**ParkingEye Limited****STRATEGIC REPORT****For the year ended 31 December 2022**

The directors present their strategic report for ParkingEye Limited ("the Company") for the year ended 31 December 2022.

**Principal activities**

The principal activity of the Company is the provision of parking management services on behalf of landowners.

**Business review and KPIs**

These Financial Statements show the results for the year ended 31 December 2022 with comparative numbers for the year ending 31 December 2021.

During the year ended 31 December 2022 the Company set up a new overseas subsidiary in Austria, accompanying the two subsidiaries set up during the year ended 31 December 2021 in Germany and Denmark.

Revenue for the year was £49,249,000 (2021: £39,376,000), an increase of 25.1%, with 2021 seeing a greater adverse impact from the lockdowns imposed by the UK Government during the Covid-19 global pandemic. Gross profit margin for the year ending 31 December 2022 was 62.5% compared with 60.3% for the year ending 31 December 2021. Operating profit increased by £4,974,000 to £10,699,000 a direct result of the increase in revenue.

The principal Key Performance Indicators (KPIs) used by management are:

	<b>2022</b>	<b>2021</b>
	<b>£ 000</b>	<b>£ 000</b>
Revenue	<b>49,249</b>	<b>39,376</b>
Adjusted EBITDA †	<b>22,490</b>	<b>16,066</b>

†Adjusted EBITDA is a non-statutory measure and is defined as operating profit before interest, tax, depreciation and amortisation, before lease payments to group companies, and before other non-recurring items. A reconciliation between this and Operating Profit is shown below.

	<b>2022</b>	<b>2021</b>
	<b>£ 000</b>	<b>£ 000</b>
Operating profit	<b>10,699</b>	<b>5,725</b>
Depreciation	<b>9,747</b>	<b>8,786</b>
Amortisation	<b>1,136</b>	<b>1,006</b>
EBITDA	<b>21,582</b>	<b>15,517</b>
Exceptional items	<b>5</b>	<b>13</b>
Non-recurring costs	<b>903</b>	<b>536</b>
Adjusted EBITDA	<b>22,490</b>	<b>16,066</b>

Non-recurring costs are not separately disclosed within the primary statements or notes to the financial statements.

Exceptional items comprise of redundancy costs in the current year. Non-recurring costs are other one-off costs that management exclude for monitoring performance.

**Current balance sheet position**

At 31 December 2022, net assets were £53,660,000 (31 December 2021: £44,325,000).

## **ParkingEye Limited**

### **STRATEGIC REPORT (continued) For the year ended 31 December 2022**

#### **Section 172 (1) statement**

The Directors of the Company, as those of all UK companies must act in accordance with a set of general duties. These duties are detailed in section 172 of the UK Companies Act 2006. The Directors of the Company must act in a way they consider, in good faith, would be most likely to promote the success of the Company for the benefit of its shareholders as a whole and, in doing so have regard to:

- The likely consequences of any decision in the long term
- The interest of the Company's employees
- The need to foster the Company's business relationships with suppliers, customers and others
- The impact of the Company's operations on the community and environment
- The desirability of the Company maintaining a reputation for high standards of business conduct and
- The need to act fairly between shareholders of the Company

In discharging their duties above, the directors carefully consider amongst other matters, the impact on the interests of other stakeholders in the Company and factor these into their decision-making process.

As the Company continues to grow in a highly regulated industry it is key that all risks faced are successfully identified, evaluated and managed. The principal risks and uncertainties are further explained within the Strategic report.

#### **Employees**

The Company has continued to consult and discuss with employees on all matters likely to affect their interests and all employees are aware of the financial and economic performance of the Company. There are monthly head of department meetings with the CEO and an annual strategy meeting for senior management. Appropriate information is cascaded regularly to employees via heads of department. Information is also provided via a newsletter and employee surveys conducted to gain feedback on employee engagement and to generate feedback on which information employees would like more on. A focus group is run by the HR Director with regard to Company core values.

