## **DIRECTORS' REPORT**

***FOR THE YEAR ENDED 31 DECEMBER 2017***

---

The directors present their annual report and audited financial statements for the year ended 31 December 2017.

### **Principal activities**

The principal activity of the Company continued to be that of the holding of investment property and investments in subsidiaries. The directors expect to continue to carry out these activities in the future.

The company registration number is 05083580.

### **Directors**

The directors who held office during the year and subsequently, unless otherwise stated, were as follows:

J J Lister

R S Smith

D Faulkner

J L Watts

(Resigned 11 April 2018)

### **Results and dividends**

The results for the year are set out on page 7.

Ordinary dividends were paid amounting to £nil (2016: £11,272,549). The directors do not recommend payment of a final dividend.

### **Financial risk management**

#### ***Treasury operations and financial instruments***

The company has access to the group treasury function which is responsible for managing the liquidity and credit risks associated with the group's activities.

#### ***Liquidity risk***

The company manages its borrowing requirements in order to maximise interest income and minimise interest expense, whilst ensuring the company has sufficient liquid resources to meet the operating needs of the business.

#### ***Credit risk***

Debtors are monitored on an ongoing basis and provision is made for doubtful debts where necessary.

### **Auditor**

Each of the directors in office at the date of approval of this annual report confirm that:

- so far as the directors are aware, there is no relevant audit information of which the Company's auditor is unaware, and
- the directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Deloitte have expressed their willingness to continue in office as auditor and appropriate arrangements have been put in place for them to be deemed reappointed as auditor in the absence of an Annual General Meeting.

## **LDC (PROJECT 110) LIMITED**

### **DIRECTORS' REPORT (CONTINUED)**

***FOR THE YEAR ENDED 31 DECEMBER 2017***

---

#### **Going concern**

The directors have a reasonable expectation that the Company have adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in preparing the annual financial statements.

Further details regarding the adoption of the going concern basis can be found in the accounting policies in the financial statements.

On behalf of the board

.....  
D Faulkner

Director

29 June 2018

## **LDC (PROJECT 110) LIMITED**

### **DIRECTORS' RESPONSIBILITIES STATEMENT**

**FOR THE YEAR ENDED 31 DECEMBER 2017**

---

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# **LDC (PROJECT 110) LIMITED**

## **INDEPENDENT AUDITOR'S REPORT**

### **TO THE MEMBERS OF LDC (PROJECT 110) LIMITED**

---

#### **Report on the audit of the financial statements**

##### **Opinion**

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of LDC (Project 110) Limited (the 'company') which comprise:

- the statement of total comprehensive income;
- the balance sheet;
- the statement of changes in equity; and
- the related notes 1 to 23.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

##### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Conclusions relating to going concern**

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

# **LDC (PROJECT 110) LIMITED**

## **INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBERS OF LDC (PROJECT 110) LIMITED**

---

### **Other information**

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### **Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

# **LDC (PROJECT 110) LIMITED**

## **INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE MEMBERS OF LDC (PROJECT 110) LIMITED**

---

### **Report on other legal and regulatory requirements**

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

#### **Matters on which we are required to report by exception**

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption in not preparing a strategic report.

We have nothing to report in respect of these matters.

# **LDC (PROJECT 110) LIMITED**

## **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017**

---

### **1 Accounting policies**

#### **Company information**

LDC (Project 110) Limited is a private company limited by shares incorporated in the United Kingdom under the Companies Act 2006 and registered in England and Wales. The registered office is South Quay House, Temple Back, Bristol, BS1 6FL.

#### **1.1 Accounting convention**

The principal accounting policies are summarised below. They have been applied consistently throughout the year and to the preceding year.

The nature of the company's operations and its principal activities are set out in the Directors' Report on page 1.

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value, and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The functional currency of LDC (Project 110) Limited is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates.

LDC (Project 110) Limited meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in respect of its separate financial statements. LDC (Project 110) Limited is consolidated in the financial statements of its ultimate parent, The Unite Group plc, which may be obtained at South Quay House, Temple Back, Bristol, BS1 6FL. Exemptions have been taken in these separate Company financial statements in relation to presentation of a cash flow statement, financial instruments, intra-group transactions and remuneration of key management personnel.

#### **1.2 Going concern**

The financial statements have been prepared on the going concern basis, notwithstanding net current liabilities of £23,910,335 which the directors believe to be appropriate for the following reasons. The company is dependent for its working capital on funds provided to it by The Unite Group plc. The Unite Group plc has provided the company with an undertaking that for at least 12 months from the date of approval of these financial statements, it will continue to make available such funds as are needed by the company, and in particular, will not seek repayment of the amounts currently made available. This should enable the company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any entity placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue, although, at the date of approval of these financial statements, they have no reason to believe that it will not do so. Based on this understanding the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

#### **1.3 Turnover**

Turnover from investment property leased out under operating leases is recognised in the profit and loss account on a straight line basis over the term of the lease. Lease incentives granted are spread over the term of the lease on a straight line basis unless another systematic basis is more representative. Turnover relates to one class of business.

# **LDC (PROJECT 110) LIMITED**

## **NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**

**FOR THE YEAR ENDED 31 DECEMBER 2017**

---

### **1 Accounting policies**

**(Continued)**

#### **1.4 Investment properties**

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in the profit and loss account.

Where fair value cannot be achieved without undue cost or effort, investment property is accounted for as tangible fixed assets.

# LDC (PROJECT 110) LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2017

### 1 Accounting policies

(Continued)

#### 1.5 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.

##### *i. Financial assets and liabilities*

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the balance sheet when, and only when there exists a legally enforceable right to set off the recognised amounts and the Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Debt instruments which meet the following conditions are subsequently measured at amortised cost using the effective interest method:

- a. The contractual return to the holder is (i) a fixed amount; (ii) a positive fixed rate or a positive variable rate; or (iii) a combination of a positive or a negative fixed rate and a positive variable rate.
- b. The contract may provide for repayments of the principal or the return to the holder (but not both) to be linked to a single relevant observable index of general price inflation of the currency in which the debt instrument is denominated, provided such links are not leveraged.
- c. The contract may provide for a determinable variation of the return to the holder during the life of the instrument, provided that (i) the new rate satisfies condition (a) and the variation is not contingent on future events other than (1) a change of a contractual variable rate; (2) to protect the holder against credit deterioration of the issuer; (3) changes in levies applied by a central bank or arising from changes in relevant taxation or law; or (ii) the new rate is a market rate of interest and satisfies condition (a).
- d. There is no contractual provision that could, by its terms, result in the holder losing the principal amount or any interest attributable to the current period or prior periods.
- e. Contractual provisions that permit the issuer to prepay a debt instrument or permit the holder to put it back to the issuer before maturity are not contingent on future events, other than to protect the holder against the credit deterioration of the issuer or a change in control of the issuer, or to protect the holder or issuer against changes in levies applied by a central bank or arising from changes in relevant taxation or law.
- f. Contractual provisions may permit the extension of the term of the debt instrument, provided that the return to the holder and any other contractual provisions applicable during the extended term satisfy the conditions of paragraphs (a) to (c).

Debt instruments that are classified as payable or receivable within one year on initial recognition and which meet the above conditions are measured at the undiscounted amount of the cash or other consideration expected to be paid or received, net of impairment.

With the exception of some hedging instruments, other debt instruments not meeting these conditions are measured at fair value through profit or loss.

Commitments to make and receive loans which meet the conditions mentioned above are measured at cost (which may be nil) less impairment.

# LDC (PROJECT 110) LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2017

### 1 Accounting policies

(Continued)

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the company transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the company, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

#### *i. Equity instruments*

Equity instruments issued by the company are recorded at the fair value of cash or other resources received or receivable, net of direct issue costs.

### 1.6 Taxation

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the Company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax liabilities are recognised for timing differences arising from investments in subsidiaries and associates, except where the Company is able to control the reversal of the timing difference and it is probable that it will not reverse in the foreseeable future.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date that are expected to apply to the reversal of the timing difference. Deferred tax relating to property, plant and equipment measured using the revaluation model and investment property is measured using the tax rates and allowances that apply to sale of the asset.

