DIRECTORS' RESPONSIBILITIES

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss of the company for that period. In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- follow applicable accounting standards, subject to any material departures disclosed and explained in the accounts.

The directors are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the accounts comply with the Companies Act. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing the above report, the director has taken advantage of special exemptions applicable to small companies.

THE CIABATTA BREAD COMPANY LIMITED

NOTES TO THE ACCOUNTS FOR THE PERIOD 14th JULY 2004 TO 31st JULY 2005

1. ACCOUNTING POLICIES

Basis of accounting

The accounts have been prepared under the historical cost convention and appropriate accounting standards.

Cash flow

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement to produce such a statement under Financial reporting Standard 1 "Cash flow statements".

Turnover

Turnover represents the net value of sales, excluding vat. The turnover and profit before taxation for the year are attributable to the principal activity of the company, which is performed wholly within the UK.

Deferred taxation

Provision is made at current rates for taxation deferred in respect of all material timing differences except to the extent that, in the opinion of the director, there is reasonable probability that the liability will not arise in the foreseeable future.

Tangible Fixed Assets

Depreciation is provided at the following annual rates in order to write off the value of each asset over its estimated useful life.
