### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

The financial statements have been prepared on a going concern basis which assumes that the company will continue in operational existence for the foreseeable future. The validity of the assumption depends upon the continued financial support of the company's directors and bankers.

If the company were unable to continue in existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet values of assets to their recoverable amounts and to provide for any further liabilities that might arise.

#### 1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

#### 1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.