The Company is committed to being a responsible employer in its approach to the pay, benefits and health and safety of its employees. There are several bonus schemes tailored to the relevant areas of the business which are designed to align behaviours and results to Company strategy and goals.

The Company's policy regarding disabled persons is set out in the Directors' Report.

#### **Customers**

The directors commit considerable time, effort and resources into understanding and responding to the needs of our customers with a view to fostering long term mutually beneficial partnerships. The Company acts to service our customers' needs to the highest standards and work quickly to resolve isolated disagreements that may arise from time to time.

#### **Suppliers**

The directors have established a procurement policy to ensure that external suppliers are individually verified to ensure they meet with the health and safety, regulatory and financial security standards required by the Company. The Company seeks to pay all suppliers any undisputed amounts due and that conform with the Company's billing requirements within agreed terms. The Company has established procedures for dispute resolution in a timely and fair manner.

**ParkingEye Limited**

**STRATEGIC REPORT (continued)**  
**For the year ended 31 December 2022**

**Community and the environment**

The Company takes its role within the community very seriously and promotes and encourages community and charitable activities. The Company also recognises the importance of its environmental responsibilities and ensures compliance with any regulatory environmental standards. The Company seeks to implement policies aimed at reducing any potential detrimental environmental impact of its activities.

**Standards and conduct**

The Company has a series of defined codes of practice regarding ethical standards and the conduct of business. These are clearly communicated to every staff member and adherence to which is expected.

**Principal risks and uncertainties**

*Operating environment*

The Company provides parking management services at locations such as supermarkets, retail parks and hotels, with the primary objective of ensuring that parking facilities are freely available for genuine customers. The Company earns most of its revenue from the issue of parking charge notices (PCNs) to the small proportion of motorists who breach the site owner's parking conditions.

*Technology*

The Company is heavily dependent on its IT systems. These have been internally developed over many years and have proven to be robust and reliable. Nevertheless, the Company's ability to earn and collect revenue is dependent upon the continuing effective operations of these systems. The risks are mitigated by controls and processes to prevent and detect intrusion. These are supported by disaster recovery and business continuity plans.

**Financial risk management**

The Company is exposed to a variety of financial risks that include credit risk and liquidity risk. The Company has in place a risk management programme, the objective of which is to limit the adverse effects on financial performance of the Company where appropriate.

*Credit risk*

The operating model does not involve granting significant credit to customers and therefore the Directors consider that credit risk is minimal.

*Liquidity risk*

Liquidity risk is the risk that the wider Group (Peggy Holdco Limited and its subsidiaries) will not be able to meet its financial obligations as they fall due. Although the Group is funded by long term debt, it has a strong cashflow allowing it to meet current liabilities and commitments when due. The Group has covenants with external lenders. These include conditions, inter alia, relating to the aggregate levels of debt and profitability of the group. The Directors monitor compliance with these conditions on a quarterly basis.

**ParkingEye Limited**

**STRATEGIC REPORT (continued)**  
**For the year ended 31 December 2022**

**Future developments**

The Directors anticipate continuing organic growth and intend to pursue further acquisitions of similar businesses as well as continue to seek and evaluate lateral opportunities where appropriate. The business will continue to provide a wide range of ANPR, Pay & Display, permit and manned solutions to assist the control and where appropriate enforcement of managed car parks for businesses and their users across the UK.

#### **Results and dividends**

The result for the year was a profit before tax of £10,693,000 (2021: £5,345,000). The Directors do not recommend the payment of a dividend. (2021: £nil).

#### **Directors**

The directors of the Company who were in office during the year and up to the date of signing the financial statements were:

Philip Boynes  
Sian Wicks

The Company holds indemnity insurance for Directors' liability.

#### **Employees**

The Company has continued to consult and discuss with employees on all matters likely to affect their interests and all employees are aware of the financial and economic performance of the Company. There are monthly head of department meetings with the CEO and an annual strategy meeting for senior management. Appropriate information is cascaded regularly to employees via heads of department. Information is also provided via newsletter and employee surveys conducted to gain feedback on employee engagement and to generate feedback on which information employees would like more on. A focus group is run by the HR Director with regard to company core values.

The Company is committed to being a responsible employer in its approach to the pay, benefits and health and safety of its employees. There are several bonus schemes tailored to the relevant areas of the business which are designed to align behaviours and results to Company strategy and goals.

Applications for employment by disabled persons are fully considered, having regard to the skills and experience of the applicant. In the event of existing employees becoming disabled, every effort is made to ensure the continuation of their employment, with appropriate adjustment to their duties, responsibilities and working conditions. It is the Company's policy that the training and career development of disabled persons should, as far as possible, be no different from other employees.

#### **Stakeholder and Employee Engagement**

Stakeholder and Employee Engagement are detailed within the Strategic Report.

#### **Financial risk management**

Information in respect of financial risk management is disclosed within the Strategic Report.

#### **Going concern**

The Directors, after reviewing the Company's operating budgets, investment plans and financing arrangements, consider that the Company has sufficient funding available over a period of at least 12 months from the date of approval of this report. Accordingly, the Directors are satisfied that it is appropriate to adopt the going concern basis in preparing the financial statements.

**ParkingEye Limited**

**DIRECTORS' REPORT (continued)**

**For the year ended 31 December 2022**

**Directors' responsibilities statement**

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law).

Under company law, directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101 have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006.

**Directors' confirmations**

In the case of each Director in office at the date the Directors' Report is approved:

- so far as the Director is aware, there is no relevant audit information of which the Company's auditors are unaware; and
- they have taken all the steps that they ought to have taken as a Director in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

**ParkingEye Limited****DIRECTORS' REPORT (continued)**  
**For the year ended 31 December 2022****Future Developments**

Future developments are deemed to be of strategic importance to the Group and as such have been outlined within the Strategic Report.

**Streamlined Energy and Carbon Reporting**

GHG emissions for the Company during the year ended 31 December 2022 and 31 December 2021 are reported below:

	2022	2021
UK energy use kWh	2,275,678	2,397,200
Associated Greenhouse gas emissions, Tonnes CO2 equivalent	515.95	551.08
Intensity ratio Emissions	0.01kg CO2e/£ Revenue	0.01kg CO2e/£ Revenue

UK energy use covers Fuel, Electricity and Grey Fleet.

Associated Greenhouse gases have been calculated in accordance with GHG Reporting Protocol – Corporate Standard methodology.

At ParkingEye Limited we have introduced energy efficiency measures across our sites. For example, we have upgraded to LED Lighting. We have also implemented a car sharing scheme where possible, to try and reduce our carbon emissions from private car usage. We have similarly also introduced a cycle to work scheme, where we encourage and incentivise our employees to cycle to work. Employees are incentivised to purchase bikes and other cycling equipment.

As part of our commitment to improve our green credentials, we have also procured renewable electricity contracts for all our electricity supplies during the year.

**Independent auditors**

Following change of ownership, PricewaterhouseCoopers LLP were appointed independent auditors. Pursuant to s487 Companies Act 2006, the auditors will be deemed to be reappointed and PricewaterhouseCoopers LLP will remain in office.

# Independent auditors' report to the members of ParkingEye Limited

## Report on the audit of the financial statements

### Opinion

In our opinion, ParkingEye Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, including FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the balance sheet as at 31 December 2022; the income statement, the statement of comprehensive income and the statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

### Conclusions relating to going concern

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

## Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic report and Directors' report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on our work undertaken in the course of the audit, the Companies Act 2006 requires us also to report certain opinions and matters as described below.

### Strategic report and Directors' report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic report and Directors' report for the year ended 31 December 2022 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic report and Directors' report.