Where items recognised in other comprehensive income or equity are chargeable to or deductible for tax purposes, the resulting current or deferred tax expense or income is presented in the same component of comprehensive income or equity as the transaction or other event that resulted in the tax expense or income.

Current tax assets and liabilities are offset only when there is a legally enforceable right to set off the amounts and the Company intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

Deferred tax assets and liabilities are offset only if: a) the Company has a legally enforceable right to set off current tax assets against current tax liabilities; and b) the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

### 1.7 Reserves

The Company's reserves are as follows:

- Called up share capital reserve contains the nominal value of the shares issued
- Profit and loss reserve represents cumulative profits or losses, net of dividends paid and other adjustments

# LDC (PROJECT 110) LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2017

### 1 Accounting policies

(Continued)

#### 1.8 Consolidation exemption

The Company is exempt by virtue of s401 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements therefore present information about the undertaking as an individual undertaking and not about the Group.

#### 1.9 Fixed asset investments

Interests in subsidiaries are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in the profit and loss account with reference to the net asset value which is considered to approximate fair value, at each reporting date.

#### 1.10 Investment income

Investment income represents dividends received from investments held in subsidiary entities, which are recognised when received.

#### 1.11 Dividends

Dividends unpaid at the balance sheet date are only recognised as a liability at that date to the extent that they are appropriately authorised and are no longer at the discretion of the company. Unpaid dividends that do not meet these criteria are disclosed in the notes to the financial statements.

### 2 Critical accounting judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

#### *Valuation of investment property*

The valuation of investment property involves significant judgement and changes to the core assumptions, market conditions, rental income, levels of occupancy and property management costs could have a significant impact on the carrying value of these assets.

#### *Valuation of subsidiaries*

The valuation of subsidiary undertakings involves significant judgement as the valuation requires an assessment of the fair value of all the underlying assets and liabilities of the subsidiary. Any changes to the assumptions made could have a significant impact on the carrying value of these assets.

### 3 Turnover

An analysis of the company's turnover is as follows:

	2017	2016
	£	£
<b>Turnover</b>		
Rental income received under operating lease rentals	4,116,589	4,079,508

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 DECEMBER 2017

#### 9 Taxation

(Continued)

The taxation charge that would arise at the standard rate of UK corporation tax is reconciled to the actual tax charge below. The main rate of corporation tax reduced from 20% to 19% with effect from 1 April 2017. Accordingly, the reconciliation above has been calculated at a rate of 19.25% (2016: 20%).

As a member of a UK REIT, the company is exempt from UK corporation tax on the profits from its property rental business. Accordingly, the element of the company's profit before tax relating to its property rental business has been separately identified in the reconciliation below.

Although the company does not pay UK corporation tax on the profits from its property rental business, the Group is required to distribute 90% of the profits from its property rental business after accounting for tax adjustments as a Property Income Distribution ("PID"). PIDs are charged to tax in the same way as property income in the hands of the recipient. The UK corporation tax rate will reduce from 19% to 17% with effect from 1 April 2020. This will reduce the company's future current tax charge accordingly. The deferred tax liability at 31 December 2017 has been calculated based on the rate at which it is expected to reverse. There is no expiry date in respect of timing differences, unused tax losses or tax credits.

As a member of a UK REIT, disposals of investment property are exempt from tax and as a result no deferred tax liability has been recognised in relation to these assets.

	2017 £	2016 £
Profit before taxation	6,047,083	8,587,300
Expected tax charge based on a blended effective corporation tax rate of 19.25% (2016: 20%)	1,164,063	1,717,460
Tax effect of income not taxable in determining taxable profit	-	(308,846)
Adjustments in respect of prior years	-	(86,367)
Group relief not paid for	-	(198,792)
Foreign exchange differences	-	(80,851)
Property rental business profits exempt from tax in the REIT Group	(560,696)	-
Rate difference on deferred tax	(12,152)	(200,448)
Release of deferred tax balances due to REIT conversion	-	(2,898,937)
Property revaluations not subject to tax	(499,401)	(848,243)
Total tax for the year	91,814	(2,905,024)

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 DECEMBER 2017

#### 10 Dividends

	2017 £	2016 £
Dividend paid	-	11,272,549
	<u>-</u>	<u>11,272,549</u>

Dividend for the year ended 31 December 2017 of £nil (2016: £11,272,549). The directors do not recommend a final dividend payment.

