell, assign or transfer any of the Investment Property or Proceeds thereof or any interest therein or (v) without the prior written consent of the Collateral Agent, cause or permit any Subsidiary of the Parent that is an issuer of any Pledged Partnership Interests or Pledged LLC Interests which are not securities (for purposes of the New York UCC) on the Effective Date to elect or otherwise take any action to cause such Pledged Partnership Interests, Pledged LLC Interests to be treated as securities for purposes of the New York UCC; provided, however, notwithstanding the foregoing, if any issuer of any Pledged Partnership Interests or Pledged LLC Interests takes any such action in violation of the provisions in this clause (v) or any non-Subsidiary of the Parent that is an issuer takes any of the foregoing actions, such Grantor shall promptly notify the Collateral Agent in writing of any such election or action and, in such event, shall take all steps necessary or advisable to establish the Collateral Agent's (or its Bailee's) "control" thereof.

(c) In the case of each Grantor which is an issuer of Pledged Securities, such Grantor agrees that (i) it shall be bound by the terms of this Agreement relating to the Pledged Securities issued by it and shall comply with such terms insofar as such terms are applicable to it, (ii) it shall notify the Collateral Agent promptly in writing of the occurrence of any of the events described in Section 5.8(a) with respect to the Pledged Securities issued by it and (iii) the terms of Sections 6.3(c) and 6.7 shall apply to it, mutatis mutandis, with respect to all actions that may be required of it pursuant to Section 6.3(c) or 6.7 with respect to the Pledged Securities issued by it. In addition, each Grantor which is either an issuer

or an owner of any Pledged Security hereby consents to the grant by each other Grantor of the security interest hereunder in favor of the Collateral Agent and to the transfer of any Pledged Security to the Collateral Agent (or its Bailee) or its nominee following the occurrence and during the continuance of an Event of Default (without further order from the Bankruptcy Court) and to the substitution of the Collateral Agent (or its Bailee) or its nominee as a partner, member, shareholder or other equityholder of the issuer of the related Pledged Security.

5.10 Intellectual Property.

(a) Such Grantor (either itself or through licensees) shall, in the exercise of its reasonable business judgment, taking into account the Secured Parties' interests under this Agreement, (i) continue to use each owned Trademark material to its business, (ii) maintain commercially reasonable quality of products and services offered under such Trademarks and take all necessary steps to ensure that all licensed users of such Trademarks comply with such Grantor's quality control requirements and maintain reasonable quality, (iii) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademarks unless the Collateral Agent, for the ratable benefit of the Secured Parties, shall obtain a perfected security interest in such mark pursuant to this Agreement and the Intellectual Property Security Agreement, and (iv) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby such Trademark may become invalidated or impaired in any way.

(b) Such Grantor (either itself or through licensees), subject to the exercise of its reasonable business judgment, taking into account the Secured Parties' interests under this Agreement, shall not do any act, or omit to do any act, whereby any Patent owned by such Grantor material to its business may become forfeited, abandoned or dedicated to the public.

(c) Such Grantor (either itself or through licensees), subject to the exercise of its reasonable business judgment, taking into account the Secured Parties' interests under this Agreement, shall not (and shall not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any material portion of Copyrights owned by such Grantor and material to its business may become invalidated or otherwise impaired. Such Grantor shall not (either itself or through licensees) do any act whereby any material portion of such Copyrights may fall into the public domain.

(d) Such Grantor shall notify the Collateral Agent promptly if it knows or suspects that any application or registration relating to any Material Intellectual Property owned by a Grantor may become forfeited, abandoned or dedicated to the public, or of any

adverse determination (including the institution of, or any such determination in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office, the Canadian Intellectual Property Office or any court or tribunal in any country) regarding such Grantor's ownership of, or the validity of, any such Material Intellectual Property or such Grantor's right to register the same or to own and maintain the same.

(e) Upon request of the Collateral Agent, such Grantor shall execute and deliver, and have recorded in the United States Patent and Trademark Office, the United States Copyright Office, or the Canadian Intellectual Property Office, as applicable, any and all agreements, instruments, documents, and papers as the Collateral Agent may request to evidence the Collateral Agent's security interest in any Copyright, Patent, Trademark or other Intellectual Property of such Grantor.

(f) Such Grantor, subject to the exercise of its reasonable business judgment, taking into account the Secured Parties' interests under this Agreement, shall take reasonable and necessary steps, including in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office, or the Canadian Intellectual Property Office, as applicable, to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of Material Intellectual Property, including the payment of required fees and taxes, the filing of responses to office actions issued by the United States Patent and Trademark Office, the United States Copyright Office, and the Canadian Intellectual Property Office, as applicable, the filing of applications for renewal or extension, the filing of affidavits of use and affidavits of incontestability, the filing of divisional, continuation, continuation-in-part, reissue and renewal applications or extensions, the payment of maintenance fees, and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings.

(g) Such Grantor (either itself or through licensees), subject to the exercise of its reasonable business judgment, taking into account the Secured Parties' interests under this Agreement, shall not, without the prior written consent of the Collateral Agent, discontinue use of or otherwise abandon any of its registered Owned Intellectual Property, or abandon any application or any right to file an application for any patent, trademark, or copyright, unless such Grantor shall have previously determined that such use or the pursuit or maintenance of such Intellectual Property is no longer desirable in the conduct of such Grantor's business and that the loss thereof could not reasonably be expected to have a Material Adverse Effect.

(h) In the event that any Material Intellectual Property is infringed, misappropriated or diluted by a third party, such Grantor shall (i) take such actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Intellectual Property and (ii) promptly notify the Collateral Agent after it learns thereof and sue for infringement, misappropriation or dilution, to seek injunctive relief where appropriate and to recover any and all damages for such infringement, misappropriation or dilution.

(i) Such Grantor agrees that, should it obtain an ownership interest in any item of intellectual property which is not, as of the Effective Date, a part of the Collateral (the "After-Acquired Intellectual Property"), (i) the provisions of Section 3 shall automatically apply thereto and (ii) any such After-Acquired Intellectual Property, and in the case of trademarks, the goodwill of the business connected therewith or symbolized thereby, shall automatically become part of the Collateral.

(j) Such Grantor shall furnish to the Collateral Agent from time to time upon the Collateral Agent's reasonable request therefor reasonably detailed statements and amended schedules further identifying and describing the Owned Intellectual Property and Licensed Intellectual Property and such other materials evidencing, or reports pertaining to, the Owned Intellectual Property and Licensed Intellectual Property as the Collateral Agent may from time to time reasonably request.

5.11 Contracts.

(a) Such Grantor shall perform and comply in all material respects with all its obligations under the Contracts that constitute Collateral, except where the failure to so perform and comply could not reasonably be expected to have a Material Adverse Effect.

(b) Such Grantor shall not amend, modify, terminate, waive or fail to enforce any provision of any Contract that constitutes Collateral in any manner which could reasonably be expected to have a Material Adverse Effect.

(c) Such Grantor shall exercise promptly and diligently each and every material right which it may have under each Material Contract that constitutes Collateral (other than any right of termination), except where the failure to so exercise could not reasonably be expected to have a Material Adverse Effect.

(d) Such Grantor shall not permit to become effective in any document creating, governing or providing for any permit, lease, license or Material Contract that constitutes Collateral, a provision that would limit the creation, perfection or scope of, or exercise or enforcement of remedies in connection with, a Lien on such permit, lease, license or Material Contract in favor of the Collateral Agent for the ratable benefit of the Secured Parties unless such Grantor believes, in its reasonable judgment, that such prohibition is usual and customary in transactions of such type.

5.12 Commercial Tort Claims. Such Grantor shall advise the Collateral Agent promptly after such Grantor becomes aware of any Commercial Tort Claim for which a complaint in a court of competent jurisdiction has been filed held by such Grantor individually or in the aggregate in excess of \$10,000,000 and shall promptly following the date such complaint was filed execute and deliver to the Collateral Agent a supplement to Schedule 4.11 in form and substance reasonably satisfactory to the Collateral Agent listing such Commercial Tort Claim, which supplement shall take effect without further action on the part of any party hereto or beneficiary hereof and shall make such Commercial Tort Claim collateral security subject to this Agreement.

5.13 Deposit Accounts. For each Deposit Account that is a Material Account, such Grantor shall (a) if such Grantor opens a Deposit Account that is reasonably expected to be (or at

any time becomes or replaces) a Material Account, promptly notify the Collateral Agent thereof and (b) subject to any time periods set forth in the Credit Agreement, including Schedule 7.14 thereof, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, use commercially reasonable efforts to cause the depositary bank to comply at any time with instructions from the Collateral Agent (or its Bailee) to such depositary bank directing the disposition of funds from time to time credited to such Deposit Account, without further consent of such Grantor. The Collateral Agent agrees not to provide any such depositary bank any such instructions unless an Event of Default has occurred and is continuing.

5.14 Financial Assets. If any Securities, whether certificated or uncertificated, or other Investment Property now or hereafter acquired by any Grantor are held by such Grantor or its nominee through a Securities Intermediary in a Securities Account that is a Material Account, such Grantor shall (a) if such Grantor opens a Securities Account that is reasonably expected to be (or at any time becomes) a Material Account, promptly notify the Collateral Agent thereof and (b) subject to any time periods set forth in the Credit Agreement, including Schedule 7.14 thereof, pursuant to an agreement in form and substance satisfactory to the Collateral Agent use commercially reasonable efforts to cause such Securities Intermediary to agree to comply with entitlement orders or other instructions from the Collateral Agent (or its Bailee) to such Securities Intermediary as to such Securities or other Investment Property without further consent of such Grantor. The Collateral Agent agrees not to provide any such Securities Intermediary any such entitlement orders or other instructions unless an Event of Default has occurred and is continuing.

SECTION 6 REMEDIAL PROVISIONS.

6.1 Certain Matters Relating to Receivables.

(a) The Collateral Agent shall have the right (but shall in no way be obligated), at its own expense if an Event of Default does not then exist, to make test verifications of the Receivables that are included in the Collateral in any manner and through any medium that it reasonably considers advisable, and each Grantor shall furnish all such assistance and information as the Collateral Agent may reasonably require in connection with such test verifications.

(b) Each Grantor hereby agrees to use its commercially reasonable efforts to continue to collect all amounts due or to become due to such Grantor under the Receivables and any Supporting Obligation and diligently exercise each material right it may have under any Receivable and any Supporting Obligation, in each case, at its own expense. If required by the Collateral Agent at any time after the occurrence and during the continuance of an Event of Default (without further order from the Bankruptcy Court), any payments of Receivables, when collected by any Grantor, (i) shall be promptly (and, in any event, within two Business Days) deposited by such Grantor in the exact form received, duly endorsed by such Grantor to the Collateral Agent if required, in a Collateral Account maintained under the sole dominion and control of the Collateral Agent, subject to withdrawal by the Collateral Agent for the account of the Secured Parties only as provided in Section 6.5, and (ii) until so turned over, shall be held by such Grantor in trust for the Secured Parties, segregated from other funds of such Grantor. Each such deposit of

Proceeds of Receivables shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

(c) At the Collateral Agent's request but subject to the confidentiality provisions set forth in the Credit Agreement, during the continuance of an Event of Default (without further order from the Bankruptcy Court) each Grantor shall make available to the Collateral Agent original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Receivables that are included in the Collateral, including original orders, invoices and shipping receipts.