## Responsibilities for the financial statements and the audit

### Responsibilities of the directors for the financial statements

As explained more fully in the Directors' responsibilities statement, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the company and industry, we identified that the principal risks of non-compliance with laws and regulations related to The Parking (Code of Practice) Act 2019, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the financial statements such as the Companies Act 2006 and UK tax regulation. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to fraudulent journal entries, designed to manipulate the financial performance and/or position of the company and management bias in accounting estimates. Audit procedures performed by the engagement team included:

- inquiry of management in respect of potential non-compliance with laws and regulations;
- testing journal entries meeting specific risk criteria, testing accounting estimates for indication of management bias and evaluating the business rationale of any significant transactions outside the normal course of business; and
- designing audit procedures to incorporate unpredictability around the nature, timing or extent of our testing.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

#### Use of this report

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

## Other required reporting

### Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not obtained all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

**ParkingEye Limited**  
**Notes to the financial statements**  
**For the year ended 31 December 2022**

**1 General information**

ParkingEye Limited ("the Company") provides parking management services in the UK on behalf of landowners for sites such as supermarkets, retail parks and hospitals.

The Company is a private company, limited by shares. It is registered in England and Wales under the Companies Act 2006 and is domiciled in the United Kingdom. The address of its registered office is 40 Eaton Avenue, Buckshaw Village, Chorley, Lancashire, PR7 7NA.

**2 Accounting policies**

**2.1 Basis of preparation of financial statements**

The financial statements have been prepared on a going concern basis, under the historical cost convention and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies (see note 3).

The following principal accounting policies have been applied consistently throughout the year:

**2.2 Financial reporting standard 101 - reduced disclosure exemptions**

The Company has taken advantage of the following disclosure exemptions under FRS 101:

- the requirements of IFRS 7 'Financial Instruments: Disclosures';
- the requirements of paragraphs 91-99 of IFRS 13 'Fair Value Measurement';
- the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
  - paragraph 79(a)(iv) of IAS 1;

**2.3 Going concern**

The Directors, after reviewing the Company's operating budgets, investment plans and financing arrangements, consider that the Company has sufficient funding available over a period of at least 12 months from the date of approval of this report. Accordingly, the Directors are satisfied that it is appropriate to adopt the going concern basis in preparing the financial statements.

**2 Accounting policies (continued)**

**2.4 Revenue**

Fees from parking charge notices (PCNs) are recognised at fair value on issue, based on the expected average value of receipts, having regard to historic collection rates, refunds made and ageing. These factors are reviewed and updated periodically. Fees charged to landowners for parking management services are recognised as revenue in the period where the services are performed.

**2.5 Property plant and equipment**

Property plant and equipment are stated at cost less depreciation. Cost includes the original purchase price of the asset, and the costs, including labour, which are directly attributable to bringing the asset to it working condition for intended use. Depreciation is calculated to write off the cost less estimated residual value of each asset over its expected useful life:

Land and Buildings	5 years
Fixtures and fittings	3-5 years
Computer equipment	3-5 years

**2.6 Intangible assets**

Intangible assets represent the costs of acquiring and implementing third party software and are amortised over the expected useful life of 3 years. Costs of internally developed software, periodic software licenses and other software maintenance costs are expensed as incurred.

**2.7 Trade and other receivables**

Trade debtors principally comprise the fair value of collections from unpaid PCNs net of associated costs of collection. This is determined based on the expected value of receipts, having regard to historic collection rates and ageing. These factors are reviewed and updated periodically.

Other receivables are short term in nature and are accounted for at their initial value and impaired when there is evidence that they will not be settled in full. To date there have been no credit losses and the fair value is considered to be the same as the carrying value.

**2.8 Trade and other payables**

Trade and other payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Trade and other payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

**2.9 Financial instruments**

*Financial assets*

*Cash at bank and in hand*

Cash at bank and in hand comprises deposits held at call with recognised UK banks plus cash in transit from card service providers.

