Turnover

1

Turnover represents net invoiced sales of goods, excluding value added tax

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter

Short leasehold - 20% on reducing balance
Plant and machinery - 15% on reducing balance
Fixtures and fittings - 20% on reducing balance
Motor vehicles - 25% on reducing balance
Computer equipment - 33% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease
