NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 MAY 2013

1 Principal accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover represents the value of services provided, net of VAT and the fair value of the right to consideration in exchange for the performance of its contractual obligations

Amortisation

Goodwill is amortised over its expected useful life of 20 years

Depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value, of each asset over its expected useful life, as follows

Motor vehicles	25% reducing balance
----------------	----------------------

Stocks

Stocks, including work in progress, are consistently valued at the lower of cost and net realisable value

Deferred taxation

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's financial statements. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws
