1. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

These accounts have been prepared on a going concern basis which assumes that the company will continue to trade. The validity of this assumption is dependent on sufficient and continuing financial support being made available by the company's ultimate owners. If the company were unable to continue to trade adjustments would have to be made to reduce the value of assets to their realisable amount and to provide for any further liabilities that may arise.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

2. **CALLED UP SHARE CAPITAL**