#### 11 Investment property

	2017 £	2016 £
<b>Fair value</b>		
At 1 January	70,610,000	65,230,000
Additions	295,707	1,138,786
Revaluation	2,594,293	4,241,214
At 31 December	<u>73,500,000</u>	<u>70,610,000</u>

Investment properties, which are all freehold/long leasehold, were revalued to fair value at 31 December 2017, based on a valuation undertaken by CBRE, Chartered Surveyors, an independent valuer with recent experience in the location and class of the investment property being valued. The method of determining fair value was the discounted cash flows method and significant assumptions applied were as follows:

- Net rental income (per week) of £118
- Estimated future rent increase of 3.6%
- Discount rate (yield) of 5.6%

There are no restrictions on the realisability of investment property. There are no contractual obligations to purchase, construct or develop investment property or for repairs, maintenance or enhancements.

No contingent rents have been recognised in the current or prior year and the total future minimum lease payments that the company will receive is £31,200,969 (2016: £3,682,739). £11,422,250 (2016: £3,674,009) is due within one year and £19,778,720 (2016: £8,730) is due within 2 to 5 years.

The total interest and bank costs included in the cost of the properties at 31 December 2017 was £44,610 (2016: £44,610).

	<u>45,324,155</u>	<u>43,311,387</u>

Amounts due to group undertakings are interest free and repayable on demand..

### 15 Creditors: amounts falling due after more than one year

	Notes	2017 £	2016 £
Intragroup loan	16	<u>26,144,000</u>	<u>26,135,449</u>

### 16 Loans and overdrafts

	2017 £	2016 £
Intra group loan	<u>26,144,000</u>	<u>26,135,449</u>
Payable in more than 5 years	<u>26,144,000</u>	<u>26,135,449</u>
Amounts included above which fall due after five years:		
Payable by instalments	<u>26,144,000</u>	<u>26,135,449</u>
	<u>26,144,000</u>	<u>26,135,449</u>

The intra group loan was issued over a 10 year period due for repayment on 31 January 2024. At the year ended 2017 the loan was £26,144,000 (2016: £26,135,449) which was secured on the property.

### 17 Provisions for liabilities

	Notes	2017 £	2016 £
Deferred tax liabilities	18	<u>545,495</u>	<u>453,681</u>
		<u>545,495</u>	<u>453,681</u>

# LDC (PROJECT 110) LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2017

### 18 Deferred taxation

The following are the major deferred tax liabilities and assets recognised by the company and movements thereon:

	Liabilities	Liabilities
	2017	2016
	£	£
<b>Balances:</b>		
Investment in subsidiary	545,495	453,681
<b>Movements in the year:</b>		2017
		£
Liability at 1 January 2017		453,681
Charge to profit or loss		91,814
Liability at 31 December 2017		545,495

Deferred tax assets and liabilities are recognised at the rate at which they are expected to reverse. Assets and liabilities are only offset where the group has a legally enforceable right to do so and where the assets and liabilities relate to income taxes levied by the same taxation authority on the same taxable entity or another entity in the group.

### 19 Called up share capital

	2017	2016
	£	£
<b>Ordinary called up share capital</b>		
<b>Issued and fully paid</b>		
25 Ordinary A shares of £1 each	25	25
75 Ordinary B shares of £1 each	75	75
	100	100

The rights attaching to each class of shares are as follows;

'A' shares - 49% of the voting rights, dividends and capital on winding up

'B' shares - 51% of the voting rights, dividends and capital on winding up

### 20 Capital commitments

The Company had no capital commitments at 31 December 2017 (2016: £nil).

### 21 Contingent liabilities

The Company had no contingent liabilities at 31 December 2017 (2016: £nil).

## **LDC (PROJECT 110) LIMITED**
