**REPORT OF THE INDEPENDENT AUDITORS TO  
LOGISTICS 4 U LIMITED  
UNDER SECTION 449 OF THE COMPANIES ACT 2006**

---

We have examined the abbreviated accounts set out on pages three to six, together with the full financial statements of Logistics 4 U Limited for the year ended 31 December 2012 prepared under Section 396 of the Companies Act 2006

This report is made solely to the company, in accordance with Section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the opinions we have formed.

**Respective responsibilities of directors and auditors**

The directors are responsible for preparing the abbreviated accounts in accordance with Section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the Regulations made under that Section and to report our opinion to you.

**Basis of opinion**

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

**Opinion**

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the Regulations made under that Section.

The financial statements were approved by the Board of Directors on  
signed on its behalf by

1/6/13

and were

  
A.G. Flood - Director

The notes form part of these abbreviated accounts

NOTES TO THE ABBREVIATED ACCOUNTS  
FOR THE YEAR ENDED 31 DECEMBER 2012

---

1 **ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

**Exemption from preparing a cash flow statement**

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company

**Turnover**

Turnover represents sales to external customers at invoiced amounts less value added tax or local taxes on sales. All income is recognised in the period in which goods are delivered or the service is provided

**Goodwill**

Goodwill represents the licence to trade under a franchise and is capitalised as cost and written off on a straight line basis over the useful economic life of 10 years

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life

Improvements to property	- at varying rates on cost
Plant and machinery	- at varying rates on cost
Fixtures and fittings	- at varying rates on cost
Motor vehicles	- 20% on cost
Computer equipment	- at varying rates on cost

No depreciation is provided on freehold property. This treatment is a departure from UK accounting rules requiring fixed assets to be depreciated over their useful lives. In the opinion of the directors, the treatment adopted is necessary to enable the accounts to give a true and fair view. Due to the nature of the property, the residual value is thought to be sufficiently high and, with the company's commitment to regular maintenance, the expected useful economic life of the asset is expected to be sufficiently long that the resulting depreciation charge would be immaterial.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, except that the recognition of deferred tax assets is limited to the extent the company anticipates making sufficient taxable profits in the future to absorb the reversal of the underlying timing differences.

Deferred tax balances arising from underlying timing differences in respect of tax allowances on industrial buildings are reversed if and when all conditions for retaining those allowances have been met.

Deferred tax balances are not discounted.

**NOTES TO THE ABBREVIATED ACCOUNTS - continued**  
**FOR THE YEAR ENDED 31 DECEMBER 2012**

**1 ACCOUNTING POLICIES - continued****Hire purchase and leasing commitments**

Where assets are financed by leasing agreements that give rights approximating to ownership (finance leases), the assets are treated as if they had been purchased outright. The amount capitalised is the present value of the minimum lease payments payable over the term of the lease. The corresponding leasing commitments are shown as amounts payable to the lessor. Depreciation on the relevant assets is charged to the profit and loss account over the shorter of the estimated useful economic life and the period of the lease.

Lease payments are analysed between capital and interest components so that the interest element of the payment is charged to the profit and loss account over the period of the lease and is calculated so that it represents a constant proportion of the balance of capital repayments outstanding. The capital part reduces the amounts payable to the lessor.

All other leases are treated as operating leases. Their annual rentals are charged to the profit and loss account on a straight line basis over the term of the lease.

**Going concern**

The company meets its day to day working capital requirements through a mixture of cash at bank and loan finance.

The company's forecasts and projections, taking account of reasonably possible changes in trading performance, show that the company should be able to operate without the need for further facilities for the foreseeable future.

The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.