6.2 Communications with Obligors; Grantors Remain Liable.

(a) The Collateral Agent in its own name or in the name of others may at any time after the occurrence and during the continuance of an Event of Default (without further order from the Bankruptcy Court) communicate with obligors under the Receivables and parties to the Contracts to verify with them to the Collateral Agent's satisfaction the existence, amount and terms of any Receivables or Contracts that constitute Collateral.

(b) The Collateral Agent may at any time after the occurrence and during the continuance of an Event of Default (without further order from the Bankruptcy Court) notify, or require any Grantor to so notify, the Account Debtor or counterparty on any Receivable or Contract that constitutes Collateral of the security interest of the Collateral Agent therein. In addition, after the occurrence and during the continuance of an Event of Default (without further order from the Bankruptcy Court), the Collateral Agent may upon written notice to the applicable Grantor, notify, or require any Grantor to notify, the Account Debtor or counterparty to make all payments under such Receivables and Contracts directly to the Collateral Agent.

(c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable under each of the Receivables and Contracts that constitutes Collateral to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. No Secured Party shall have any obligation or liability under any Receivable (or any agreement giving rise thereto) or Contract by reason of or arising out of this Agreement or the receipt by any Secured Party of any payment relating thereto, nor shall any Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Receivable (or any agreement giving rise thereto) or Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

6.3 Pledged Securities.

(a) Unless an Event of Default has occurred and is continuing and the Collateral Agent shall have given notice to the relevant Grantor of the Collateral Agent's intent to exercise its corresponding rights pursuant to Section 6.3(b), each Grantor shall be permitted

to receive all cash dividends paid in respect of the Pledged Equity Interests and all payments made in respect of the Pledged Notes, to the extent not prohibited by the Credit Agreement and the other Loan Documents, if applicable, and to exercise all voting and corporate and other ownership (or other similar) rights with respect to the Pledged Securities; provided, however, that no vote shall be cast or corporate or other ownership right exercised or other action taken which would materially impair the Collateral or which would be inconsistent with or result in any violation of any provision of the Credit Agreement, the Collateral Agency Agreement, this Agreement or any other Loan Document, if applicable.

(b) If an Event of Default shall occur and be continuing (without further order from the Bankruptcy Court) and the Collateral Agent shall have given notice to the relevant Grantor of the Collateral Agent's intent to exercise its rights pursuant to this Section 6.3(b): (i) all rights of each Grantor to exercise or refrain from exercising the voting and other consensual rights which it would otherwise be entitled to exercise pursuant hereto shall cease and all such rights shall thereupon become vested in the Collateral Agent who shall thereupon have the sole right, but shall be under no obligation, to exercise or refrain from exercising such voting and other consensual rights; (ii) the Collateral Agent shall have the right, without notice to any Grantor (where permitted by applicable Laws), any such notice being expressly waived by each Grantor, to transfer all or any portion of the Investment Property to its name or the name of its nominee or agent; and (iii) the Collateral Agent shall have the right, without notice to any Grantor, to exchange any certificates or instruments representing any Investment Property for certificates or instruments of smaller or larger denominations. In order to permit the Collateral Agent to exercise the voting and other consensual rights which it may be entitled to exercise pursuant hereto and to receive all dividends and other distributions which it may be entitled to receive hereunder each Grantor shall promptly execute and deliver (or cause to be executed and delivered) to the Collateral Agent all proxies, dividend payment orders and other instruments as the Collateral Agent may from time to time reasonably request and each Grantor acknowledges that the Collateral Agent may utilize the power of attorney set forth herein.

(c) Each Grantor hereby authorizes and instructs each issuer of any Pledged Securities pledged by such Grantor hereunder to (i) comply with any instruction received by it from the Collateral Agent in writing that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each such issuer shall be fully protected in so complying, and (ii) upon any such instruction following the occurrence and during the continuance of an Event of Default (without further order from the Bankruptcy Court), pay any dividends or other payments with respect to the Investment Property, including Pledged Securities, directly to the Collateral Agent.

6.4 Proceeds to be Turned Over to Collateral Agent.

In addition to the rights of the Secured Parties specified in Section 6.1 with respect to payments of Receivables, if an Event of Default shall occur and be continuing (without further order from the Bankruptcy Court), all Proceeds received by any Grantor consisting of cash, cash

equivalents, checks and other near-cash items shall, if requested in writing by the Collateral Agent, be held by such Grantor in trust for the Secured Parties, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Collateral Agent in the exact form received by such Grantor (duly endorsed by such Grantor to the Collateral Agent, if required). All Proceeds received by the Collateral Agent hereunder shall be held by the Collateral Agent in accordance with the Collateral Agency Agreement and the Credit Agreement. All Proceeds while held by the Collateral Agent (or by such Grantor in trust for the Secured Parties) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied as provided in Section 6.5.

6.5 Application of Proceeds. At such intervals as may be agreed upon by any Borrower and the Collateral Agent, or, if an Event of Default shall have occurred and be continuing (without further order from the Bankruptcy Court), at any time at the Collateral Agent's election, the Collateral Agent may apply all or any part of the net Proceeds (after deducting fees and reasonable out-of-pocket expenses as provided in Section 6.6) constituting Collateral realized through the exercise by the Collateral Agent of its remedies hereunder, whether or not held in any Collateral Account, in payment of the Obligations in accordance with the Collateral Agency Agreement and the Credit Agreement.