*Trade and other receivables*

Trade and other receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment. The Company assesses on a forward-looking basis the expected credit loss associated with its financial assets. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

*Trade and other payables*

Trade and other payables are non-interest bearing and are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

**2.10 Current and deferred taxation**

The tax expense for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Balance Sheet date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

**2.11 Provisions for liabilities and charges**

Provisions for liabilities and charges are recognised where a legal obligation exists and the amount can be reasonably quantified.

**2.12 Leases**

The Company leases various properties, motor vehicles, car parks, tools and computer equipment. Rental contracts are typically made for fixed periods of 1 to 20 years. Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions. The lease agreements do not impose any covenants other than the security interests in the leased assets that are held. Leased assets may not be used as security for borrowing purposes.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the fixed lease payments. Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Company, the Companies incremental borrowing rate is used. This is the rate that the Company would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the amount of the initial measurement of lease liability, any lease payments made at or before the commencement date and any initial direct costs. Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis.

**For the year ended 31 December 2022**

**2 Accounting policies (continued)**

**2.12 Leases (continued)**

Payments associated with short-term leases of equipment and vehicles and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less. Low-value assets comprise IT equipment and small items of office furniture.

**2.13 Pensions**

The Company operates a defined contribution pension scheme for eligible employees. Contributions are charged to the Income Statement in the period in which they fall due.

**2.14 New Standards, amendments and IFRIC interpretations**

There are no amendments to accounting standards or IFRIC interpretations that are effective for the year ended 31 December 2022 that have had a material impact on the Company's financial statements.

**2.15 Foreign currencies**

All transactions and balances are in the functional currency of the Company.

**2.16 Impairment**

Assets that are subject to amortisation and depreciation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units). Assets are reviewed for possible reversal of the impairment at each reporting date.

**2.17 Exceptional items**

The Company presents certain items as exceptional on the face of the income statement in arriving at operating profit. These are items which, in Directors' judgement, need to be disclosed separately by virtue of their size, nature or occurrence.

**2.18 Inventories**

Inventories are recorded at the lower of cost and net realisable value. The cost of inventories is based on purchase price. Net realisable value is based upon the selling price. Where the net realisable value is identified as lower than cost, a provision for impairment is established.

**2.19 UK Government's Coronavirus Job Retention Scheme**

Amounts received by the Company in relation to the UK Government's Coronavirus Job Retention Scheme are credited to the Income Statement in the year to which they relate.

**2.20 Investments**

Investments in subsidiaries are measured at cost less impairment. The Company assesses on a forward-looking basis the expected credit loss associated with its financial assets. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

**ParkingEye Limited**  
**Notes to the financial statements (continued)**  
**For the year ended 31 December 2022**

**3 Judgements in applying accounting policies and key sources of estimation uncertainty**

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates.

*Revenue recognition*

As set out in accounting policy note 2.4, revenue from unpaid parking charge notices is accrued based on historic payment rates. The directors believe that historic payment rates give an accurate indication of future rates and are therefore deemed reasonable to use in accrued revenue calculations.

*Useful economic lives of fixed assets*

The cost of tangible and intangible fixed assets is charged to the Income Statement over the Directors' best estimate of the useful lives as set out in notes 2.5 and 2.6 above. An increase of 1 year in the useful life of all tangible assets would result in a circa £1,625,000 reduction to depreciation.

*Leases*

As set out in accounting policy note 2.12 lease payments are discounted using the Companies incremental borrowing rate. The Group uses third party financing available at the time to help determine the incremental borrowing rate. Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis.

**4 Revenue**

Revenue all derives from the principal activity of the Company and all arose within the United Kingdom.

On 3 March 2021 the Government announced that from 1 April 2023 the UK corporation tax rate will increase to 25% for UK tax resident companies whose profits exceed a certain threshold. Management believes that the taxable profits of the Company will be taxed at this higher rate from 1 April 2023. This was substantively enacted on 24 May 2021. This change has been reflected in these financial statements.
