## **THE PRIVATE INVESTMENT OFFICE LIMITED**

### **Strategic report For the year ended 31 December 2022**

The director presents his strategic report for the year ended 31 December 2022.

#### **Business overview**

The Company holds and licenses the intellectual property relating to the business of establishing and operating a private investment office. The Company historically received fees based on the investment management fees earned by the licensees.

The Company no longer receives licence fee, and the Director continues to seek new opportunities for the Company.

The board of directors is responsible for the overall stewardship of the Company.

#### **Principal activities**

The principal activity of the Company is to hold and license the intellectual property relating to the business of establishing and operating a private investment office. The Company receives operating licence fees for the use of the intellectual property.

#### **Key performance indicators**

The level of turnover that the Company earns is its key performance indicator. For the year ended 31 December 2022 the Company had turnover of £nil (2021: £nil).

#### **Risks and uncertainties**

The Company does not consider that there are any risks to the business as it does not currently have any revenue.

#### **Approval**

This Strategic Report was approved by order of the Board on 20 September 2023.

### **Statement of directors' responsibilities**

---

#### **Directors' responsibilities**

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice Accounting Standards (United Kingdom Accounting Standards and applicable law).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

*These accounts have been prepared in accordance with the special provisions in part 15 of the Companies Act 2006 relating to small companies and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).*

For the year ended 31 December 2022 the Company was entitled to exemption from audit under section 479A of the Companies Act 2006 relating to subsidiary companies.

The members have not required the Company to obtain an audit of its accounts for the year in question in accordance with section 476.

The Directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

The financial statements were approved by the Board of Directors and authorised for issue on 20 September 2023.

## THE PRIVATE INVESTMENT OFFICE LIMITED

### Notes forming part of the financial statements for the year ended 31 December 2022

#### 1. Accounting policies

The financial statements have been prepared in accordance with FRS 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires Group management to exercise judgement in applying the Group's accounting policies.

The following principal accounting policies have been applied:

*Company disclosure exemption:*

In preparing the financial statements of the company, advantage has been taken of the following disclosure exemptions available in FRS 102:

- No cash flow statement has been presented for the company as it is consolidated in the financial statements of its ultimate parent company.

*Intangible assets*

The intangible assets comprise the cost of intellectual property purchased and is not being amortised through the profit and loss account. An impairment review is undertaken each year to determine whether a change in value has become appropriate.

*Foreign currencies*

Transactions involving foreign currencies are translated at the rate ruling at the date the transaction. Monetary assets and liabilities denominated in foreign currencies are translated using the contracted rate or the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account.

*Taxation*

The tax expense for the period comprises current and deferred tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income or directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company's subsidiaries operate and generate taxable income.

Deferred balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except:

- The recognition of deferred tax assets is limited to the extent that it is probably that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed as and when all conditions for retaining associated tax allowances have been met.

Deferred income tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.