6.6 Code and Other Remedies.

(a) If an Event of Default shall occur and be continuing (without further order from the Bankruptcy Court), the Collateral Agent, on behalf of the Secured Parties, may exercise, in addition to all other rights and remedies granted to it in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the New York UCC (whether or not the New York UCC applies to the affected Collateral) or its rights under any other applicable Laws or in equity. Without limiting the generality of the foregoing, the Collateral Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by applicable Laws referred to below) to or upon any Grantor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances collect, receive, appropriate and realize upon the Collateral, or any part thereof, and may sell, lease, license, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of any Secured Party or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. Each Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by applicable Laws, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable Laws all rights of redemption, stay or appraisal which it now has or may at any time in the future have under any Laws now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by applicable Laws at least ten days' notice to such

Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. The Collateral Agent may sell the Collateral without giving any warranties as to the Collateral. The Collateral Agent may specifically disclaim or modify any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral. Each Grantor agrees that it would not be commercially unreasonable for the Collateral Agent to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. To the extent permitted by applicable Laws each Grantor hereby waives any claims against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. Each Grantor further agrees, at the Collateral Agent's request, to assemble the Collateral and make it available to the Collateral Agent at places which the Collateral Agent shall reasonably select, whether at such Grantor's premises or elsewhere. To the extent permitted by applicable Laws, and so long as an Event of Default is continuing, the Collateral Agent shall have the right to enter onto the property where any Collateral is located and take possession thereof with or without judicial process.

(b) The Collateral Agent shall apply the net proceeds of any action taken by it pursuant to this Section 6.6 in accordance with the Collateral Agency Agreement and the Credit Agreement. If the Collateral Agent sells any of the Collateral upon credit, the Grantor will be credited only with payments actually made by the purchaser and received by the Collateral Agent and applied to indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, the Collateral Agent may resell the Collateral and the Grantor shall be credited with proceeds of the sale. To the extent permitted by applicable Laws, each Grantor waives all claims, damages and demands it may acquire against any Secured Party arising out of the exercise by any Secured Party of any rights hereunder.

(c) In the event of any disposition of any of the Intellectual Property, the goodwill of the business connected with and symbolized by any Trademarks subject to such disposition shall be included, and the applicable Grantor shall, to the extent commercially reasonable and feasible under the circumstances, supply the Collateral Agent or its designee with such Grantor's know-how and expertise, and with documents and things embodying the same, relating to the manufacture, distribution, advertising and sale of products or the provision of services relating to any Intellectual Property subject to such disposition, and such Grantor's customer lists and other records and documents relating to such Intellectual Property and to the manufacture, distribution, advertising and sale of such products and services.

6.7 Private Sales, etc.

(a) Each Grantor recognizes that the Collateral Agent may be unable to effect a public sale of any or all the Pledged Equity Interests, by reason of certain prohibitions contained in the Securities Act, applicable state, provincial or territorial securities laws or other applicable Laws, and may be compelled to resort to one or more private sales thereof, including, without limitation, to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Collateral Agent shall be under no obligation to delay a sale of any of the Pledged Equity Interests for the period of time necessary to permit the issuer thereof to register such securities for public sale under the Securities Act, under applicable state, provincial or territorial securities laws or other applicable Laws, even if such issuer would agree to do so.

(b) Each Grantor agrees to use commercially reasonable efforts to do or cause to be done all such other acts as may be necessary to make such sale or sales of all or any portion of the Pledged Equity Interests pursuant to this Section 6.7 valid and binding and in compliance with any and all other applicable Requirements of Law. Each Grantor further agrees that a breach of any of the covenants contained in this Section 6.7 will cause irreparable injury to the Secured Parties, that the Secured Parties have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 6.7 shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no Event of Default has occurred and is continuing or a defense of payment.

6.8 Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Obligations and the reasonable fees and disbursements of any outside attorneys employed by any Secured Party to collect such deficiency.

6.9 Deposit Accounts/Securities Accounts. Upon the occurrence of an Event of Default and during continuation thereof without limiting other remedies available to the Collateral Agent and without further order from the Bankruptcy Court, the Collateral Agent may prevent withdrawals or other dispositions of funds in Deposit Accounts and Securities Accounts subject to control agreements or held with any Secured Party.

SECTION 7 THE COLLATERAL AGENT.

7.1 Collateral Agent's Appointment as Attorney-in-Fact, etc.

(a) Each Grantor hereby irrevocably constitutes and appoints the Collateral Agent, with full power of substitution, as its true and lawful attorney-in-fact with full

irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Collateral Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) in the name of such Grantor or its own name, or otherwise, take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Receivable or Contract or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Collateral Agent for the purpose of collecting any and all such moneys due under any Receivable or Contract or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Collateral Agent may request to evidence the Secured Parties' security interest in such Intellectual Property and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(iv) execute, in connection with any sale provided for in Section 6.6 or 6.7, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(v) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Collateral Agent or as the Collateral Agent shall direct; (2) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Collateral Agent may deem appropriate; (7) assign any Copyright, Patent or Trademark (along with the

goodwill of the business to which any such Copyright, Patent or Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Collateral Agent shall in its sole discretion determine; and (8) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes, and do, at the Collateral Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things which the Collateral Agent deems necessary to protect, preserve or realize upon the Collateral and the Secured Parties' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 7.1(a) to the contrary notwithstanding, the Collateral Agent agrees that, except as provided in Section 7.1(b), it will not exercise any rights under the power of attorney provided for in this Section 7.1(a) unless an Event of Default has occurred and is continuing.

(b) If any Grantor fails to perform or comply with any of its agreements contained herein, the Collateral Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement; provided, however, that unless an Event of Default has occurred and is continuing or time is of the essence, the Collateral Agent shall not exercise this power without first making demand on the applicable Grantor and such Grantor failing to promptly comply therewith.

(c) The expenses of the Collateral Agent incurred in connection with actions undertaken as provided in this Section 7.1, together with interest thereon at a rate *per annum* equal to the rate *per annum* at which interest would then be payable on past due Revolving Loans that are Base Rate Loans under the Credit Agreement, from the date of payment by the Collateral Agent to the date reimbursed by the relevant Grantor, shall be payable by such Grantor to the Collateral Agent on demand.

