Notes to the Abbreviated Accounts for the period ended 31 July 2016

1 Accounting Policies

Basis of measurement and preparation of accounts

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

The turnover shown in the profit and loss account represents amounts receivable for services provided during the year. Turnover is not recognised until the service has been provided to the client and a right to consideration has been established.

Tangible assets depreciation policy

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Plant and machinery - 3 years straight line

Leasehold improvements - 3 years straight line

Other accounting policies

Operating Lease Agreements - Rental applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

Pension Costs - The company operates a defined contribution pension scheme for employees, the assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the profit and loss account.