(d) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

7.2 Duty of Collateral Agent. The Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the New York UCC or otherwise, shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account. Neither the Collateral Agent, nor any other Secured Party nor any of their respective officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Secured Parties hereunder are solely to protect the Secured Parties'

interests in the Collateral and shall not impose any duty upon any Secured Party to exercise any such powers. The Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be responsible to any Grantor for any act or failure to act hereunder, except to the extent that any such act or failure to act is found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from their own gross negligence or willful misconduct in breach of a duty owed to such Grantor.

7.3 Execution of Financing Statements. Each Grantor acknowledges that pursuant to Section 9-509(b) of the New York UCC and any other applicable Laws, each Grantor authorizes the Collateral Agent to file or record financing or continuation statements, and amendments thereto, and other filing or recording documents or instruments with respect to the Collateral, without the signature of such Grantor, in such form and in such offices as the Collateral Agent reasonably determines appropriate to perfect or maintain the perfection of the security interests of the Collateral Agent under this Agreement. Because each security interest granted hereunder is intended to cover substantially all the assets of each Grantor, each Grantor agrees that such financing statements may describe the collateral in the same manner as described in this Agreement or as "all assets," "all personal property" or words of similar effect, regardless of whether or not the Collateral includes all assets or all personal property of such Grantor, or such other description as the Collateral Agent, in its sole judgment, determines is necessary or advisable that is of an equal or lesser scope or with greater detail. A photographic or other reproduction of this Agreement shall, where permitted by applicable Laws, be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction.

7.4 Authority of Collateral Agent. Each Grantor acknowledges that the rights and responsibilities of the Collateral Agent under this Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Collateral Agent and the other Secured Parties, be governed by the Collateral Agency Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Agent and the Grantors, the Collateral Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

7.5 Appointment of Co-Collateral Agents. Subject to the Collateral Agency Agreement, at any time or from time to time, in order to comply with any applicable requirement of law, the Collateral Agent may appoint another bank or trust company or one of more other Persons, either to act as co-agent or agents on behalf of the Secured Parties with such power and authority as may be necessary for the effectual operation of the provisions hereof and which may be specified in the instrument of appointment (which may, in the discretion of the Collateral Agent, include provisions for indemnification and similar protections of such co-agent or separate agent).

SECTION 8 MISCELLANEOUS.

8.1 Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by each affected Grantor and the Collateral Agent, subject to any consents required under Section 11.1 of the Credit Agreement. Notwithstanding the foregoing, Section 8.17 shall be supplemented by each applicable Assumption Agreement, as set forth therein, in a manner satisfactory to each Administrative Agent, the Collateral Agent and each applicable additional Grantor executing such Assumption Agreement.

8.2 Notices. All notices, requests and demands to or upon the Collateral Agent or any Grantor hereunder shall be effected in the manner provided for in the Collateral Agency Agreement; provided that any such notice, request or demand to or upon any Grantor shall be addressed to such Grantor at its notice address set forth on Schedule 8.2.

8.3 No Waiver by Course of Conduct; Cumulative Remedies. No Secured Party shall by any act (except by a written instrument pursuant to Section 8.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

8.4 Enforcement Expenses; Indemnification.

(a) (i) Section 11.3 of the Credit Agreement shall be incorporated by reference herein *mutatis mutandis* with respect to each Grantor's payment and reimbursement obligations to each Secured Party, and (ii) the applicable provision governing reimbursement of costs and expenses, if any, under the Collateral Agency Agreement shall be incorporated by reference herein *mutatis mutandis* with respect to each Grantor's payment or reimbursement obligations to the Collateral Agent.

(b) (i) Section 11.4 of the Credit Agreement shall be incorporated by reference herein *mutatis mutandis* with respect to each Grantor's indemnification obligations to each Secured Party, and (ii) the applicable provision governing indemnification, if any, under the Collateral Agency Agreement shall be incorporated by reference herein *mutatis mutandis* with respect to each Grantor's indemnification Obligations to the Collateral Agent.

(c) The agreements in this Section shall survive repayment of the Obligations and all other amounts payable under the Credit Agreement and the other Loan Documents.

8.5 Successors and Assigns. This Agreement shall be binding upon the successors and assigns of each Grantor and shall inure to the benefit of the Secured Parties and their permitted successors and assigns; provided that, except as otherwise permitted by the Credit Agreement and

each other Loan Document, no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent, and any attempted assignment without such consent shall be null and void.

8.6 Set-Off. Each Grantor hereby irrevocably authorizes each Secured Party at any time and from time to time, to the fullest extent permitted by law, while an Event of Default has occurred and is continuing (without further order from the Bankruptcy Court), without notice to such Grantor or any other Grantor, any such notice being expressly waived by each Grantor, to set-off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final) at any time held, in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Secured Party or their Affiliates to or for the credit or the account of such Grantor, or any part thereof in such amounts as such Secured Party may elect, against and on account of any and all of the Obligations now or hereafter existing whether or not such Secured Party shall have made any demand for payment and even though such Obligations may be contingent or unmatured. Each Secured Party shall notify such Grantor promptly of any such set-off and the application made by such Secured Party or its respective Affiliates, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Secured Party under this Section are in addition to other rights and remedies (including other rights of set-off) which such Secured Party may have.

8.7 Counterparts. This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are attached to the same document. Delivery of an executed counterpart of a signature page of this Agreement by electronic transmission or telecopy shall be effective as delivery of a manually executed counterpart hereof.

8.8 Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.9 Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

8.10 Integration. This Agreement, together with the Collateral Agency Agreement and all of the other Loan Documents and all certificates and documents delivered hereunder or thereunder, embodies the entire agreement of the parties and supersedes all prior agreements and understandings relating to the subject matter hereof. Delivery of an executed signature page of this Agreement shall be as effective as delivery of a manually executed counterpart hereof.

8.11 APPLICABLE LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HERETO (INCLUDING THE SUBMISSION TO JURISDICTION IN SECTION 8.12) SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK AND, TO THE EXTENT APPLICABLE, THE BANKRUPTCY CODE, WITHOUT REGARD TO ITS CONFLICTS OF LAWS PROVISIONS.

8.12 Submission to Jurisdiction; Waivers. Each Grantor hereby irrevocably and unconditionally:

(a) agrees that any legal action or proceeding with respect to this Agreement shall be brought in the Bankruptcy Court or, to the extent that the Bankruptcy Court does not have (or abstains from exercising) jurisdiction, the courts of the State of New York sitting in New York County or of the United States of America for the Southern District of New York, and, by execution and delivery of this Agreement, each party hereto accepts for itself and in respect of its property, generally and unconditionally, the exclusive jurisdiction of the aforesaid courts, except that the Collateral Agent or any of the Secured Parties may, in their sole discretion, bring legal action or proceedings in other appropriate jurisdictions with respect to the enforcement of its rights with respect to the Collateral. Each Grantor hereby irrevocably waives any right to any other jurisdiction to which it may be entitled on account of domicile, residence or otherwise and waives any objection, including any objection to the laying of venue or based on the grounds of *forum non conveniens*, that such Grantor may now or hereafter have to the bringing of any such action or proceeding in such respective jurisdictions;

(b) consents and agrees to the service of any and all process in any such action or proceeding by the mailing (by registered or certified mail, postage prepaid) of copies of such process to such Grantor at its address referred to in Section 8.2 or to any Borrower at their addresses specified in Section 8.2. Each Grantor agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Laws;

(c) agrees that nothing contained in this Section 8.12 shall affect the right of the Collateral Agent or any Secured Party to serve process in any other manner permitted by applicable Laws, or commence legal proceedings or otherwise proceed against any Grantor in any other jurisdiction;

(d) to the extent that such Grantor has or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether from service or notice, attachment prior to judgment, attachment in aid of execution of a judgment, execution or otherwise), hereby irrevocably waives such immunity in respect of its obligations hereunder; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 8.12 any special, exemplary, punitive or consequential damages.

8.13 Acknowledgments. Each Grantor hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement, the Collateral Agency Agreement, and each other Loan Document to which it is a party;

(b) no Secured Party has any fiduciary relationship with or duty to any Grantor arising out of or in connection with this Agreement, the Collateral Agency Agreement or any of the other Loan Documents, and the relationship between the Grantors, on the one hand, and the Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the Collateral Agency Agreement or the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Secured Parties or among the Grantors and the Secured Parties.

8.14 Additional Grantors. Each Subsidiary of the Parent that is required to become a party to this Agreement pursuant to Section 7.11 of the Credit Agreement shall become a Grantor for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form of Annex 1 hereto.

8.15 Releases.

(a) Upon the occurrence of the Pledge and Security Termination Date, the Collateral shall be released from the Liens created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Collateral Agent and each Grantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Grantors. At the request and sole expense of any Grantor following any such termination, the Collateral Agent shall deliver to such Grantor any Collateral held by the Collateral Agent hereunder, and execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

(b) The Collateral Agent shall release or subordinate any Lien held by the Collateral Agent for the benefit of the Secured Parties and/or release any Grantor in its entirety as a Grantor hereunder, in each case, at the instruction of one or more of the Administrative Agents (which instruction is certified by such Administrative Agent or Administrative Agents or the Borrower to be in accordance with the Credit Agreement, provided that the Collateral Agent shall have no duty to investigate the truthfulness or any underlying fact of such certification). At the request and sole expense of any applicable Grantor, the Collateral Agent, at the instruction of one or more of the Administrative Agents (which instruction is certified by such Administrative Agent or Administrative Agents or the Borrower to be in accordance with the Credit Agreement, provided that the Collateral Agent shall have no duty to investigate the truthfulness or any underlying fact of such certification), shall execute and deliver to such Grantor all releases or other documents reasonably necessary for the release of the Liens created hereby on any such Collateral or the release of such Grantor of its Obligations hereunder, as applicable.

(c) Each Grantor acknowledges that it is not authorized to file any financing statement or amendment or termination statement with respect to any financing statement originally filed in connection herewith without the prior written consent of the Collateral Agent, subject to such Grantor's rights under Sections 9-509(d)(2) and 9-518 of the New York UCC.

8.16 WAIVER OF JURY TRIAL. EACH GRANTOR AND COLLATERAL AGENT WAIVES TRIAL BY JURY IN ANY ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT, THE COLLATERAL AGENCY AGREEMENT OR ANY OTHER LOAN DOCUMENT.

8.17 Riders for Certain Jurisdictions.

(a) Norway

(i) Notwithstanding anything set out to the contrary in this Agreement, the Collateral Agency Agreement or any other Loan Document to the contrary:

(1) the obligation of J. Ray McDermott (Norway) AS (and any other Grantor from time to time incorporated under the laws of Norway) to grant Collateral shall be limited to what is legally permitted under mandatory Norwegian law; and

(2) the obligations and liabilities of J. Ray McDermott (Norway) AS (and any other Grantor from time to time incorporated under the laws of Norway) under any provision of this Agreement, the Collateral Agency Agreement or any other Loan Document to which it is a party shall not include any obligations or liabilities to the extent they would constitute unlawful financial assistance within the meaning of Section 8-7 and/or 8-10, cfr. Section 1-4, of the Norwegian Companies Act of 13 June 1997 no. 44, and the obligations and liabilities of J. Ray McDermott (Norway) AS (and any other Grantor from time to time incorporated under the laws of Norway) under this Agreement, the Collateral Agency Agreement or any other Loan Document only apply to the extent permitted by those provisions of the Norwegian Companies Act of 13 June 1997 no. 44; and

(ii) The total liability of each of J. Ray McDermott (Norway) AS and any other Grantor from time to time incorporated under the laws of Norway under this Agreement, the Collateral Agency Agreement or any other Loan Document to which it is a party shall never exceed \$15,000,000,000 plus interest thereon and fees, costs and expenses as set out in this Agreement, the Collateral Agency Agreement or any other Loan Document.

(b) Ireland

(i) The obligations and liabilities of any Grantor incorporated in Ireland shall not extend to any obligations or liabilities to the extent that doing so would constitute unlawful financial assistance within the meaning of Section 82 of the Companies Act 2014 of Ireland notwithstanding any applicable exemptions and/or undertaking of any applicable prescribed

whitewash, summary approval procedure or similar financial assistance procedure.

(c) Cayman

(i) Each Grantor of a security interest over Pledged Stock issued by a company incorporated in the Cayman Islands shall deliver to the Collateral Agent a duly executed and undated instrument of transfer in respect of such Pledged Stock at the times and in the manner stipulated in Schedule 7.14 to the Credit Agreement.

(ii) Each Grantor hereby irrevocably waives any right to require a proceeding first against a Borrower or any other Person, any right to request the division of their payment obligation among the Grantors and any right to request that collateral be foreclosed upon, however such rights may be denominated under the laws of any jurisdiction.

(d) Canada

(i) Each Canadian Grantor confirms that value has been given by the Secured Parties to the Grantors, that each Canadian Grantor has rights in its Collateral existing at the date of this Agreement and that the Grantors and the Collateral Agent have not agreed to postpone the time for attachment of the security interests created under this Agreement to any of the Collateral. The Security Interests shall have effect and be deemed to be effective whether or not any secured obligations or any part thereof are owing or in existence before or after or upon the date of this Agreement.

(ii) Each of the Grantors acknowledges that certain of the Collateral may now or in the future consist of shares or other equity interests in the capital stock of an unlimited company, unlimited liability corporation or unlimited liability company incorporated or established in Canada (a "Canadian ULC"), and that it is the intention of the Collateral Agent and the Grantors that the Collateral Agent should not under any circumstances prior to realization thereon be held to be a "member" or a "shareholder", as applicable, of a Canadian ULC for the purposes of the *Companies Act* (Nova Scotia), the *Business Corporations Act* (Alberta), the *Business Corporations Act* (British Columbia) or any other present or future Laws governing Canadian ULCs. Therefore, notwithstanding any provisions to the contrary contained in this Agreement, the Credit Agreement or any other Loan Document, where a Grantor is the registered owner of shares in a Canadian ULC which are Collateral, that Grantor shall remain the sole registered owner of such Canadian ULC shares until such time as such ULC shares are effectively transferred into the name of the Collateral Agent or any other Person on the books and records of the applicable Canadian ULC. Accordingly, the Grantors shall be entitled to receive and retain for their own account any dividend on or other distribution, if any, with respect to such Canadian ULC shares and shall have the right to vote such Canadian ULC shares and to control the direction, management and policies of the applicable Canadian ULC to the same extent as the relevant Grantor would if such

Canadian ULC shares were not pledged to the Collateral Agent pursuant hereto. Nothing in this Agreement, the Credit Agreement or any other Loan Document is intended to, and nothing in this Agreement, the Credit Agreement or any other Loan Document shall, constitute the Collateral Agent or any Person other than the Grantors, a member or shareholder of a Canadian ULC for the purposes of any Canadian ULC Laws (whether listed or unlisted, registered or beneficial), until such time as notice is given to the Grantors and further steps are taken pursuant hereto or thereto so as to register the Collateral Agent or such other Person, as specified in such notice, as the holder of such Canadian ULC shares. To the extent any provision hereof would have the effect of constituting the Collateral Agent as a member or a shareholder, as applicable, of any Canadian ULC prior to such time, such provision shall be severed herefrom and shall be ineffective with respect to Canadian ULC shares which are Collateral without otherwise invalidating or rendering unenforceable this Agreement or invalidating or rendering unenforceable such provision insofar as it relates to Collateral which is not Canadian ULC shares. Except upon the exercise of rights of the Collateral Agent to sell, transfer or otherwise dispose of any Canadian ULC shares in accordance with this Agreement, the Grantors shall not cause or permit, or enable an issuer that is a Canadian ULC to cause or permit, the Collateral Agent to: (i) be registered as a shareholder or member of such issuer; (ii) have any notation entered in their favour in the share register of such issuer; (iii) be held out as shareholders or members of such issuer; (iv) receive, directly or indirectly, any dividends, property or other distributions from such issuer by reason of the Collateral Agent holding a security interest over the Canadian ULC shares; or (iv) act as a shareholder of such issuer, or exercise any rights of a shareholder including the right to attend a meeting of shareholders of such issuer or to vote its shares.

(e) Arkansas

FOR THE AVOIDANCE OF DOUBT, WITH RESPECT TO ANY GRANTOR ORGANIZED IN ARKANSAS, THIS AGREEMENT AND ALL LOAN DOCUMENTS ARE AND ARE INTENDED TO BE IN SUPPORT OF CONTRACTS TO BORROW OR LEND MONEY.

The Parent and certain of its Subsidiaries (collectively, the “Debtors”) have proposed a Joint Chapter 11 Plan of Reorganization pursuant to the provisions of Chapter 11 of Title 11 of the United States Code. Reference should be made to the Disclosure Statement filed on January 21, 2020 which provides pertinent information regarding the Debtors’ businesses and these joint plans.

(f) Liechtenstein

(i) If and to the extent that (i) the obligations of a Grantor incorporated under the laws of Liechtenstein (each, a “Liechtenstein Grantor”) which arise under this Agreement or any other Loan Document as well as any payments thereunder are for the benefit of the Liechtenstein Grantor's (a) direct or indirect shareholder(s), or (b) other affiliated companies (other than its direct or indirect

subsidiaries), and (ii) complying with such obligations would constitute a violation of Art. 545 (2) of the Liechtenstein Persons and Companies Act (*Personen- und Gesellschaftsrecht*) or similar mandatory provisions of Liechtenstein corporate law prohibiting capital repayment or restricting profit distributions, then the aggregate obligations of the Liechtenstein Grantor under this Agreement and any other Loan Document shall be limited as follows:

(1) The aggregate obligations of the Liechtenstein Grantor under any Loan Document (including but not limited to this Agreement) including the proceeds from the enforcement of any security interest granted by the Liechtenstein Grantor under any Loan Document shall be limited to the maximum amount of the Liechtenstein Grantor's distributable net assets available for distribution to the shareholders of the respective Liechtenstein Grantor in accordance with Art. 545 (2) of the Liechtenstein Persons and Companies Act (*Personen- und Gesellschaftsrecht*) and other mandatory provisions of Liechtenstein corporate law and the provisions of its articles of association and by-laws (net of taxes, if applicable) at the time the relevant payment becomes due (from time to time, each a "Liechtenstein Minimum Amount").

(2) The limitations set out herein (as may apply) shall not (generally or definitively) free the Liechtenstein Grantor from its obligations hereunder or under any other Loan Document in excess thereof, but merely postpone the fulfilment date thereof until such time or times as fulfilment is again possible in accordance with the above mentioned limitations.

(3) In order to allow the Secured Parties to obtain the maximum benefit under and out of this Agreement and the other Loan Documents, the Liechtenstein Grantor undertakes to promptly implement all such measures and/or to promptly procure the fulfilment of all prerequisites allowing it to make the (requested) payment(s), including the following:

(A) preparation of an audited interim balance sheet (*geprüfter Zwischenabschluss*) of the Liechtenstein Grantor in accordance with generally accepted accounting principles and Liechtenstein law, observing the accounting principles applied in the previous years for the creation of the non-consolidated financial statement;

(B) confirmation of the auditors of the relevant Liechtenstein Grantor that the relevant Liechtenstein Minimum Amount represents (the maximum of) freely distributable profits;

(C) approval by the shareholder(s) of the Liechtenstein Grantor of the (resulting) profit distribution in the amount of the Liechtenstein Minimum Amount; and

(D) all such other measures necessary or useful to allow the Liechtenstein Grantor to fulfil its obligations hereunder with a minimum of limitation, including the conversion of unnecessary restricted reserves into distributable reserves and the disposal of any of its assets that are not required for the Liechtenstein Grantor's business and the book value of which is significantly lower than its market value, in which case the Liechtenstein

Grantor shall notify the Collateral Agent immediately about the sale proceeds and the book value of its respective assets and of the realized hidden reserves (*stille Reserven*).

(ii) For the avoidance of doubt, the limitations hereinbefore referred to shall not lead to an obligation of the Liechtenstein Grantor to decrease its statutory capital or statutory reserves (*statutarischer Reservefonds*).

- (3) "BNM Security Commencement Date" means the date on which the BNM Approval has been obtained.
- (4) "Malaysian Grantor" means McDermott Asia Pacific Sdn Bhd, a company which is established under the laws of Malaysia.

(h) Kingdom of Saudi Arabia

(i) Notwithstanding anything in this Agreement to the contrary, the obligations and liabilities under this Agreement of any Grantor incorporated in the Kingdom of Saudi Arabia ("Saudi Arabia") shall not extend to any obligations or liabilities if and to the extent that such obligations or liabilities would be repugnant to Islamic law (*Shari'ah*) as interpreted and applied in Saudi Arabia.

(ii) Subject to paragraph (i) of this Section 8.17(h), the Collateral Agent and any Grantor incorporated in Saudi Arabia agree that:

(1) the obligation of any Grantor incorporated under the laws of the Federative Republic of Brazil to grant any Collateral shall be limited to what is legally permitted under Brazilian law; and

8.18 Excluded Subsidiaries. Notwithstanding anything in this Agreement to the contrary, if any Subsidiary of the Parent has executed and delivered this Agreement to become a Grantor hereunder, or has otherwise become a party to this Agreement as a Grantor, and such Subsidiary is or becomes an Excluded Subsidiary under clause (a) of the definition thereof, such Subsidiary will not be considered a party to this Agreement or a Grantor hereunder in any respects, and will not have any obligations under this Agreement, until such time that it is no longer an Excluded Subsidiary under clause (a) of the definition thereof.

8.19 Intellectual Property Filings. Notwithstanding anything in this Agreement to the contrary and without limiting the obligation of the Grantors to execute and deliver to the Collateral Agent Intellectual Property Security Agreements pursuant to the terms hereof, on the Effective Date the Collateral Agent shall not file any Intellectual Property Security Agreement with the United States Patent and Trademark Office or the United States Copyright Office that covers only Intellectual Property owned or utilized by CBI's technology segment if the Parent shall have notified the Collateral Agent in writing that such filing would have a material and adverse impact on the business of CBI's technology segment. After the Effective Date, the Collateral Agent shall,

in its sole and absolute discretion, be permitted to file any Intellectual Property Agreements with the United States Patent and Trademark Office or the United States Copyright Office, as applicable, after consultation with the Parent and provided that an Event of Default has occurred or an event has occurred that, but for an amendment or waiver thereof, could have become an Event of Default.

8.20 Collateral Agency Agreement; DIP Orders.
